Luke Hans is a highly respected serial entrepreneur with successful ventures spanning real estate, oil, and pharmaceutical, with operations in China, Canada, and the U.S. As a leader in the Los Angeles Chinese community, Hans is

well known for his extensive network and ability to bridge international markets. His partnership with FF is expected to amplify the Company's outreach and drive deeper engagement with influential communities.

"We are elated that someone as influential in the LA business market as Mr. Hans has joined the FF 91 ownership family and we know he will play a key role in supporting the Company's business development, product sales, and collaborative innovation efforts," said Matthias Aydt, Global CEO of FF. "We are excited to have him as a Co-Creator with FF and know that with his entrepreneurial and leadership qualities, he will help guide our future lineup of vehicles and technologies."

### ABOUT FARADAY FUTURE

Faraday Future is the pioneer of the Ultimate AI TechLuxury ultra spire market in the intelligent EV era, and the disruptor of the traditional ultra-luxury car civilization epitomized by Ferrari and Maybach. FF is not just an EV Company, but also a software-driven intelligent internet Company. Ultimately FF aims to become a User Company by offering a shared intelligent mobility ecosystem. FF remains dedicated to advancing electric vehicle technology to meet the evolving needs and preferences of users worldwide, driven by a pursuit of intelligent and AI-driven mobility.
