

## Global Super Star and Entrepreneur Chris Brown Takes Delivery of his FF 91 2.0 Vehicle After Completing a Month of Co-Creation Sharing for the Company

Nov 6, 2023

LOS ANGELES--(BUSINESS WIRE)--Nov. 6, 2023-- Faraday Future Intelligent Electric Inc. (NASDAQ: FFIE) ("Faraday Future", "FF" or "Company"), a California-based global shared intelligent electric mobility ecosystem company, today announced that global superstar and entrepreneur Chris Brown has taken delivery of his FF 91 2.0 Futurist Alliance, after spending a month of Co-Creation efforts involving his testing and driving of a FF 91 2.0 Futurist Alliance. Mr. Brown has now officially become an owner and Developer Co-Creation Officer for FF. The Company received valuable feedback from Mr. Brown, and this feedback not only enhanced his personal FF 91 2.0 but is also expected to enhance the Company's overall user experience and further highlights the advantages of the Company's Developer Co-Creation program.

### FORWARD LOOKING STATEMENTS

This press release includes "forward looking statements" within the meaning of the safe harbor provisions of the United States Private Securities

Mr. Brown is an American singer, songwriter, rapper, dancer, actor and businessman and one of the most iconic R&B singers of all time. His unique style has earned him prestigious recognitions, including a Grammy, as well as MTV Video Music, AMA, BET Music Awards and, most recently, Best R&B at the 2023 MTV Europe Music Awards.

"The FF 91 2.0 is the pinnacle of luxury, technology and performance, and we are excited to see that Mr. Brown's interest in our brand and vehicle exemplifies the same passion for our vehicle that we have," said Matthias Ayt, Global CEO of FF. "This is another wonderful Co-Creation collaboration that not only reflects the acknowledgment of FF and its products by prominent entertainment industry icons, but also underscores the value and advantages of FF and our Co-Creation model."

Since the launch of the first phase of deliveries in June of this year, with collaborative efforts from external Developer Co-Creation Officers and the Company's internal engineering team, the performance and user experience of the FF 91 2.0 Futurist Alliance have been continuously improving through Co-Creation activities.

Users can preorder an FF 91 2.0 vehicle via the FF Intelligent App or through our website (English): <https://www.ff.com/us/preorder/> or (Chinese): <https://www.ff.com/cn/preorder/>

Litigation Reform Act of 1995. When used in this press release the words “estimates,” “projected,” “expects,” “anticipates,” “forecasts,” “plans,” “intends,” “believes,” “seeks,” “may,” “will,” “should,” “future,” “propose” and variations of these words or similar expressions (or the negative versions of such words or expressions) are intended to identify forward-looking statements. These forward-looking statements involve a number of known and unknown risks, uncertainties, assumptions and other important factors, many of which are outside the Company’s control, that could cause actual results or outcomes to differ materially from those discussed in the forward-looking statements. Important factors, among others, that may affect actual results or outcomes include: the Company’s ability to continue as a going concern and improve its liquidity and financial position; the Company’s ability to execute on its plans to develop and market its vehicles and the timing of these development programs; the Company’s estimates of the size of the markets for its vehicles and cost to bring those vehicles to market; the rate and degree of market acceptance of the Company’s vehicles; the success of other competing manufacturers; the performance and security of the Company’s vehicles; potential litigation involving the Company; the Company’s ability to satisfy the conditions precedent and close on the various financings described elsewhere by the Company; the result of future financing efforts, the failure of any of which could result in the Company seeking protection under the Bankruptcy Code; general economic and market conditions impacting demand for the Company’s products; potential cost, headcount and salary reduction actions may not be sufficient or may not achieve their expected results; and the ability of the Company to attract and retain employees, any adverse developments in existing legal proceedings or the initiation of new legal proceedings, and volatility of the Company’s stock price. You should carefully consider the foregoing factors and the other risks and uncertainties described in the “Risk Factors” section of the Company’s Form 10-K/A filed with the Securities and Exchange Commission (“SEC”) on August 21, 2023, and other documents filed by the Company from time to time with the SEC. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and the Company does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
