During the event, Jerry Wang, President of FF Global Partners and Head of Corporate Development, FFIE (Consultant) provided a comprehensive business update for not only FF but also the latest advancements in the company's FX brand initiatives and

plans for 2025. He led an interactive Q&A session, addressing inquiries about the Company and market trends.

"The East Coast market presents a significant opportunity for FF and FX brands," said Jerry Wang. "With our cutting-edge technology and luxury EV offerings, we are confident that consumers in this region will embrace our vision for the future of intelligent mobility."

As FF continues to push the boundaries of innovation, the company remains committed to expanding its footprint and engaging with key stakeholders to accelerate the adoption of the Company's next generation of vehicles.

ABOUT FARADAY FUTURE

Faraday Future is the pioneer of the Ultimate AI TechLuxury ultra spire market in the intelligent EV era, and the disruptor of the traditional ultra-luxury car civilization epitomized by Ferrari and Maybach. FF is not just an EV Company, but also a software-driven intelligent internet Company. Ultimately FF aims to become a User Company by offering a shared intelligent mobility ecosystem. FF remains dedicated to advancing electric vehicle technology to meet the evolving needs and preferences of users worldwide, driven by a pursuit of intelligent and AI-driven mobility.

FORWARD LOOKING STATEMENTS

This press release includes "forward looking statements" within the meaning of the safe harbor provisions of the United States Private Securities Litigation Reform Act of 1995. When used in this press release, the words "estimates," "projected," "expects," "anticipates," "forecasts," "plans," "intends," "believes," "seeks," "may," "will," "should," "future," "propose" and variations of these words or similar expressions (or the negative versions of such words or expressions) are intended to identify forward-looking statements. These forward-looking statements, which include statements regarding opening an office in the New York Metro area and expanding its footprint are not guarantees of future performance, conditions or results, and involve a number of known and unknown risks, uncertainties, assumptions and other important factors, many of which are outside the Company's control, that could cause actual results or outcomes to differ materially from those discussed in the forward-looking statements. Important factors, among others, that may affect actual results or outcomes include, among others: the Company's ability to secure a lease on terms that it believes are reasonable; and the Company's ability to financially support an office in the New York Metro area. You should carefully consider the foregoing factors, and the other risks and uncertainties described in the "Risk Factors" section of the Company's Form 10-K filed with the SEC on May 28, 2024, as amended on May 30, 2024, and June 24, 2024, as updated by the "Risk Factors" section of the Company's first quarter 2024 Form 10-Q filed with the SEC on July 30, 2024, and other documents filed by the Company from time to time with the SEC.
