Faraday Future Kicks Off its Delivery Campaign Ahead of the

Alliance Delivery Ceremony this Coming Weekend

Los Angeles, CA (August 9, 2023) -- Faraday Future Intelligent Electric Inc. (Nasdaq: FFIE) (“Faraday Future”, “FF” or “Company”), a California-based global shared intelligent electric mobility ecosystem company, today announced a special delivery campaign to kick off its Developer Co-Creation Festival and the broadcast for its FF 91 2.0 Futurist Alliance Delivery Ceremony which will highlight the upcoming vehicle deliveries to prospective vehicle users. With all of the necessary compliance processes and steps now completed, the stage is set to facilitate deliveries to users.

Since the Company announced the start of the phase-2 Co-Creation delivery, the relevant processes and steps that are needed before a vehicle delivery have now been completed. This includes the MCO (Manufacture Certificate of Origin) readiness, sales agreement, and final invoice among others. The Company is working diligently now on the final vehicle inspection and PDI (Pre-Delivery Inspection) process prior to the delivery ceremony. FF will showcase these key moments in its delivery campaign over the coming days.

The first user who will take delivery of the FF 91 2.0 Futurist Alliance vehicle comes from “Private Collection Motors,” a luxury car dealership based in Costa Mesa, California. The dealership specializes in selling high-end, exotic, and rare vehicles to discerning customers around the globe.

FF will hold its first vehicle delivery ceremony at the headquarters of “Private Collection Motors” for this user this coming weekend and will broadcast the delivery ceremony on August 15th to kick-off of the Developer Co-Creation Festival. The Company intends to hold additional customized delivery ceremonies for the first batch of car buyers.

FF is also actively signing purchase agreements for the FF 91 2.0 Futurist Alliance with additional potential owners and Developer Co-Creators. The Company looks forward to announcing its first FF 91 2.0 Futurist Alliance car owner of the second group of users of its Phase-2 Co-Creation delivery on August 16th. This user is an elite representative of related industries and is going to be a Developer Co-Creator as well.

A series of activities held by the Company during Monterey Car Week in mid-August will also be part of the Developer Co-Creation Festival. FF will attend the “FuelRun” event on August 16th and 17th and “Motorlux” on August 16th.
