

Faraday Future to Deliver FF 91 2.0 Futurist Alliance to Entrepreneur and Community Leader Luke Hans in January 2025

Dec 29, 2024

- **Luke Hans, the Company's latest Developer Co-Creation Officer, will receive his FF 91 2.0 Futurist Alliance during a delivery ceremony next month in Los Angeles with Company executives.**

LOS ANGELES--(BUSINESS WIRE)--Dec. 29, 2024-- Faraday Future Intelligent Electric Inc. (NASDAQ: FFIE) ("Faraday Future," "FF," or "Company"), a California-based global shared intelligent electric mobility ecosystem company, today announced that Luke Hans, a prominent entrepreneur and leader in the Los Angeles Chinese community, will take delivery of his new FF 91 2.0 Futurist Alliance EV in January 2025 during a delivery ceremony with FF executives. This will mark the first delivery of an FF 91 2.0 in 2025.

Luke Hans is a highly respected serial entrepreneur with successful ventures spanning real estate, car rental, oil, pharmaceutical, and film production, with operations in China, Canada, and the U.S. Signed as an FF Developer Co-Creation Officer, Hans will play a key role in supporting the Company's business development, product sales, and collaborative innovation efforts.

As a leader in the Los Angeles Chinese community, Hans is well known for his extensive network and ability to bridge international markets. His partnership with FF is expected to amplify the Company's outreach and drive deeper engagement with influential communities.

ABOUT FARADAY FUTURE

Faraday Future is the pioneer of the Ultimate AI TechLuxury ultra spire market in the intelligent EV era, and the disruptor of the traditional ultra-luxury car civilization epitomized by Ferrari and Maybach. FF is not just an EV Company, but also a software-driven intelligent internet Company. Ultimately FF aims to become a User Company by offering a shared intelligent mobility ecosystem. FF remains dedicated to advancing electric vehicle technology to meet the evolving needs and preferences of users worldwide, driven by a pursuit of intelligent and AI-driven mobility.

FORWARD LOOKING STATEMENTS

This press release includes "forward looking statements" within the meaning of the safe harbor provisions of the United States Private Securities Litigation Reform Act of 1995. When used in this press release, the words "estimates," "projected," "expects," "anticipates," "forecasts," "plans," "intends," "believes," "seeks," "may," "will," "should," "future," "propose" and variations of these words or similar expressions (or the negative versions of such words or expressions) are intended to identify forward-looking statements. These forward-looking statements, which include statements regarding delivery of an FF 91 2.0 to Luke Hans, are not guarantees of future performance, conditions or results, and involve a number of known and unknown risks, uncertainties, assumptions and other important factors, many of which are outside the Company's control, that could cause actual results or outcomes to differ materially from those discussed in the forward-looking statements.
