

Faraday Future Partners with Qmerit to Support EV Home Charging Services

August 26, 2021

- FF announces EV home charging and energy installation solutions in the U.S., with energy installation provider Qmerit
- Future FF 91 users searching for future EV home charging energy solutions will benefit from this premium, turnkey solution for their charging needs

LOS ANGELES--(BUSINESS WIRE)--Aug. 25, 2021-- Faraday Future Intelligent Electric Inc. ("FF") (NASDAQ: FFIE), a California-based global shared intelligent mobility ecosystem company, today announced its plans to partner with Qmerit, a leader in green energy transformation with the largest nationwide network of certified electrical installers for EV charging, to support future FF 91 drivers in need of home charging and other future energy-related installations.

This press release features multimedia. View the full release here: <https://www.businesswire.com/news/home/20210825005875/en/>

"Faraday Future is taking another important step in our journey to bring the FF 91 to market with customized home charging installations facilitated by industry-leading infrastructure provider Qmerit," said Global CEO of Faraday Future Carsten Breitfeld. "We're excited that our FF 91 users will have easy access to enjoy our industry-leading charging and energy solutions."

With the Faraday Future Installation program supported by Qmerit, future FF 91 drivers can schedule installation to occur before bringing their FF 91 home – so they are ready to go from day one. Users start the process by simply completing a brief survey on the FF app or at [FF.com](https://ff.com). One of Qmerit's experienced, certified providers will complete a tailored installation at a time convenient to the customer, who can immediately enjoy faster at-home charging of their FF 91.

"We are thrilled to be partnering with Faraday Future to provide our premium installation services for their drivers by leveraging our vast network to deliver consistently across the nation. Qmerit has successfully installed thousands of EV chargers in homes and has set the industry standard for driver satisfaction at a national level," said Ken Sapp Qmerit SVP, Business Development. "FF 91 users can enjoy excellent ownership experience through fast and convenient home charging – beginning with a seamless installation."

The FF 91 Futurist Alliance Edition and FF 91 Futurist models represent the next generation of intelligent internet electric vehicle (EV) products. They are high-performance EVs, all-in-one all ability cars, and ultimate robotic vehicles, allowing users to experience the third internet living space. The models also encompass extreme technology, an ultimate user experience and a complete ecosystem.

Both models have an industry-leading 1050 horsepower, a 130kWh battery pack with immersive liquid cooling technology and 0-60 mph performance in 2.4 seconds. In addition, both employ tri-motor torque vectoring and rear wheels independently driven and controlled by dual rear motors. Both models are also equipped with the industry's only super AP for internet connection at "light speed", video streaming on the passenger information display, a rear intelligent internet system, an in-car video conferencing system, intelligent seamless entry, FFID face recognition, multi-touch eyes-free control, and zero gravity rear seats with the industry's largest seating angle of 150 degrees.

Users can reserve an FF 91 Futurist model now via the FF intelligent APP or [FF.com](https://ff.com) at: <https://www.ff.com/us/reserve>.

NO OFFER OR SOLICITATION

This communication shall neither constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which the offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction.

FORWARD LOOKING STATEMENTS

This press release includes "forward looking statements" within the meaning of the "safe harbor" provisions of the United States Private Securities Litigation Reform Act of 1995. When used in this press release, the words "estimates," "projected," "expects," "anticipates," "forecasts," "plans," "intends," "believes," "seeks," "may," "will," "should," "future," "propose" and variations of these words or similar expressions (or the negative versions of such words or expressions) are intended to identify forward-looking statements. These forward-looking statements are not guarantees of future performance, conditions or results, and involve a number of known and unknown risks, uncertainties, assumptions and other important factors, many of which are outside FF's control, that could cause actual results or outcomes to differ materially from those discussed in the forward-looking statements. Important factors, among others, that may affect actual results or outcomes include: costs related to the recently completed business combination; FF's ability to execute on its plans to develop and market its vehicles and the timing of these development programs; FF's estimates of the size of the markets for its vehicles; the rate and degree of market acceptance of FF's vehicles; the success of other competing manufacturers; the performance and security of FF's vehicles; potential litigation involving FF; the result of future financing efforts and general economic and market conditions impacting demand for FF's products. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties described in the "Risk Factors" section of the registration statement on Form S-1 previously filed by Faraday Future Intelligent Electric Inc. with the SEC. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and FF does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
