Motev will provide VIP chauffeur services with the FF 91 and create marketing opportunities through events and social media. This marks a forward step in FF's B2B business.

"As FF's first B2B enterprise-level user and co-creation officer, Motev's delivery is an important milestone in advancing FF's values of co-creation and co-sharing, as well as our business philosophy," said YT Jia, FF founder and CPUO. "The addition of the FF 91 2.0 to Motev's luxury fleet, which is dedicated to daily transportation services for many new users, including athletes, celebrities and other well-known passengers means that they will now have the opportunity to experience FF's Ultimate AI TechLuxury product and brand. Co-creation and our users help FF with continuous improvements to the FF 91 2.0 product and technology power."

Users can preorder an FF 91 2.0 vehicle via the FF Intelligent App or through [ff.com](https://www.ff.com/):
