FORWARD LOOKING STATEMENTS

Date: Thursday, November 23

Time: 4:30 P.M. (GST – Gulf Standard Time)

Venue: Ritz-Carlton Abu Dhabi, United Arab Emirates

Launch: Launch strategy and plan for FF's brand and product; FF to unveil the world's first aiHypercar and its special edition concept in the Middle East market.

Hosted: Matthias Aydt, Global CEO of FF will present FF's brand and product plans. A number of distinguished guests, including members of the royal family, government officials, local media, and FF partners will attend the press conference.

Watch Live: www.ff.com or FF APP

This Middle East strategy launch press conference will mark a significant beginning for FF's entry into the Middle East market. FF will unveil a special edition of the FF 91 2.0 vehicle specifically outfitted for the Middle East region's users. Additionally, FF will host a product showcase at the Abu Dhabi Yas Marina Circuit from November 23 to November 26.

The First of its Kind

The "All-Ability aiHypercar" FF 91 2.0 Futurist Alliance is a newly evolved silicon-based new species, which features incredible vehicle configurations and performance. Possessing three motors with 1050hp; 1977Nm of electric motor output torque, and the largest in the class battery pack.

Energy: 142kwh; the FF 91 2.0 set lap time class records at two American racetracks, Button Willow Raceway and Willow Springs International Raceway.

Users can preorder an FF 91 2.0 vehicle via the FF Intelligent App or through our website (English): <https://www.ff.com/us/preorder/> or (Chinese): <https://www.ff.com/cn/preorder/>

ABOUT FARADAY FUTURE

Faraday Future is the pioneer of the Ultimate AI TechLuxury ultra spire market in the intelligent EV era, and the disruptor of the traditional ultra-luxury car civilization epitomized by Ferrari and Maybach. FF is not just an EV company, but also a software-driven intelligent internet company. Ultimately FF aims to become a User Company by offering a shared intelligent mobility ecosystem.

FOLLOW FARADAY FUTURE

This press release includes “forward looking statements” within the meaning of the safe harbor provisions of the United States Private Securities Litigation Reform Act of 1995. When used in this press release the words “estimates,” “projected,” “expects,” “anticipates,” “forecasts,” “plans,” “intends,” “believes,” “seeks,” “may,” “will,” “should,” “future,” “propose” and variations of these words or similar expressions (or the negative versions of such words or expressions) are intended to identify forward-looking statements. These forward-looking statements involve a number of known and unknown risks, uncertainties, assumptions and other important factors, many of which are outside the Company’s control, that could cause actual results or outcomes to differ materially from those discussed in the forward-looking statements. Important factors, among others, that may affect actual results or outcomes include: the Company’s ability to continue as a going concern and improve its liquidity and financial position; the Company’s ability to remediate its material weaknesses in internal control over financial reporting; risks related to the restatement of the Company’s previously issued consolidated financial statements; the Company’s limited operating history and the significant barriers to growth it faces; the Company’s history of losses and expectation of continued losses; increased operating expenses; incorrect assumptions and analyses developed by management; the market performance of the Company’s common stock; the Company ability to comply with Nasdaq listing requirements; the Company’s ability to execute on its plans to develop and market its vehicles and the timing of these development programs; the Company’s estimates of the size of the markets for its vehicles and cost to bring those vehicles to market; the rate and degree of market acceptance of the Company’s vehicles; the success of other competing manufacturers; the performance and security of the Company’s vehicles; the Company’s ability to receive funds from, satisfy the conditions precedent of, and close on the various financings described elsewhere by the Company; the result of future financing efforts, the failure of any of which could result in the Company seeking protection under the Bankruptcy Code; the Company’s indebtedness; the Company’s ability to cover future warranty claims; insurance coverage; the outcome of the Securities and Exchange Commission (“SEC”) investigation relating to the matters that were the subject of the Special Committee investigation; the success of the Company’s remedial measures taken in response to the Special Committee findings; the Company’s dependence on its suppliers and contract manufacturers; the Company’s ability to develop and protect its technologies; the Company’s ability to protect against cybersecurity risks; general economic and market conditions impacting demand for the Company’s products; risks related to the Company’s operations in China; risks related to the Company’s stockholders who own a significant amount of the Company’s common stock; potential cost, headcount and salary reduction actions may not be sufficient or may not achieve their expected results; the ability of the Company to attract and retain directors and employees; any adverse developments in existing legal proceedings or the initiation of new legal proceedings; and volatility of the Company’s stock price. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties described in the “Risk Factors” section of the Company’s Annual Report on Form 10-K/A for the year ended December 31, 2022 and Quarterly Report on Form 10-Q for the quarter ended September 30, 2023, as well as in other documents filed by the Company from time to time with the SEC. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and the Company does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
