

Faraday Future Announces Brembo as Brake Supplier for Upcoming FF 91 EV

April 25, 2022

- Faraday Future's flagship vehicle FF 91 EV will come equipped with Brembo brakes when it launches later this year (currently expected in Q3).
- A leader in the field of automotive brake technology, Brembo will provide the FF 91 EV with solid and consistent brake output under all conditions.

LOS ANGELES--(BUSINESS WIRE)--Apr. 25, 2022-- Faraday Future Intelligent Electric Inc. ("FF") (NASDAQ: FFIE), a California-based global shared intelligent electric mobility ecosystem company, today announced Brembo, the world industry-leading innovator of brake technology, as the main supplier of full brake caliper assembly for its ultimate intelligent techluxury FF 91 EV.

"Brembo, a world leader in braking systems, perfectly complements the requirements of an ultra-premium EV such as the FF 91," said Carsten Breitfeld, Global Chief Executive Officer of Faraday Future. "High-performance braking will ensure driver confidence on the road and this partnership adds to the slate of premium suppliers that are part of the FF 91 production."

Brembo will provide a specialized caliper assembly for the FF 91. This includes assembly, pistons, calipers, and pads, along with the electronic parking brake. The system is constructed with six-piston cast aluminum front calipers and four-piston cast aluminum rear calipers designed to provide solid and consistent brake performance under all conditions.

NO OFFER OR SOLICITATION

This communication shall neither constitute an offer to sell or the solicitation of an offer to buy any securities, nor shall there be any sale of securities in any jurisdiction in which the offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction.

FORWARD LOOKING STATEMENTS

This press release includes “forward looking statements” within the meaning of the “safe harbor” provisions of the United States Private Securities Litigation Reform Act of 1995. When used in this press release, the words “estimates,” “projected,” “expects,” “anticipates,” “forecasts,” “plans,” “intends,” “believes,” “seeks,” “may,” “will,” “should,” “future,” “propose” and variations of these words or similar expressions (or the negative versions of such words or expressions) are intended to identify forward-looking statements. These forward-looking statements are not guarantees of future performance, conditions or results, and involve a number of known and unknown risks, uncertainties, assumptions and other important factors, many of which are outside Faraday Future’s control, that could cause actual results or outcomes to differ materially from those discussed in the forward-looking statements. Important factors, among others, that may affect actual results or outcomes include the outcome of the SEC investigation relating to the matters that were the subject of the Special Committee investigation; FF’s ability to satisfy the terms of the Nasdaq exception and to file the Q3 Form 10-Q and Form 10-K by May 6, 2022 and its ability to regain compliance with the Nasdaq continued listing standards; the implementation of the Special Committee’s actions and related internal review by FF; FF’s ability to execute on its plans to develop and market its vehicles and the timing of these development programs; Company’s estimates of the size of the markets for its vehicles and costs to bring its vehicles to market; the rate and degree of market acceptance of Company’s vehicles; the success of other competing manufacturers; the performance and security of Company’s vehicles; potential litigation involving Company; the result of future financing efforts and general economic and market conditions impacting demand for Company’s products; and the ability of Company to attract and retain employees. The foregoing list of factors is not exhaustive. You should carefully consider the foregoing factors and the other risks and uncertainties described in the “Risk Factors” section of the FF’s registration statement on Form S-1 (File No. 333-258993) filed with the SEC on October 4, 2021 and other documents filed by FF from time to time with the SEC. These filings identify and address other important risks and uncertainties that could cause actual events and results to differ materially from those contained in the forward-looking statements. Forward-looking statements speak only as of the date they are made. Readers are cautioned not to put undue reliance on forward-looking statements, and FF does not undertake any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
