Section 2. Exercise.

a) Exercise of Warrant. Exercise of the purchase rights represented by this Warrant may be made, in whole or in part, at any time or times on or after the Initial Exercise Date and on or before the Termination Date, after receipt of the Authorized Share Increase Approval and the filing of an amendment to the Company’s certificate of incorporation reflecting the Authorized Share Increase, by delivery to the Company (or such other office or agency of the Company as it may designate by notice in writing to the registered Holder at the address of the Holder appearing on the books of the Company) of a duly executed PDF copy submitted by e-mail (or e-mail attachment) of the Notice of Exercise in the form annexed hereto (the “Notice of Exercise”). Within two (2) Trading Days following the date of exercise as aforesaid, the Holder shall deliver the aggregate Exercise Price for the shares specified in the applicable Notice of Exercise by wire transfer or cashier’s check drawn on a United States bank unless the cashless exercise procedure specified in Section 2(c) below is specified in the applicable Notice of Exercise (except as set forth in the preceding sentence). No ink-original Notice of Exercise shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise form be required. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company until the Holder has purchased all of the Warrant Shares available hereunder and the Warrant has been exercised in full, in which case, the Holder shall surrender this Warrant to the Company for cancellation within three (3) Trading Days of the date the final Notice of Exercise is delivered to the Company. Partial exercises of this Warrant resulting in purchases of a portion of the total number of Warrant Shares available hereunder shall have the effect of lowering the outstanding number of Warrant Shares purchasable hereunder in an amount equal to the applicable number of Warrant Shares purchased. The Holder and the Company shall maintain records showing the number of Warrant Shares purchased and the date of such purchases. **The Holder and any permitted assignee, by acceptance of this Warrant, acknowledge and agree that, by reason of the provisions of this paragraph, following the purchase of a portion of the Warrant Shares hereunder, the number of Warrant Shares available for purchase hereunder at any given time may be less than the amount stated on the face hereof.**

b) Exercise Price. The exercise price per share of Common Stock under this Warrant shall be $[\$[0.8925/1.05]]^3$ subject to adjustment hereunder (the “Exercise Price”).

c) Cashless Exercise. This Warrant may also be exercised, in whole or in part, at such time by means of a “cashless exercise” in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

- (A) = as applicable: (i) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise if such Notice of Exercise is (1) both executed and delivered pursuant to Section 2(a) hereof on a day that is not a Trading Day or (2) both executed and delivered pursuant to Section 2(a) hereof on a Trading Day prior to the opening of “regular trading hours” (as defined in Rule 600(b) of Regulation NMS promulgated under the federal securities laws) on such Trading Day; (ii) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise; or (iii) the VWAP on the date of the applicable Notice of Exercise if the date of such Notice of Exercise is a Trading Day and such Notice of Exercise is both executed and delivered pursuant to Section 2(a) hereof after the close of “regular trading hours” on such Trading Day;
- (B) = the Exercise Price of this Warrant, as adjusted hereunder; and
- (X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

If (A-B) is less than zero, then the number of Warrant Shares to be delivered to the Holder shall equal zero. If Warrant Shares are issued in such a cashless exercise, the parties acknowledge and agree that in accordance with Section 3(a)(9) of the Securities Act, the holding period of the Warrant Shares being issued may be tacked on to the holding period of this Warrant. The Company agrees not to take any position contrary to this Section 2(c).

³ **Note to Draft:** Exercise price for Tranche B Warrants issued after the date of the Purchase Agreement to FSV/Senyun/RAAJJ to be \$0.8925. Exercise price for Tranche C and D Warrants to be \$1.05.

d) Mechanics of Exercise.

i. Delivery of Warrant Shares Upon Exercise. The Company shall cause the Warrant Shares purchased hereunder to be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder's or its permitted assignee's balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system ("DWAC") if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by Holder or (B) this Warrant is being exercised via cashless exercise, or otherwise by physical delivery of a certificate, registered in the Company's share register in the name of the Holder or its permitted assignee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is two (2) Trading Days after the delivery to the Company of the Notice of Exercise (such date, the "Warrant Share Delivery Date"). Upon delivery of the Notice of Exercise the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date of delivery of the Warrant Shares; provided that payment of the aggregate Exercise Price (other than in the case of a cashless exercise) is received within two (2) Trading Days following delivery of the Notice of Exercise. If the Company is then a participant in DWAC and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by Holder or (B) this Warrant is being exercised via cashless exercise and the Company fails for any reason to deliver to the Holder the Warrant Shares subject to a Notice of Exercise by the 3rd Trading Day following the Warrant Share Delivery Date, the Company shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Warrant Shares subject to such exercise (based on the VWAP of the Common Stock on the date of the applicable Notice of Exercise), \$5 per Trading Day for each Trading Day after such 3rd Trading Day following the Warrant Share Delivery Date until such Warrant Shares are delivered or Holder rescinds such exercise. The Company agrees to use commercially reasonable efforts to maintain a transfer agent that is a participant in the FAST program so long as this Warrant remains outstanding and exercisable.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares pursuant to Section 2(d)(i) by the 3rd Trading Day following the Warrant Share Delivery Date, then the Holder will have the right to rescind such exercise.

iv. Compensation for Buy-In on Failure to Timely Deliver Warrant Shares Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares in accordance with the provisions of Section 2(d)(i) above pursuant to an exercise on or before the 3rd Trading Day following the Warrant Share Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Warrant Shares which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (1) the number of Warrant Shares that the Company was required to deliver to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of Warrant Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

v. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

vi. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names of any permitted transferee(s) as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for delivery of the Warrant Shares.

vii. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

e) Holder's Exercise Limitations. The Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities or instruments of the Company (including, without limitation, any other Common Stock Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable shall be in the reasonable discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written request of a Holder, the Company shall within three (3) Trading Days confirm in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities or instruments of the Company, including this Warrant, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be 4.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon exercise of this Warrant. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 2(e); provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of this Warrant held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a permitted successor holder of this Warrant.

f) [Issuance Restrictions]. If the Company has not obtained the Shareholder Approval or the financial viability exception pursuant to NASDAQ Rule 5635(f) for the issuance of the Common Stock underlying the Tranche C and Tranche D Notes and Warrants, then the Company may not issue upon exercise of this Warrant a number of shares of Common Stock, which, when aggregated with any shares of Common Stock issued (i) pursuant to the conversion of any Tranche C Notes or Tranche D Notes issued pursuant to the Purchase Agreement, and (ii) upon prior exercise of this or any other Tranche C or Tranche D Warrant issued pursuant to the Purchase Agreement, would exceed 137,559,650, subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the Common Stock that occur after the date of the Purchase Agreement (such number of shares, the “Issuable Maximum”). The Holder and the holders of the other Tranche C and Tranche D Warrants issued pursuant to the Purchase Agreement shall be entitled to a portion of the Issuable Maximum pro rata in accordance with the Tranche C Notes and Tranche D Notes issued to such Holders pursuant to the Purchase Agreement; provided, however, the Holder may re-allocate its pro rata portion of the Issuable Maximum among Tranche C and Tranche D Notes and Warrants held by it in its sole discretion; provided that such re-allocation will not change the aggregate portion of the Issuable Maximum within any category above. Such portion shall be adjusted upward ratably in the event a Purchaser no longer holds any Tranche C or Tranche D Notes or Warrants issued after the date of the Purchase Agreement and the amount of shares issued to such Purchaser pursuant to such Tranche C and Tranche D Notes and Warrants was less than such Purchaser’s pro rata share of the Issuable Maximum. The Company shall not issue to any Holder any portion of the Issuable Maximum other than in strict compliance with this Section 2(f).⁴

g) Call Provision. Subject to the provisions of Section 2(e), Section 2(f) and this Section 2(g), if, after the Effective Date, (i) the VWAP for each of 20 Trading Days out of 30 consecutive Trading Days (the “Measurement Period,” which 30 consecutive Trading Day period shall not have commenced until after the Effective Date) exceeds \$15.00 (subject to adjustment for forward and reverse stock splits, recapitalizations, stock dividends and the like after the Initial Exercise Date), (ii) the Holder is not in possession of any information that constitutes, or might constitute, material non-public information which was provided by the Company, any of its Subsidiaries, or any of their officers, directors, employees, agents or Affiliates, and (iii) the Equity Conditions are then satisfied, then the Company may, within 1 Trading Day of the end of such Measurement Period, call for cancellation of all or any portion of this Warrant for which a Notice of Exercise has not yet been delivered (such right, a “Call”) for consideration equal to \$0.01 per Warrant Share. To exercise this right, the Company must deliver to the Holder an irrevocable written notice (a “Call Notice”), indicating therein the portion of unexercised portion of this Warrant to which such notice applies. If the conditions set forth below for such Call are satisfied from the period from the date of the Call Notice through and including the Call Date (as defined below), then any portion of this Warrant subject to such Call Notice for which a Notice of Exercise shall not have been received by the Call Date will be cancelled at 6:30 p.m. (New York City time) on the tenth Trading Day after the date the Call Notice is received by the Holder (such date and time, the “Call Date”). Any unexercised portion of this Warrant to which the Call Notice does not pertain will be unaffected by such Call Notice. In furtherance thereof, the Company covenants and agrees that it will honor all Notices of Exercise with respect to Warrant Shares subject to a Call Notice that are tendered through 6:30 p.m. (New York City time) on the Call Date. The parties agree that any Notice of Exercise delivered following a Call Notice which calls less than all of the Warrants shall first reduce to zero the number of Warrant Shares subject to such Call Notice prior to reducing the remaining Warrant Shares available for purchase under this Warrant. For example, if (A) this Warrant then permits the Holder to acquire 100 Warrant Shares, (B) a Call Notice pertains to 75 Warrant Shares, and (C) prior to 6:30 p.m. (New York City time) on the Call Date the Holder tenders a Notice of Exercise in respect of 50 Warrant Shares, then (x) on the Call Date the right under this Warrant to acquire 25 Warrant Shares will be automatically cancelled, (y) the Company, in the time and manner required under this Warrant, will have issued and delivered to the Holder 50 Warrant Shares in respect of the exercises following receipt of the Call Notice, and (z) the Holder may, until the Termination Date, exercise this Warrant for 25 Warrant Shares (subject to adjustment as herein provided and subject to subsequent Call Notices). Subject again to the provisions of this Section 2(g), the Company may deliver subsequent Call Notices for any portion of this Warrant for which the Holder shall not have delivered a Notice of Exercise. Notwithstanding anything to the contrary set forth in this Warrant, the Company may not deliver a Call Notice or require the cancellation of this Warrant (and any such Call Notice shall be void), unless, from the beginning of the Measurement Period through the Call Date, (1) the Company shall have honored in accordance with the terms of this Warrant all Notices of Exercise delivered by 6:30 p.m. (New York City time) on the Call Date, and (2) the Registration Statement shall be effective as to all Warrant Shares and the prospectus thereunder available for use by the Holder, or Rule 144 shall be available without time, volume or manner of sale limitations, for the resale of all such Warrant Shares by the Holder, (3) the Common Stock shall be listed or quoted for trading on the Trading Market, and (4) there is a sufficient number of authorized shares of Common Stock for issuance of all Securities under the Transaction Documents, and (5) the issuance of all Warrant Shares subject to a Call Notice shall not cause a breach of any provision of Section 2(e) or Section 2(f) herein. The Company’s right to call the Warrants under this Section 2(g) shall be exercised ratably among the Holders based on each Holder’s initial purchase of Warrants.

⁴ **Note to Draft:** To be included for Tranche C/D Warrants.

Section 3. Certain Adjustments.

a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a share dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of reverse share split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues by reclassification of shares of the Common Stock any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or reclassification.

b) Subsequent Equity Sales. If the Company or any Subsidiary thereof, as applicable, at any time while this Warrant is outstanding, shall sell, enter into an agreement to sell or grant any option to purchase, or sell or grant any right to reprice, or otherwise dispose of or issue any Common Stock or Common Stock Equivalents (other than Excluded Stock), at an effective price per share less than the Exercise Price then in effect (such issuances collectively, a “Dilutive Issuance” and such price, the “Base Price”) (it being understood and agreed that if the holder of the Common Stock or Common Stock Equivalents so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, or due to warrants, options or rights per share which are issued in connection with such issuance, be entitled to receive shares of Common Stock at an effective price per share that is less than the Exercise Price, such issuance shall be deemed to have occurred for less than the Exercise Price on such date of the Dilutive Issuance at such effective price), then simultaneously with the consummation of each Dilutive Issuance the Exercise Price shall be reduced and only reduced to equal the Base Price. Such adjustment shall be made whenever such Common Stock or Common Stock Equivalents are issued. Notwithstanding the foregoing, no adjustments shall be made, paid or issued under this Section 3(b) in respect of Excluded Stock or any adjustment pursuant to Section 3(a). The Company shall notify the Holder, in writing, no later than the Trading Day following the issuance or deemed issuance of any Common Stock or Common Stock Equivalents subject to this Section 3(b), indicating therein the applicable issuance price, or applicable reset price, exchange price, conversion price and other pricing terms (such notice, the “Dilutive Issuance Notice”). For purposes of clarification, whether or not the Company provides a Dilutive Issuance Notice pursuant to this Section 3(b), upon the occurrence of any Dilutive Issuance, the Holder is entitled to receive a number of Warrant Shares based upon the adjusted Exercise Price regardless of whether the Holder accurately refers to the adjusted Exercise Price in the Notice of Exercise. Notwithstanding anything herein to the contrary, for purposes of this Section 2(b), “effective price per share” shall take into consideration the value of any Common Stock, Common Stock Equivalents, securities transferred to a third-party by other stockholders of the Company including Common Stock or Common Stock Equivalents, cash, rights or any other form of additional consideration (“Secondary Security”) that is issued or paid in connection with the issuance or sale or deemed issuance or sale of any other securities of the Company (the “Primary Security”, and together with the Secondary Security, each a “Unit”), together comprising one integrated transaction (or series of related transactions if such issuances or sales or deemed issuances or sales of securities of the Company are consummated under the same plan of financing), the “effective price per share” (i.e. Base Price) shall be deemed to be the lowest of (y) if such Primary Security is a Common Stock Equivalent, the lowest price per share for which one share of Common Stock is at any time issuable upon the exercise or conversion of the Primary Security and (z) the purchase price of such Unit less the value of the Secondary Unit (assuming for such purposes the value of any options or warrants are valued at the Black Scholes Value but using the date of the Dilutive Issuance for such purposes rather than the date of the Fundamental Transaction); provided that if the value determined pursuant to clause (y) above would result in a value less than the par value of the Common Stock, then the other securities issued or sold in such integrated transaction shall be deemed to have been issued or sold for the par value of the Common Stock. If any shares of Common Stock or Common Stock Equivalents are issued or sold or deemed to have been issued or sold for cash, the consideration other than cash received therefor will be deemed to be the net amount received by the Company therefor. If any shares of Common Stock or Common Stock Equivalents are issued or sold for a consideration other than cash, the amount of such consideration received by the Company will be the fair value of such consideration, except where such consideration consists of publicly traded securities or Common Stock (including Common Stock transferred from existing third-party stockholder), in which case the amount of consideration received by the Company will be the volume weighted average price of such publicly traded securities on the date of receipt of such publicly traded securities. The fair value of any consideration other than cash or publicly traded securities will be reasonably and in good faith determined jointly by the Company and the Holder. If such parties are unable to reach agreement within ten (10) days after the occurrence of an event requiring valuation (the “Valuation Event”), the fair value of such consideration will be determined within five (5) Business Days after the tenth (10th) day following the Valuation Event by an independent, reputable appraiser jointly selected by the Company and the Holder acting reasonable and in good faith. The determination of such appraiser shall be final and binding upon all parties absent manifest error and the fees and expenses of such appraiser shall be borne equally by the Company and the Holder.

c) Fundamental Transaction. If, at any time while this Warrant is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another unaffiliated Person or group of unaffiliated Persons, (ii) the Company, directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions to another unaffiliated Person or group of unaffiliated Persons, (iii) any direct or indirect, purchase offer, tender offer or exchange offer (by another unaffiliated Person or group of unaffiliated Persons) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Common Stock, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property in connection with a transaction involving an unaffiliated Person or group of unaffiliated Persons, or (v) the Company, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another unaffiliated Person or group of unaffiliated Persons whereby such other Person or group acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination) (each a “Fundamental Transaction”), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Warrant), the consideration (the “Alternate Consideration”) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction.

d) Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 3, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

e) Notice to Holder.

i. Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly deliver to the Holder by email a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant Shares and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Company shall authorize the granting to all holders of the Common Stock rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company (or any of its Subsidiaries) is a party, any sale or transfer of all or substantially all of its assets, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by email to the Holder at its last email address as it shall appear upon the Warrant Register of the Company, at least 10 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 4. Transfer of Warrant.

a) Transferability. Subject to compliance with any applicable securities laws and the conditions set forth in Section 4(d) hereof, this Warrant and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date on which the Holder delivers an assignment form to the Company assigning this Warrant in full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.

b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the initial issuance date of this Warrant and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.

c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the “Warrant Register”), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

d) Transfer Restrictions. If, at the time of the surrender of this Warrant in connection with any transfer of this Warrant, the transfer of this Warrant shall not be either (i) registered pursuant to an effective registration statement under the Securities Act and under applicable state securities or blue sky laws or (ii) eligible for resale without volume or manner-of-sale restrictions or current public information requirements pursuant to Rule 144, the Company may require, as a condition of allowing such transfer, that the Holder or transferee of this Warrant, as the case may be, provides to the Company an opinion of counsel, the form and substance of which opinion shall be reasonably satisfactory to the Company, to the effect that the transfer of this Warrant does not require registration under the Securities Act.

e) Representation by the Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Warrant and, upon any exercise hereof, will acquire the Warrant Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Warrant Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 5. Miscellaneous.

a) No Rights as Stockholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i). Without limiting any rights of a Holder to receive Warrant Shares on a “cashless exercise” pursuant to Section 2(c), in no event shall the Company be required to net cash settle an exercise of this Warrant.

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any share certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or share certificate, if mutilated, the Company will make and deliver a new Warrant or share certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or share certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

The Company covenants that, during the period the Warrant is outstanding and after receipt of the Shareholder Approval and the filing of an amendment to the Company's certificate of incorporation reflecting the Authorized Share Increase, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will use commercially reasonable efforts to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, intentionally avoid or intentionally seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be reasonably necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be reasonably necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares (or Alternative Consideration after a Fundamental Transaction) upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

Before taking any action which would result in an adjustment in the number of Warrant Shares for which this Warrant is exercisable or in the Exercise Price, the Company shall use commercially reasonable efforts to obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e) CFIUS. Notwithstanding anything to the contrary, at no time shall the Holder (a) be given rights that would allow it to control the Company; (b) have access to any material nonpublic technical information in the possession of the Company; (c) have the right to appoint any member or observer to the board of directors of the Company; or (d) be involved, other than through voting of shares, in the Company's substantive decisionmaking regarding (i) the use, development, acquisition, safekeeping, or release of sensitive personal data of U.S. citizens that the Company maintains or collects; (ii) the use, development, acquisition, or release of critical technologies; or (iii) the management, operation, manufacture, or supply of covered investment critical infrastructure, to the extent the Company at any time owns, operates, provides goods or service, or otherwise becomes involved in covered investment critical infrastructure. The terms in this paragraph are defined as they are defined in Section 721 of the U.S. Defense Production Act of 1950, as amended, and the regulations at 31 C.F.R Part 800, as they may be amended from time to time.

f) Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflict of laws thereof. Each party agrees that all legal proceedings concerning the interpretation, enforcement and defense of this Warrant shall be commenced in the state and federal courts sitting in the City of New York, Borough of Manhattan (the "New York Courts"). Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the New York Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such New York Courts, or such New York Courts are improper or inconvenient venue for such proceeding. Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Warrant. If any party shall commence an action or proceeding to enforce any provisions of this Warrant, then the prevailing party in such action or proceeding shall be reimbursed by the other party for its attorneys' fees and other costs and expenses incurred in the investigation, preparation and prosecution of such action or proceeding.

g) Restrictions. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

h) Nonwaiver. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies.

i) Notices. Any and all notices or other communications or deliveries to be provided by the Holders hereunder including, without limitation, any Notice of Exercise, shall be in writing and delivered personally, by email, or sent by a nationally recognized overnight courier service, addressed to the Company, at the address set forth above **Attention: Legal Department, Mike Beck**, email address mike.beck@ff.com, or such other email address or address as the Company may specify for such purposes by notice to the Holders. Any and all notices or other communications or deliveries to be provided by the Company hereunder shall be in writing and delivered personally, by email, or sent by a nationally recognized overnight courier service addressed to each Holder at the email address of such Holder appearing on the books of the Company, or if no such email address appears on the books of the Company. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via email at the email address set forth in this Section prior to 5:30 p.m. (New York City time) on any date, (ii) the next Trading Day after the date of transmission, if such notice or communication is delivered via email at the email address set forth in this Section on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (iii) the second Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given.

j) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

k) Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to seek specific performance of its rights under this Warrant. The Company agrees that monetary damages may not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

l) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any permitted Holder from time to time of this Warrant and shall be enforceable by such Holder or holder of Warrant Shares.

m) Amendment. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holder.

n) Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Warrant.

o) Headings. The headings used in this Warrant are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Warrant.

b) Exercise Price. The exercise price per share of Common Stock under this Warrant shall be \$0.2275, subject to adjustment hereunder (the "Exercise Price").

c) Cashless Exercise. This Warrant may also be exercised, in whole or in part, at such time by means of a "cashless exercise" in which the Holder shall be entitled to receive a number of Warrant Shares equal to the quotient obtained by dividing [(A-B) (X)] by (A), where:

(A) = as applicable: (i) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise if such Notice of Exercise is (1) both executed and delivered pursuant to Section 2(a) hereof on a day that is not a Trading Day or (2) both executed and delivered pursuant to Section 2(a) hereof on a Trading Day prior to the opening of "regular trading hours" (as defined in Rule 600(b) of Regulation NMS promulgated under the federal securities laws) on such Trading Day; (ii) the VWAP on the Trading Day immediately preceding the date of the applicable Notice of Exercise; or (iii) the VWAP on the date of the applicable Notice of Exercise if the date of such Notice of Exercise is a Trading Day and such Notice of Exercise is both executed and delivered pursuant to Section 2(a) hereof after the close of "regular trading hours" on such Trading Day;

(B) = the Exercise Price of this Warrant, as adjusted hereunder; and

(X) = the number of Warrant Shares that would be issuable upon exercise of this Warrant in accordance with the terms of this Warrant if such exercise were by means of a cash exercise rather than a cashless exercise.

If (A-B) is less than zero, then the number of Warrant Shares to be delivered to the Holder shall equal zero. If Warrant Shares are issued in such a cashless exercise, the parties acknowledge and agree that in accordance with Section 3(a)(9) of the Securities Act, the holding period of the Warrant Shares being issued may be tacked on to the holding period of this Warrant. The Company agrees not to take any position contrary to this Section 2(c).

d) Mechanics of Exercise.

i. Delivery of Warrant Shares Upon Exercise. The Company shall cause the Warrant Shares purchased hereunder to be transmitted by the Transfer Agent to the Holder by crediting the account of the Holder's or its permitted assignee's balance account with The Depository Trust Company through its Deposit or Withdrawal at Custodian system ("DWAC") if the Company is then a participant in such system and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by Holder or (B) this Warrant is being exercised via cashless exercise, or otherwise by physical delivery of a certificate, registered in the Company's share register in the name of the Holder or its permitted assignee, for the number of Warrant Shares to which the Holder is entitled pursuant to such exercise to the address specified by the Holder in the Notice of Exercise by the date that is two (2) Trading Days after the delivery to the Company of the Notice of Exercise (such date, the "Warrant Share Delivery Date"). Upon delivery of the Notice of Exercise the Holder shall be deemed for all corporate purposes to have become the holder of record of the Warrant Shares with respect to which this Warrant has been exercised, irrespective of the date of delivery of the Warrant Shares; provided that payment of the aggregate Exercise Price (other than in the case of a cashless exercise) is received within two (2) Trading Days following delivery of the Notice of Exercise. If the Company is then a participant in DWAC and either (A) there is an effective registration statement permitting the issuance of the Warrant Shares to or resale of the Warrant Shares by Holder or (B) this Warrant is being exercised via cashless exercise and the Company fails for any reason to deliver to the Holder the Warrant Shares subject to a Notice of Exercise by the 3rd Trading Day following the Warrant Share Delivery Date, the Company shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of Warrant Shares subject to such exercise (based on the VWAP of the Common Stock on the date of the applicable Notice of Exercise), \$5 per Trading Day for each Trading Day after such 3rd Trading Day following the Warrant Share Delivery Date until such Warrant Shares are delivered or Holder rescinds such exercise. The Company agrees to use commercially reasonable efforts to maintain a transfer agent that is a participant in the FAST program so long as this Warrant remains outstanding and exercisable.

ii. Delivery of New Warrants Upon Exercise. If this Warrant shall have been exercised in part, the Company shall, at the request of a Holder and upon surrender of this Warrant certificate, at the time of delivery of the Warrant Shares, deliver to the Holder a new Warrant evidencing the rights of the Holder to purchase the unpurchased Warrant Shares called for by this Warrant, which new Warrant shall in all other respects be identical with this Warrant.

iii. Rescission Rights. If the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares pursuant to Section 2(d)(i) by the 3rd Trading Day following the Warrant Share Delivery Date, then the Holder will have the right to rescind such exercise.

iv. Compensation for Buy-In on Failure to Timely Deliver Warrant Shares Upon Exercise. In addition to any other rights available to the Holder, if the Company fails to cause the Transfer Agent to transmit to the Holder the Warrant Shares in accordance with the provisions of Section 2(d)(i) above pursuant to an exercise on or before the 3rd Trading Day following the Warrant Share Delivery Date, and if after such date the Holder is required by its broker to purchase (in an open market transaction or otherwise) or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Warrant Shares which the Holder anticipated receiving upon such exercise (a "Buy-In"), then the Company shall (A) pay in cash to the Holder the amount, if any, by which (x) the Holder's total purchase price (including brokerage commissions, if any) for the shares of Common Stock so purchased exceeds (y) the amount obtained by multiplying (1) the number of Warrant Shares that the Company was required to deliver to the Holder in connection with the exercise at issue times (2) the price at which the sell order giving rise to such purchase obligation was executed, and (B) at the option of the Holder, either reinstate the portion of the Warrant and equivalent number of Warrant Shares for which such exercise was not honored (in which case such exercise shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued had the Company timely complied with its exercise and delivery obligations hereunder. For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted exercise of shares of Common Stock with an aggregate sale price giving rise to such purchase obligation of \$10,000, under clause (A) of the immediately preceding sentence the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver shares of Common Stock upon exercise of the Warrant as required pursuant to the terms hereof.

v. No Fractional Shares or Scrip. No fractional shares or scrip representing fractional shares shall be issued upon the exercise of this Warrant. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such exercise, the Company shall, at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Exercise Price or round up to the next whole share.

vi. Charges, Taxes and Expenses. Issuance of Warrant Shares shall be made without charge to the Holder for any issue or transfer tax or other incidental expense in respect of the issuance of such Warrant Shares, all of which taxes and expenses shall be paid by the Company, and such Warrant Shares shall be issued in the name of the Holder or in such name or names of any permitted transferee(s) as may be directed by the Holder; provided, however, that in the event that Warrant Shares are to be issued in a name other than the name of the Holder, this Warrant when surrendered for exercise shall be accompanied by the Assignment Form attached hereto duly executed by the Holder and the Company may require, as a condition thereto, the payment of a sum sufficient to reimburse it for any transfer tax incidental thereto. The Company shall pay all Transfer Agent fees required for processing of any Notice of Exercise and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for delivery of the Warrant Shares.

vii. Closing of Books. The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

e) Holder's Exercise Limitations. The Company shall not effect any exercise of this Warrant, and a Holder shall not have the right to exercise any portion of this Warrant, pursuant to Section 2 or otherwise, to the extent that after giving effect to such issuance after exercise as set forth on the applicable Notice of Exercise, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")), would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon exercise of this Warrant with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) exercise of the remaining, nonexercised portion of this Warrant beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or nonconverted portion of any other securities or instruments of the Company (including, without limitation, any other Common Stock Equivalents) subject to a limitation on conversion or exercise analogous to the limitation contained herein beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 2(e), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder, it being acknowledged by the Holder that the Company is not representing to the Holder that such calculation is in compliance with Section 13(d) of the Exchange Act and the Holder is solely responsible for any schedules required to be filed in accordance therewith. To the extent that the limitation contained in this Section 2(e) applies, the determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable shall be in the reasonable discretion of the Holder, and the submission of a Notice of Exercise shall be deemed to be the Holder's determination of whether this Warrant is exercisable (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which portion of this Warrant is exercisable, in each case subject to the Beneficial Ownership Limitation, and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 2(e), in determining the number of outstanding shares of Common Stock, a Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Company or (C) a more recent written notice by the Company or the Transfer Agent setting forth the number of shares of Common Stock outstanding. Upon the written request of a Holder, the Company shall within three (3) Trading Days confirm in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities or instruments of the Company, including this Warrant, by the Holder or its Affiliates or Attribution Parties since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be 4.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon exercise of this Warrant. The Holder, upon notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 2(e); provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon exercise of this Warrant held by the Holder and the provisions of this Section 2(e) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Company. The provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 2(e) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation herein contained or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a permitted successor holder of this Warrant.

f) Call Provision. Subject to the provisions of Section 2(e) and this Section 2(f), if, after the Effective Date, (i) the VWAP for each of 20 Trading Days out of 30 consecutive Trading Days (the “Measurement Period,” which 30 consecutive Trading Day period shall not have commenced until after the Effective Date) exceeds \$15.00 (subject to adjustment for forward and reverse stock splits, recapitalizations, stock dividends and the like after the Initial Exercise Date), (ii) the Holder is not in possession of any information that constitutes, or might constitute, material non-public information which was provided by the Company, any of its Subsidiaries, or any of their officers, directors, employees, agents or Affiliates, and (iii) the Equity Conditions are then satisfied, then the Company may, within 1 Trading Day of the end of such Measurement Period, call for cancellation of all or any portion of this Warrant for which a Notice of Exercise has not yet been delivered (such right, a “Call”) for consideration equal to \$0.01 per Warrant Share. To exercise this right, the Company must deliver to the Holder an irrevocable written notice (a “Call Notice”), indicating therein the portion of unexercised portion of this Warrant to which such notice applies. If the conditions set forth below for such Call are satisfied from the period from the date of the Call Notice through and including the Call Date (as defined below), then any portion of this Warrant subject to such Call Notice for which a Notice of Exercise shall not have been received by the Call Date will be cancelled at 6:30 p.m. (New York City time) on the tenth Trading Day after the date the Call Notice is received by the Holder (such date and time, the “Call Date”). Any unexercised portion of this Warrant to which the Call Notice does not pertain will be unaffected by such Call Notice. In furtherance thereof, the Company covenants and agrees that it will honor all Notices of Exercise with respect to Warrant Shares subject to a Call Notice that are tendered through 6:30 p.m. (New York City time) on the Call Date. The parties agree that any Notice of Exercise delivered following a Call Notice which calls less than all of the Warrants shall first reduce to zero the number of Warrant Shares subject to such Call Notice prior to reducing the remaining Warrant Shares available for purchase under this Warrant. For example, if (A) this Warrant then permits the Holder to acquire 100 Warrant Shares, (B) a Call Notice pertains to 75 Warrant Shares, and (C) prior to 6:30 p.m. (New York City time) on the Call Date the Holder tenders a Notice of Exercise in respect of 50 Warrant Shares, then (x) on the Call Date the right under this Warrant to acquire 25 Warrant Shares will be automatically cancelled, (y) the Company, in the time and manner required under this Warrant, will have issued and delivered to the Holder 50 Warrant Shares in respect of the exercises following receipt of the Call Notice, and (z) the Holder may, until the Termination Date, exercise this Warrant for 25 Warrant Shares (subject to adjustment as herein provided and subject to subsequent Call Notices). Subject again to the provisions of this Section 2(f), the Company may deliver subsequent Call Notices for any portion of this Warrant for which the Holder shall not have delivered a Notice of Exercise. Notwithstanding anything to the contrary set forth in this Warrant, the Company may not deliver a Call Notice or require the cancellation of this Warrant (and any such Call Notice shall be void), unless, from the beginning of the Measurement Period through the Call Date, (1) the Company shall have honored in accordance with the terms of this Warrant all Notices of Exercise delivered by 6:30 p.m. (New York City time) on the Call Date, and (2) the Registration Statement shall be effective as to all Warrant Shares and the prospectus thereunder available for use by the Holder, or Rule 144 shall be available without time, volume or manner of sale limitations, for the resale of all such Warrant Shares by the Holder, (3) the Common Stock shall be listed or quoted for trading on the Trading Market, and (4) there is a sufficient number of authorized shares of Common Stock for issuance of all Securities under the Transaction Documents, and (5) the issuance of all Warrant Shares subject to a Call Notice shall not cause a breach of any provision of Section 2(e) herein. The Company’s right to call the Warrants under this Section 2(f) shall be exercised ratably among the Holders based on each Holder’s initial purchase of Warrants.

Section 3. Certain Adjustments.

a) Stock Dividends and Splits. If the Company, at any time while this Warrant is outstanding: (i) pays a share dividend or otherwise makes a distribution or distributions on shares of its Common Stock or any other equity or equity equivalent securities payable in shares of Common Stock (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon exercise of this Warrant), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of reverse share split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues by reclassification of shares of the Common Stock any shares of capital stock of the Company, then in each case the Exercise Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding treasury shares, if any) outstanding immediately before such event and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event, and the number of shares issuable upon exercise of this Warrant shall be proportionately adjusted such that the aggregate Exercise Price of this Warrant shall remain unchanged. Any adjustment made pursuant to this Section 3(a) shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or reclassification.

b) Subsequent Equity Sales. If the Company or any Subsidiary thereof, as applicable, at any time while this Warrant is outstanding, shall sell, enter into an agreement to sell or grant any option to purchase, or sell or grant any right to reprice, or otherwise dispose of or issue any Common Stock or Common Stock Equivalents (other than Excluded Stock), at an effective price per share less than the Exercise Price then in effect (such issuances collectively, a "Dilutive Issuance" and such price, the "Base Price") (it being understood and agreed that if the holder of the Common Stock or Common Stock Equivalents so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, or due to warrants, options or rights per share which are issued in connection with such issuance, be entitled to receive shares of Common Stock at an effective price per share that is less than the Exercise Price, such issuance shall be deemed to have occurred for less than the Exercise Price on such date of the Dilutive Issuance at such effective price), then simultaneously with the consummation of each Dilutive Issuance the Exercise Price shall be reduced and only reduced to equal the Base Price. Such adjustment shall be made whenever such Common Stock or Common Stock Equivalents are issued. Notwithstanding the foregoing, no adjustments shall be made, paid or issued under this Section 3(b) in respect of Excluded Stock or any adjustment pursuant to Section 3(a). The Company shall notify the Holder, in writing, no later than the Trading Day following the issuance or deemed issuance of any Common Stock or Common Stock Equivalents subject to this Section 3(b), indicating therein the applicable issuance price, or applicable reset price, exchange price, conversion price and other pricing terms (such notice, the "Dilutive Issuance Notice"). For purposes of clarification, whether or not the Company provides a Dilutive Issuance Notice pursuant to this Section 3(b), upon the occurrence of any Dilutive Issuance, the Holder is entitled to receive a number of Warrant Shares based upon the adjusted Exercise Price regardless of whether the Holder accurately refers to the adjusted Exercise Price in the Notice of Exercise. Notwithstanding anything herein to the contrary, for purposes of this Section 2(b), "effective price per share" shall take into consideration the value of any Common Stock, Common Stock Equivalents, securities transferred to a third-party by other stockholders of the Company including Common Stock or Common Stock Equivalents, cash, rights or any other form of additional consideration ("Secondary Security") that is issued or paid in connection with the issuance or sale or deemed issuance or sale of any other securities of the Company (the "Primary Security", and together with the Secondary Security, each a "Unit"), together comprising one integrated transaction (or series of related transactions if such issuances or sales or deemed issuances or sales of securities of the Company are consummated under the same plan of financing), the "effective price per share" (i.e. Base Price) shall be deemed to be the lowest of (y) if such Primary Security is a Common Stock Equivalent, the lowest price per share for which one share of Common Stock is at any time issuable upon the exercise or conversion of the Primary Security and (z) the purchase price of such Unit less the value of the Secondary Unit (assuming for such purposes the value of any options or warrants are valued at the Black Scholes Value but using the date of the Dilutive Issuance for such purposes rather than the date of the Fundamental Transaction); provided that if the value determined pursuant to clause (y) above would result in a value less than the par value of the Common Stock, then the other securities issued or sold in such integrated transaction shall be deemed to have been issued or sold for the par value of the Common Stock. If any shares of Common Stock or Common Stock Equivalents are issued or sold or deemed to have been issued or sold for cash, the consideration other than cash received therefor will be deemed to be the net amount received by the Company therefor. If any shares of Common Stock or Common Stock Equivalents are issued or sold for a consideration other than cash, the amount of such consideration received by the Company will be the fair value of such consideration, except where such consideration consists of publicly traded securities or Common Stock (including Common Stock transferred from existing third-party stockholder), in which case the amount of consideration received by the Company will be the volume weighted average price of such publicly traded securities on the date of receipt of such publicly traded securities. The fair value of any consideration other than cash or publicly traded securities will be reasonably and in good faith determined jointly by the Company and the Holder. If such parties are unable to reach agreement within ten (10) days after the occurrence of an event requiring valuation (the "Valuation Event"), the fair value of such consideration will be determined within five (5) Business Days after the tenth (10th) day following the Valuation Event by an independent, reputable appraiser jointly selected by the Company and the Holder acting reasonable and in good faith. The determination of such appraiser shall be final and binding upon all parties absent manifest error and the fees and expenses of such appraiser shall be borne equally by the Company and the Holder.

c) Fundamental Transaction. If, at any time while this Warrant is outstanding, (i) the Company, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Company with or into another unaffiliated Person or group of unaffiliated Persons, (ii) the Company, directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions to another unaffiliated Person or group of unaffiliated Persons, (iii) any direct or indirect, purchase offer, tender offer or exchange offer (by another unaffiliated Person or group of unaffiliated Persons) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of 50% or more of the outstanding Common Stock, (iv) the Company, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property in connection with a transaction involving an unaffiliated Person or group of unaffiliated Persons, or (v) the Company, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another unaffiliated Person or group of unaffiliated Persons whereby such other Person or group acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination) (each a “Fundamental Transaction”), then, upon any subsequent exercise of this Warrant, the Holder shall have the right to receive, for each Warrant Share that would have been issuable upon such exercise immediately prior to the occurrence of such Fundamental Transaction, at the option of the Holder (without regard to any limitation in Section 2(e) on the exercise of this Warrant), the consideration (the “Alternate Consideration”) receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Warrant is exercisable immediately prior to such Fundamental Transaction (without regard to any limitation in Section 2(e) on the exercise of this Warrant). For purposes of any such exercise, the determination of the Exercise Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one share of Common Stock in such Fundamental Transaction, and the Company shall apportion the Exercise Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any exercise of this Warrant following such Fundamental Transaction.

d) Calculations. All calculations under this Section 3 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 3, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding treasury shares, if any) issued and outstanding.

e) Notice to Holder.

i. Adjustment to Exercise Price. Whenever the Exercise Price is adjusted pursuant to any provision of this Section 3, the Company shall promptly deliver to the Holder by email a notice setting forth the Exercise Price after such adjustment and any resulting adjustment to the number of Warrant Shares and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Exercise by Holder. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Company shall authorize the granting to all holders of the Common Stock rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Company shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Company (or any of its Subsidiaries) is a party, any sale or transfer of all or substantially all of its assets, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property, or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered by email to the Holder at its last email address as it shall appear upon the Warrant Register of the Company, at least 10 calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. The Holder shall remain entitled to exercise this Warrant during the period commencing on the date of such notice to the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Section 4. Transfer of Warrant.

- a) Transferability. Subject to compliance with any applicable securities laws and the conditions set forth in Section 4(d) hereof and a transfer limit (including with respect to the Warrant Shares underlying this Warrant, but expressly excluding any other shares held by the Holder from time to time that are not subject to the same limitation described herein) per Trading Day equal to the greater of 3,300,000 shares of Common Stock or 5% of the average daily trading volume on the prior Trading Day unless otherwise consented to in writing by the Company, this Warrant and all rights hereunder (including, without limitation, any registration rights) are transferable, in whole or in part, upon surrender of this Warrant at the principal office of the Company or its designated agent, together with a written assignment of this Warrant substantially in the form attached hereto duly executed by the Holder or its agent or attorney and funds sufficient to pay any transfer taxes payable upon the making of such transfer. Upon such surrender and, if required, such payment, the Company shall execute and deliver a new Warrant or Warrants in the name of the assignee or assignees, as applicable, and in the denomination or denominations specified in such instrument of assignment, and shall issue to the assignor a new Warrant evidencing the portion of this Warrant not so assigned, and this Warrant shall promptly be cancelled. Notwithstanding anything herein to the contrary, the Holder shall not be required to physically surrender this Warrant to the Company unless the Holder has assigned this Warrant in full, in which case, the Holder shall surrender this Warrant to the Company within three (3) Trading Days of the date on which the Holder delivers an assignment form to the Company assigning this Warrant in full. The Warrant, if properly assigned in accordance herewith, may be exercised by a new holder for the purchase of Warrant Shares without having a new Warrant issued.
- b) New Warrants. This Warrant may be divided or combined with other Warrants upon presentation hereof at the aforesaid office of the Company, together with a written notice specifying the names and denominations in which new Warrants are to be issued, signed by the Holder or its agent or attorney. Subject to compliance with Section 4(a), as to any transfer which may be involved in such division or combination, the Company shall execute and deliver a new Warrant or Warrants in exchange for the Warrant or Warrants to be divided or combined in accordance with such notice. All Warrants issued on transfers or exchanges shall be dated the initial issuance date of this Warrant and shall be identical with this Warrant except as to the number of Warrant Shares issuable pursuant thereto.
- c) Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the “Warrant Register”), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.
- d) Transfer Restrictions. If, at the time of the surrender of this Warrant in connection with any transfer of this Warrant, the transfer of this Warrant shall not be either (i) registered pursuant to an effective registration statement under the Securities Act and under applicable state securities or blue sky laws or (ii) eligible for resale without volume or manner-of-sale restrictions or current public information requirements pursuant to Rule 144, the Company may require, as a condition of allowing such transfer, that the Holder or transferee of this Warrant, as the case may be, provides to the Company an opinion of counsel, the form and substance of which opinion shall be reasonably satisfactory to the Company, to the effect that the transfer of this Warrant does not require registration under the Securities Act.
- e) Representation by the Holder. The Holder, by the acceptance hereof, represents and warrants that it is acquiring this Warrant and, upon any exercise hereof, will acquire the Warrant Shares issuable upon such exercise, for its own account and not with a view to or for distributing or reselling such Warrant Shares or any part thereof in violation of the Securities Act or any applicable state securities law, except pursuant to sales registered or exempted under the Securities Act.

Section 5. Miscellaneous.

a) No Rights as Stockholder Until Exercise. This Warrant does not entitle the Holder to any voting rights, dividends or other rights as a stockholder of the Company prior to the exercise hereof as set forth in Section 2(d)(i). Without limiting any rights of a Holder to receive Warrant Shares on a “cashless exercise” pursuant to Section 2(c), in no event shall the Company be required to net cash settle an exercise of this Warrant.

b) Loss, Theft, Destruction or Mutilation of Warrant. The Company covenants that upon receipt by the Company of evidence reasonably satisfactory to it of the loss, theft, destruction or mutilation of this Warrant or any share certificate relating to the Warrant Shares, and in case of loss, theft or destruction, of indemnity or security reasonably satisfactory to it (which, in the case of the Warrant, shall not include the posting of any bond), and upon surrender and cancellation of such Warrant or share certificate, if mutilated, the Company will make and deliver a new Warrant or share certificate of like tenor and dated as of such cancellation, in lieu of such Warrant or share certificate.

c) Saturdays, Sundays, Holidays, etc. If the last or appointed day for the taking of any action or the expiration of any right required or granted herein shall not be a Business Day, then, such action may be taken or such right may be exercised on the next succeeding Business Day.

d) Authorized Shares.

The Company covenants that, (x) as of the date hereof, [] shares of Common Stock are authorized and reserved for the sole purpose of issuance upon exercise of this Warrant (the “Existing Warrant Reserve”) and the Existing Warrant Reserve shall not be used for any other purpose (other than the reallocation of such Existing Warrant Reserve to other securities of the Holder (or any of its affiliates) in accordance with the written instructions of the Holder). From and after the time of after the Company’s receipt of the Shareholder Approval, the Company will at all times during the period the Warrant is outstanding, it will reserve from its authorized and unissued Common Stock a sufficient number of shares to provide for the issuance of the Warrant Shares upon the exercise of any purchase rights under this Warrant. The Company further covenants that its issuance of this Warrant shall constitute full authority to its officers who are charged with the duty of issuing the necessary Warrant Shares upon the exercise of the purchase rights under this Warrant. The Company will use commercially reasonable efforts to assure that such Warrant Shares may be issued as provided herein without violation of any applicable law or regulation, or of any requirements of the Trading Market upon which the Common Stock may be listed. The Company covenants that all Warrant Shares which may be issued upon the exercise of the purchase rights represented by this Warrant will, upon exercise of the purchase rights represented by this Warrant and payment for such Warrant Shares in accordance herewith, be duly authorized, validly issued, fully paid and nonassessable and free from all taxes, liens and charges created by the Company in respect of the issue thereof (other than taxes in respect of any transfer occurring contemporaneously with such issue).

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, intentionally avoid or intentionally seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be reasonably necessary or appropriate to protect the rights of Holder as set forth in this Warrant against impairment. Without limiting the generality of the foregoing, the Company will (i) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (ii) take all such action as may be reasonably necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares (or Alternative Consideration after a Fundamental Transaction) upon the exercise of this Warrant and (iii) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof, as may be, necessary to enable the Company to perform its obligations under this Warrant.

Before taking any action which would result in an adjustment in the number of Warrant Shares for which this Warrant is exercisable or in the Exercise Price, the Company shall use commercially reasonable efforts to obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

e) CFIUS. Notwithstanding anything to the contrary, at no time shall the Holder (a) be given rights that would allow it to control the Company; (b) have access to any material nonpublic technical information in the possession of the Company; (c) have the right to appoint any member or observer to the board of directors of the Company; or (d) be involved, other than through voting of shares, in the Company's substantive decisionmaking regarding (i) the use, development, acquisition, safekeeping, or release of sensitive personal data of U.S. citizens that the Company maintains or collects; (ii) the use, development, acquisition, or release of critical technologies; or (iii) the management, operation, manufacture, or supply of covered investment critical infrastructure, to the extent the Company at any time owns, operates, provides goods or service, or otherwise becomes involved in covered investment critical infrastructure. The terms in this paragraph are defined as they are defined in Section 721 of the U.S. Defense Production Act of 1950, as amended, and the regulations at 31 C.F.R Part 800, as they may be amended from time to time.

f) Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Warrant shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflict of laws thereof. Each party agrees that all legal proceedings concerning the interpretation, enforcement and defense of this Warrant shall be commenced in the state and federal courts sitting in the City of New York, Borough of Manhattan (the "New York Courts"). Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the New York Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Transaction Documents), and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such New York Courts, or such New York Courts are improper or inconvenient venue for such proceeding. Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Warrant. If any party shall commence an action or proceeding to enforce any provisions of this Warrant, then the prevailing party in such action or proceeding shall be reimbursed by the other party for its attorneys' fees and other costs and expenses incurred in the investigation, preparation and prosecution of such action or proceeding.

g) Restrictions. The Holder acknowledges that the Warrant Shares acquired upon the exercise of this Warrant, if not registered and the Holder does not utilize cashless exercise, will have restrictions upon resale imposed by state and federal securities laws.

h) Nonwaiver. No course of dealing or any delay or failure to exercise any right hereunder on the part of Holder shall operate as a waiver of such right or otherwise prejudice the Holder's rights, powers or remedies.

i) Notices. Any and all notices or other communications or deliveries to be provided by the Holders hereunder including, without limitation, any Notice of Exercise, shall be in writing and delivered personally, by email, or sent by a nationally recognized overnight courier service, addressed to the Company, at the address set forth above **Attention: Legal Department, Mike Beck**, email address mike.beck@ff.com, or such other email address or address as the Company may specify for such purposes by notice to the Holders. Any and all notices or other communications or deliveries to be provided by the Company hereunder shall be in writing and delivered personally, by email, or sent by a nationally recognized overnight courier service addressed to each Holder at the email address of such Holder appearing on the books of the Company, or if no such email address appears on the books of the Company. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via email at the email address set forth in this Section prior to 5:30 p.m. (New York City time) on any date, (ii) the next Trading Day after the date of transmission, if such notice or communication is delivered via email at the email address set forth in this Section on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (iii) the second Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service, or (iv) upon actual receipt by the party to whom such notice is required to be given.

j) Limitation of Liability. No provision hereof, in the absence of any affirmative action by the Holder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of the Holder, shall give rise to any liability of the Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

k) Remedies. The Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to seek specific performance of its rights under this Warrant. The Company agrees that monetary damages may not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

l) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors and permitted assigns of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of any permitted Holder from time to time of this Warrant and shall be enforceable by such Holder or holder of Warrant Shares.

m) Amendment. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holder.

n) Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Warrant.

o) Headings. The headings used in this Warrant are for the convenience of reference only and shall not, for any purpose, be deemed a part of this Warrant.

(x) any amounts that (1) are, as of the Sixth Amendment Date, owed by the Issuer or its Subsidiaries to their respective trade counterparties, suppliers, vendors or, in each case, other similar counterparties and that remain unpaid as of the Sixth Amendment Date and (2) remain unpaid after the Sixth Amendment Date by the Issuer or its Subsidiaries to their respective trade counterparties, suppliers, vendors or, in each case, other similar counterparties;

(b) Each applicable Purchaser and the Agent hereby waive any Default or Event of Default that may exist as a result of the Issuer or any of its Subsidiaries' failure to make any interest payment pursuant to the terms of the Securities Purchase Agreement prior to the Sixth Amendment Date.

8. Acknowledgment and Reaffirmation of Financing Documents. Each Credit Party hereby ratifies, affirms, acknowledges and agrees that the Securities Purchase Agreement and the other Financing Documents to which it is a party represent the valid and enforceable obligations of such Credit Party, subject to bankruptcy, insolvency, reorganization, moratorium and similar laws affecting the enforceability of creditors' rights generally and to general principles of equity. Each Credit Party hereby agrees that this Amendment in no way acts as a release or relinquishment of the Liens and rights securing payment of the Obligations. The Liens and rights securing payment of the Obligations are hereby ratified and confirmed by each Credit Party in all respects. In all other respects, the Existing Securities Purchase Agreement and the other Financing Documents shall remain unchanged and in full force and effect in accordance with their original terms. The terms and provisions set forth in this Amendment shall modify and supersede all inconsistent terms and provisions of the Existing Securities Purchase Agreement and shall not be deemed to be a consent to the modification or waiver of any other term or condition of the Existing Securities Purchase Agreement. Except as expressly modified and superseded by this Amendment, the terms and provisions of the Existing Securities Purchase Agreement and the other Financing Documents are ratified and confirmed and shall continue in full force and effect. For clarity, each of Section 3(a) of that certain Limited Consent and Third Amendment dated October 24, 2022 and Section 3 of that certain Amendment No. 4 dated December 28, 2022 shall continue in full force and effect following the Amendment No. 6 Effective Date.

9. Fees and Expenses. The Credit Parties agree to pay all reasonable and documented out-of-pocket costs and expenses of the Agent and Purchasers in connection with the execution and delivery of this Amendment to the extent required under Section 9.1 of the Securities Purchase Agreement.

10. Severability. Any provision of this Amendment which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining portions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

11. References. Subject to the satisfaction of the conditions set forth in Section 4 above, on and after the date hereof, each reference in the (x) Existing Securities Purchase Agreement to "this Agreement," "hereunder," "hereof" or words of like import shall mean and be a reference to the Securities Purchase Agreement and each reference in any other Loan Document to "the Securities Purchase Agreement" shall mean and be a reference to the Securities Purchase Agreement, (y) Existing FSV Convertible Notes to "this Note," "hereunder," "hereof" or words of like import shall mean and be a reference to the Notes and each reference in any other Loan Document to "the Note" shall, to the extent referencing the Existing FSV Convertible Notes, mean and be a reference to the Notes, and (z) Existing Senyun Convertible Notes to "this Note," "hereunder," "hereof" or words of like import shall mean and be a reference to the Notes and each reference in any other Loan Document to "the Note" shall, to the extent referencing the Existing Senyun Convertible Notes, mean and be a reference to the Notes.

At each Tranche C Closing, the applicable Purchaser shall purchase the applicable Tranche C Notes and disburse the net proceeds (with netting to account for the amounts described in Section 2.4(e) and Section 7.8) from the purchase of such Tranche C Notes pursuant to the Notice of Issuance and Disbursement Authorization delivered by the Issuer

(vi) Each Credit Party acknowledges and agrees that if any notices or documents sent by any Credit Party to the Agent or any Purchaser contain any material non-public information, such notices or documents must be sent either after the market closes or on a day other than a Business Day and the Issuer shall file an 8-K immediately following the day such information was delivered before the market opens (unless the Agent or the applicable Purchaser has agreed to accept such information); provided that, any notice or other documentation withheld and not disclosed to the Agent or the Purchasers as a result of this paragraph shall not result in a violation of any other provision of the Financing Documents that may require the disclosure of such notice or documentation; provided further that, such notice or other documentation shall be disclosed to Agent on the applicable Bridge Closing in accordance with such other provision.

(c) Commitments.

(i) Each Purchaser's obligation to purchase the Bridge Notes shall be limited to such Purchaser's applicable Bridge Note Commitment Amount, and no Purchaser shall have any obligation to fund any portion of the Bridge Notes required to be funded by any other Purchaser, but not so funded. The Issuer shall not have any right to reborrow any portion of the Bridge Notes which are repaid or prepaid from time to time.

(ii) Each Purchaser is obligated to purchase its Incremental Note Commitment Amount of Incremental Notes on the applicable Subsequent Closing Date. No Purchaser shall have any other obligation to fund any additional Incremental Notes and the purchase of any such additional Incremental Notes shall be at the sole and absolute discretion of each Purchaser. The Issuer shall not have any right to reborrow any portion of the Incremental Notes which is repaid or prepaid from time to time.

(iii) Each Purchaser is obligated to purchase its committed amount of Tranche C Notes as indicated on the Commitment Annex on the applicable Tranche C Closing Date. No Purchaser shall have any other obligation to fund any additional Tranche C Notes and the purchase of any such additional Tranche C Notes shall be at the sole and absolute discretion of each Purchaser. The Issuer shall not have any right to reborrow any portion of the Tranche C Notes which is repaid or prepaid from time to time.

(iv) Notwithstanding anything to the contrary contained herein, if the conditions set forth in (a) Section 7.2 are not satisfied on or before August 22, 2022, (b) Section 7.3 are not satisfied on the Second Bridge Closing, (c) Section 7.4 are not satisfied by September 27, 2022, (d) Section 7.5 are not satisfied by October 7, 2022, (e) Section 7.6 are not satisfied by November 30, 2022, all commitments and obligations to purchase and issue any remaining Bridge Notes (other than the Sixth Bridge Notes) shall terminate, (f) Section 7.7 are not satisfied by February 3, 2024, all commitments and obligations to purchase and issue the Sixth Bridge Notes shall terminate or (g) Section 7.8 are not satisfied by August 2, 2024, all commitments and obligations to purchase and issue the remaining Tranche C Notes shall terminate.

(d) Maturity Date. Subject to acceleration upon the occurrence and during the continuance of an Event of Default under this Agreement or termination of this Agreement, and subject to the application of any prepayments in accordance with the terms hereof, the Notes shall become due and payable, and the Issuer shall repay the Notes through, a payment equal to the full outstanding balance of the Notes on the applicable Maturity Date.

(e) Optional Prepayments of Notes. The Issuer may, from time to time, prepay the principal amount owing under the Notes, so long as: (A) Borrowing Agent shall have provided at least fifteen (15) Business Days prior written notice to Agent of such prepayment and with delivery to the Purchasers of an appropriately completed Payment Notification (which notice, once given, shall be irrevocable but may be conditioned on the consummation of other transactions), (B) such prepayment shall be accompanied by the payment of any Premium Payment Amount set forth herein, (C) the Equity Conditions (as defined in the Note) are met during each Business Day of such fifteen (15) Business Day notice period, and (D) the Issuer have waived the restriction on transfer set forth in Section 3(f) under the Notes, with amounts being applied to the Notes applied *first* to outstanding Tranche A Notes and Tranche B Notes on a pro rata basis and *second* to outstanding Tranche C Notes and Tranche D Notes, on a pro rata basis, provided that if Purchasers holding Tranche A Notes and Tranche B Notes have waived their rights to receive any prepayments, such prepayments shall be permitted to be made to the Tranche C Notes and Tranche D Notes.

(f) Optional Purchase of Additional Notes.

(i) Each Purchaser has the option upon written notice to the Issuer to purchase from time to time for twenty-four (24) months from the Effective Date, and if such option is exercised, the Issuer shall issue to such Purchaser additional convertible senior secured notes and warrants on the same terms as the Incremental Notes in an amount not to exceed 100% of the initial principal amount of the Bridge Notes and Incremental Notes issued to such Purchaser pursuant to the terms hereof and purchased for cash (the “**Tranche B Notes**”); provided that (i) if at the end of such twenty-four (24) month period all of the Tranche B Notes have not been purchased, then each of the Purchasers that purchased any Tranche B Notes hereunder will have the option in one additional round completed on the date that is fifteen (15) Business Days after the end of such twenty-four (24) month period to purchase any remaining amount of Tranche B Notes based on each participating Purchasers’ respective pro rata share of the Tranche B Notes previously purchased by such Purchaser and (ii) if during the twelve (12) month period after the Effective Date (x) the Purchasers have not fully exercised the option for the Tranche B Notes and (y) the Issuer proposes to issue additional Debt (other than any Notes issued hereunder), the Issuer will first offer the Purchasers that have purchased Tranche A Notes the pro rata opportunity, together with all holders of Additional Incremental Debt then outstanding, based on the aggregate amount of Tranche A Notes then outstanding; provided that in the event the Purchasers and/or holders of Additional Incremental Debt do not exercise the option in full, participating Purchasers, together with participating holders of Additional Incremental Debt, will have the option in one additional round completed promptly to purchase any remaining amount based on the participating Purchasers’ and holders’ respective pro rata share of Tranche A Notes to provide all of such Debt (the “**First Offer Financing**”) by providing a written notice thereof containing the material terms thereof (which, in the case of any First Offer Financing, that will be marketed or syndicated, may consist of estimated market clearing terms as determined by the underwriters or arrangers of such financing); provided further that if the Purchasers decline to offer to provide all of the First Offer Financing or fail to timely accept the First Offer Notice Terms in accordance with the following sentence, any purchase option under the Tranche B Notes exercised after (but not before) the closing of any First Offer Financing on the First Offer Notice Terms (or substantially similar terms) shall be junior in right of security to such Debt financing (subject to intercreditor arrangements to be reasonably agreed by the Issuer and the Agent). The Purchasers shall, within ten (10) Business Days of such notice from the Issuer of the First Offer Financing (the “**First Offer Decision Date**”), either (x) decline to offer to provide such First Offer Financing or (y) accept such offer to provide all of such First Offer Financing on the terms of such First Offer Financing (the “**First Offer Notice Terms**”). If the Purchasers timely accept the First Offer Notice Terms, the parties agree to promptly consummate the transaction contemplated by such First Offer Notice Terms. If the Purchasers reject the First Offer Notice Terms or fail to timely accept the First Offer Notice Terms, the Issuer may consummate the First Offer Financing on the First Offer Notice Terms (or substantially similar terms) with any other Person(s) so long as of such Debt financing has been consummated within sixty (60) days of the First Offer Decision Date (or within ninety (90) days of the First Offer Decision Date, so long as a term sheet setting forth the terms of such Debt financing has been executed with such Person(s) within sixty (60) days of the First Offer Decision Date) without again complying with this Section.

Notwithstanding the foregoing, FSV and Senyun hereby agree that, with respect to each such Purchaser's allotment of Tranche B Notes as of the Sixth Amendment Date, no more than the allotment set forth in the following table for such Purchaser may be purchased on or before the applicable Purchase Date, indicated below, without the prior written consent of the Issuer:

Tranche B Notes	Purchase Date
100% of such allotment	On or before February 10, 2023
90% of such allotment	On or before February 28, 2023
80% of such allotment	On or before March 24, 2023
70% of such allotment	On or before April 21, 2023
60% of such allotment	After April 21, 2023 through and including the twenty-fourth (24th) month from the Effective Date

For clarity, the foregoing allotment schedule shall not apply to any Tranche B Notes that may be purchased by a Purchaser as a result of any Bridge Notes or Incremental Notes issued to a Purchaser following the Sixth Amendment Date. Senyun agrees that Senyun's option to purchase Tranche B Notes corresponding to Bridge Notes funded by Senyun after the Sixth Amendment Date is exercisable within twelve (12) months from the funding date of such Bridge Notes.

(ii) Each Purchaser has the option upon written notice to the Issuer to purchase additional convertible senior secured notes and warrants on the same terms as the Tranche C Notes from time to time for twelve (12) months from the Sixth Amendment Date, and if such option is exercised, the Issuer shall issue to such Purchaser additional convertible senior secured notes and warrants on the same terms as the Tranche C Notes in an amount not to exceed 50% of the initial principal amount of the Tranche C Notes issued to such Purchaser pursuant to the terms hereof and purchased for cash (the "**Tranche D Notes**").

(g) Exchange Notes. (i) On the Sixth Amendment Date, pursuant to the terms of the Exchange Agreements, and without requiring the payment of any cash or other additional consideration by the applicable Purchaser, the Issuer shall issue additional convertible senior secured notes (the "**Exchange Notes**") to Senyun and FSV, respectively.

(ii) The Exchange Notes will constitute "Notes" hereunder, except that (A) Section 2.1(f), Section 2.2, Section 2.4(e) and Section 2.5(b) shall not be applicable to the Exchange Notes and the Purchasers holding Exchange Notes shall have no rights under such sections solely in respect of such Exchange Notes and (B) the Exchange Notes shall not be included in any determination of "Required Purchasers" or any other voting or consent provision hereunder. The Exchange Notes shall be prepayable and redeemable at par at any time by the Issuer upon fifteen (15) days' prior written notice, without the payment of any prepayment premium or penalty.

Section 2.2 Premium Payment Amount

In the event that (a) any Note is prepaid, repaid, reduced, refinanced, or replaced in whole or in part before the Maturity Date (other than pursuant to a mandatory prepayment made under Sections 2.3(b), (c), (d) or (e)), (b) the Obligations are accelerated (whether pursuant to the terms of this Agreement, by operation of law, or otherwise), (c) any Note is satisfied as a result of a foreclosure sale or by any other means, or (d) an Event of Default occurs under Section 8.1(f) or 8.1(g), then, on the effective date of such prepayment, repayment, reduction, refinancing, replacement, acceleration, sale or such Event of Default, the Issuer shall pay to the Purchasers, in addition to all other Obligations, an amount (the “**Premium Payment Amount**”) equal to the percentage (the “**Premium Percentage**”) of the principal amount of the Note(s) being prepaid, repaid, refinanced, replaced, accelerated, or subject to a sale through foreclosure or otherwise or an Event of Default under Section 8.1(f) or 8.1(g) (or required or deemed to be prepaid, repaid, refinanced, replaced, or subject to an acceleration, sale or such Event of Default), determined in accordance with the following chart:

<u>Date of Redemption</u>	<u>Premium Percentage</u>
Initial Bridge Closing through and including the first anniversary of the Initial Bridge Closing	10%
After the first anniversary of the Initial Bridge Closing through and including the second anniversary of the Initial Bridge Closing	5%

Any Premium Payment Amount payable in accordance with this Section 2.2 shall be presumed to be equal to the liquidated damages sustained by the Purchasers as the result of the occurrence of any event triggering the prepayment of such Premium Payment Amount and the Issuer agrees that it is reasonable under the circumstances currently existing. The parties hereto acknowledge that the Premium Payment Amount shall survive acceleration of the Obligations and/or the occurrence of any insolvency proceeding, and shall automatically accrue to the principal amount of the Notes and shall constitute part of the Obligations for all purposes herein. If any Note is accelerated for any reason pursuant to the terms herein, the Premium Payment Amount shall be calculated as if the date of acceleration of such Note was the date of prepayment of such Note. THE ISSUER EXPRESSLY WAIVES THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING PREPAYMENT PREMIUM IN CONNECTION WITH ANY ACCELERATION. The Issuer expressly agrees that: (A) the Premium Payment Amount is reasonable and is the product of an arm’s length transaction between sophisticated business people, ably represented by counsel; (B) the Premium Payment Amount shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between the Purchasers and the Issuer giving specific consideration in this transaction for such agreement to pay the Premium Payment Amount; (D) the Issuer shall be estopped hereafter from claiming differently than as agreed to in this paragraph; (E) their agreement to pay the Premium Payment Amount is a material inducement to the Purchasers to purchase the Notes; and (F) the Premium Payment Amount represents a good faith, reasonable estimate and calculation of the lost profits or damages of the Purchasers and that it would be impractical and extremely difficult to ascertain the actual amount of damages to the Purchasers or profits lost by the Purchasers as a result of such event triggering payment of the Premium Payment Amount.

Section 2.3 Mandatory Payments.

There shall become due and payable and the Issuer shall prepay the Notes in the following amounts and at the following times, and, in each case, subject to Section 2.3(i) (and including any Premium Percentage solely in the case of Section 2.3(g)):

(a) [Reserved].

(b) Casualty and Other Insurance Proceeds. Within five (5) Business Days after any Credit Party or any Subsidiary (or the Agent as loss payee or assignee) receives any Major Casualty Proceeds in excess of (x) \$750,000, and following a Threshold Reset Event, \$1,500,000, in the aggregate in any fiscal year and (y) \$2,500,000, and following a Threshold Reset Event, \$5,000,000, in the aggregate prior to the Maturity Date, an amount equal to one hundred percent (100%) of such Major Casualty Proceeds.

(c) Additional Debt/Equity Proceeds. In the event the Fifth Bridge Closing has occurred and, subsequent to such date, any Credit Party or any Subsidiary receives the Additional Debt/Equity Proceeds, within one (1) Business Day receipt of such Additional Debt/Equity Proceeds, the Issuer shall prepay, or cause the prepayment, in full of the Fifth Bridge Notes.

(d) Asset Disposition Proceeds. Within five (5) Business Days after any Credit Party or any Subsidiary receives Net Cash Proceeds of any Asset Disposition in excess of (x) \$750,000, and following a Threshold Reset Event, \$1,500,000, in the aggregate in any fiscal year and (y) \$2,500,000, and following a Threshold Reset Event, \$5,000,000, in the aggregate prior to the Maturity Date, an amount equal to one hundred percent (100%) of such Net Cash Proceeds of such Asset Disposition.

(e) Extraordinary Receipts. Within five (5) Business Days of the receipt by any Credit Party or any Subsidiary of Net Cash Proceeds in respect of any Extraordinary Receipt in excess of (x) \$750,000, and following a Threshold Reset Event, \$1,500,000, in the aggregate in any fiscal year and (y) \$2,500,000, and following a Threshold Reset Event, \$5,000,000, in the aggregate prior to the Maturity Date, an amount equal to such Net Cash Proceeds of such Extraordinary Receipt.

(f) [Reserved].

(g) Change of Control. Within five (5) Business Days of the occurrence of a Change of Control, an amount equal to all of the outstanding Obligations.

(h) Reinvestment Rights. With respect to any Major Casualty Proceeds or Net Cash Proceeds that are subject to Section 2.3(b) or Section 2.3(d), at the option of any of the Credit Parties or any Subsidiary, any Credit Party or Subsidiary may (in lieu of making a prepayment pursuant to Section 2.3(b) or Section 2.3(d)) elect to reinvest an amount equal to all or any portion of such Major Casualty Proceeds or Net Cash Proceeds, so long as the Major Casualty Proceeds and Net Cash Proceeds collectively do not exceed \$5,000,000; provided, however, prior to the Threshold Reset Event, only \$2,000,000 with respect to Net Cash Proceeds that are subject to Section 2.3(d), and following a Threshold Reset Event \$10,000,000, in the aggregate, to repair, replace or reconstruct damaged property or property affected by loss, destruction, damage, condemnation, confiscation, requisition, seizure or taking, or replace such property with other capital assets used or useful in the business of the Credit Parties within six (6) months following receipt of such Major Casualty Proceeds or Net Cash Proceeds or if any Credit Party enters into a legally binding commitment to reinvest such Major Casualty Proceeds or Net Cash Proceeds within six (6) months following receipt of such Major Casualty Proceeds or Net Cash Proceeds, no later than ninety (90) days after the end of such six (6) month period.

(i) General Provisions. The Issuer shall deliver to each Purchaser an appropriately completed Payment Notification promptly upon the occurrence of any event that gives rise to a mandatory prepayment. Any Purchaser may elect to waive all or any portion of the prepayments required to be paid to such Purchaser in this Section 2.3 (or the Required Purchasers may elect to waive all or any portion of the prepayments required to be paid to all Purchasers in this Section 2.3). Subject to the previous sentence, all mandatory prepayments of the Notes shall be applied pro rata against all Notes that are secured on a first-priority basis and all other Debt secured on a first priority basis (it being understood and agreed that the amount of any mandatory prepayment required hereunder may be reduced on a pro rata basis to the extent of any of the Additional Incremental Debt of the Credit Parties that is secured on a first priority pari passu basis), with amounts being applied to the Notes applied *first* to outstanding Tranche A Notes, Tranche B Notes and Exchange Notes on a pro rata basis and *second* to outstanding Tranche C Notes and Tranche D Notes, on a pro rata basis.

Section 2.4 Interest, Fees and Calculations.

(a) Interest. Interest shall accrue on, and be payable when and as set forth in, each Note.

(b) Default Rate of Interest. Default interest shall accrue on, and be payable when and as set forth in, each Note.

(c) [Reserved].

(d) Maximum Lawful Rate. In no event shall the interest charged with respect to any Note or any other Obligation exceed the maximum amount permitted under the laws of the State of New York or of any other applicable jurisdiction. Notwithstanding anything to the contrary herein or elsewhere, if at any time the rate of interest payable hereunder or under any Note or other Financing Document (the “**Stated Rate**”) would exceed the highest rate of interest permitted under any applicable Law to be charged (the “**Maximum Lawful Rate**”), then for so long as the Maximum Lawful Rate would be so exceeded, the rate of interest payable shall be equal to the Maximum Lawful Rate; provided that if at any time thereafter the Stated Rate is less than the Maximum Lawful Rate, the Issuer shall, to the extent permitted by Law, continue to pay interest at the Maximum Lawful Rate until such time as the total interest received is equal to the total interest which would have been received had the Stated Rate been (but for the operation of this provision) the interest rate payable. Thereafter, the interest rate payable shall be the Stated Rate unless and until the Stated Rate again would exceed the Maximum Lawful Rate, in which event this provision shall again apply. In no event shall the total interest received by any Purchaser exceed the amount which it could lawfully have received had the interest been calculated for the full term hereof at the Maximum Lawful Rate. If, notwithstanding the prior sentence, any Purchaser has received interest hereunder in excess of the Maximum Lawful Rate, such excess amount shall be applied to the reduction of the principal balance of the Notes or to other amounts (other than interest) payable hereunder. If no such principal or other amounts are then outstanding, such excess or part thereof remaining shall be paid to the Issuer. In computing interest payable with reference to the Maximum Lawful Rate applicable to any Purchaser, such interest shall be calculated at a daily rate equal to the Maximum Lawful Rate divided by the number of days in the year in which such calculation is made.

(e) The Issuer agrees that the purchase price of each Note shall be reduced by an original issue discount equal to ten percent (10%) of such purchase price (the “Original Issue Discount”), which Original Issue Discount shall be retained by the Agent (with respect to Purchasers affiliated with the Agent) or the applicable Purchasers (with respect to Purchasers not affiliated with the Agent) via net funding, provided that for the avoidance of doubt, the Issuer agrees that, notwithstanding such deduction from the purchase price of such Note, the Issuer remains liable to pay 1. the full principal amount of such Note (inclusive of the Original Issue Discount), without giving effect to such deduction, and 2. accrued interest shall be payable on the full outstanding principal amount of such Note, without giving effect to such deduction.

Section 2.5 Notes; MFN.

(a) The portion of the Bridge Notes purchased by each Purchaser shall be evidenced by a promissory note, substantially in the form of Exhibit C hereto or such other form as shall be agreed between the Issuer and such Purchaser, executed by the Issuer in an original principal amount equal to such Purchaser's applicable share of the Bridge Notes. The portion of the Incremental Notes purchased by each Purchaser shall be evidenced by a promissory note, substantially in the form of Exhibit C hereto or such other form as shall be agreed between the Issuer and such Purchaser, executed by the Issuer in an original principal amount equal to such Purchaser's applicable share of the Incremental Notes. The portion of the Tranche B Notes purchased by each Purchaser shall be evidenced by a promissory note, substantially in the form of Exhibit C hereto (except that if the Issuer and any applicable Purchaser has agreed to a form of Bridge Note or Incremental Note that is different than Exhibit C, such Tranche B Notes shall be substantially in the form of such different Note), executed by the Issuer in an original principal amount equal to such Purchaser's applicable share of the Tranche B Notes. The portion of the Tranche C Notes purchased by each Purchaser shall be evidenced by a promissory note, substantially in the form of Exhibit C hereto or such other form as shall be agreed between the Issuer and such Purchaser, executed by the Issuer in an original principal amount equal to such Purchaser's applicable share of the Tranche C Notes. The portion of the Tranche D Notes purchased by each Purchaser shall be evidenced by a promissory note, substantially in the form of Exhibit C hereto (except that if the Issuer and any applicable Purchaser has agreed to a form of Tranche C Note that is different than Exhibit C, such Tranche D Notes shall be substantially in the form of such different Note), executed by the Issuer in an original principal amount equal to such Purchaser's applicable share of the Tranche D Notes.

(b) In the event that, after any Purchaser (the "**Specified Purchaser**") has committed to purchase Notes and Warrants hereunder (the terms of any such purchased Notes and Warrants, the "**Specified Terms**"), the agreed economic or other material terms of any Note or any Warrant (including pursuant to any side letter with such Purchaser that affects the agreed economic or other material terms of such Notes or Warrants) issued simultaneously or thereafter pursuant to this Agreement are more favorable to the applicable Purchaser of such Note or Warrant than the Specified Terms in any material respect, the Issuer and the Specified Purchaser shall amend such Specified Purchaser's Notes or Warrants to include such more favorable term(s) (such amendment(s) referred to as a "**MFN Amendment**").

Section 2.6 Provisions Regarding Payment.

(a) General. All payments to be made by Credit Parties under any Financing Document, including payments of principal and interest made hereunder and pursuant to any other Financing Document, and all fees, expenses, Premium Payment Amount, indemnities and reimbursements, shall be made without setoff or counterclaim. Except as otherwise provided herein and unless otherwise directed by Agent, all payments by the Issuer hereunder shall be made to the Agent, for the benefit of the Purchasers, for the account of the Agent and respective Purchasers to which such payment is owed, to an account designated by the Agent in writing from time to time to the Issuer, in dollars and in immediately available funds; provided that the direction by Agent to the Credit Parties to send any payment or payments directly to the Purchasers (or otherwise to an account not held by Agent), shall not relieve Agent of its duties to ensure payments are appropriately directed to each Purchaser entitled thereto, including through the delivery to the Credit Parties of invoices, allocation schedules, wire transfer instructions and other necessary and appropriate documentation regarding such payment, which the Credit Parties may rely on in making payments to the Purchasers as directed. The Agent will promptly distribute to each Purchaser its pro rata share of such payment in like funds as received by wire transfer to an account designated by such Purchaser in writing from time to time to the Agent. If any payment hereunder becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest thereon shall be payable at the then applicable rate during such extension (it being understood and agreed that, solely for purposes of calculating covenants and computations contained herein and determining compliance therewith, if payment is made, in full, on any such extended due date, such payment shall be deemed to have been paid on the original due date without giving effect to any extension thereto). Any payments received before 2:00 p.m. (Eastern time) on any date shall be deemed received by the Agent or such Purchaser on such date, and any payments received after 2:00 p.m. (Eastern time) on any date shall be deemed received on the next succeeding Business Day (unless otherwise agreed by the Agent or such Purchaser).

(b) Loan Account. The Agent shall maintain a loan account on its books to record the Notes and other purchases of Notes made by each Purchaser hereunder or under any other Financing Document, and all payments thereon made by Credit Parties. All entries in each such loan account shall be made in accordance with the Agent's customary practices as in effect from time to time; provided, however, the failure by Agent to record the date and outstanding amount of any Note shall not adversely affect Agent or any Lender. The records of Agent with respect to the Issuer's account shall be prima facie evidence absent manifest error of the amounts of Notes and other charges thereto and of payments applicable thereto.

(c) All Prepayments. So long as no Default or Event of Default has occurred or is continuing, all mandatory prepayments of Notes shall be applied (subject to Section 2.3(i) and to any intercreditor arrangements existing among the Notes): first, against the principal balance of the Notes, until the same shall have been paid in full; and second, to the accrued, payable, and unpaid interest in the order of maturity. Following the occurrence and during the continuance of a Default or Event of Default, all mandatory prepayments of Notes shall be applied (subject to Section 2.3(i) and to any intercreditor arrangements existing among the Notes): first, to the accrued, payable, and unpaid interest in the order of maturity; and second, against the principal balance of the Notes, until the same shall have been paid in full.

Section 2.7 Certain Tax Matters. The Credit Parties and the Purchasers agree that, for purposes of Treasury Regulations Section 1.1273-2(h), the Purchased Securities and the Warrants constitute an "investment unit" for purposes of Section 1273(c)(2) of the Internal Revenue Code of 1986, as amended. The Agent shall within 45 days following the Initial Bridge Closing, for purposes of Treasury Regulations Section 1.1273-2(h), the Agent shall propose to the Issuer an allocation of the aggregate fair market value of the Warrants issued at Initial Bridge Closing (the "**Valuation**"). If the Issuer does not notify the Agent of any dispute or disagreement regarding the proposed Valuation within twenty (20) days of receipt, then the Valuation shall become final. If the Issuer notifies the Agent of any such dispute or disagreement within twenty (20) days of receipt, then the Issuer and the Agent shall endeavor in good faith to resolve such dispute with twenty (20) days after the Issuer so notifies the Agent. If the Issuer and the Agent are unable to resolve the dispute, then such dispute shall be submitted to an independent, nationally recognized valuation or financial advisory firm (mutually agreed to by the Issuer and the Agent) for final resolution, with the costs of such valuation or financial advisory firm to be paid one-half by the Issuer and one-half by the Agent. Neither the Credit Parties nor the Purchasers will take any position for United States federal income Tax purposes that is inconsistent with the provisions of this Section 2.7 unless otherwise required by the IRS or another Governmental Authority following an audit or examination.

ARTICLE 3

Except as set forth on Schedule 3.1, no Credit Party has had, over the five (5) year period preceding the Closing Date, any name other than its current name or was incorporated or organized under the laws of any jurisdiction other than its current jurisdiction of incorporation or organization. Section 3.3 Binding Effect. Each of the Financing Documents to which any Credit Party is a party constitutes a valid and binding agreement or instrument of such Person, enforceable against such Person in accordance with its respective terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or other similar laws relating to the enforcement of creditors' rights generally and by general equitable principles.

Except as set forth on Schedule 3.4, as of the Closing Date there are no preemptive or other outstanding rights, options, warrants, conversion rights or similar agreements or understandings for the purchase or acquisition from any Credit Party (other than the Issuer) or any Domestic Subsidiary of any Capital Stock of any such Person.

As of the Closing Date, all pending strikes and material labor disputes related to any collective bargaining agreements to which any Credit Party or any Domestic Subsidiary is a party are set forth on Schedule 3.9. All material payments due from any Credit Party on account of (a) workers' compensation, employee health plans, social security and welfare insurance and employee income tax source deductions and vacation pay; and (b) the equivalent plans of those specified in subsection (a) in each foreign (non-U.S.) jurisdiction where any Credit Party carries on business, in each case, have been paid in full to date or accrued as a liability on the books of such Credit Party. No Credit Party is an “investment company” or a company “controlled” by an “investment company” or a “subsidiary” of an “investment company,” all within the meaning of the Investment Company Act of 1940. No Credit Party is subject to regulation under the Federal Power Act, the Interstate Commerce Act, any state public utilities code, or any other federal or state statute, rule or regulation limiting its ability to incur Debt, or which may render its obligations under the Financing Documents unenforceable.

Section 3.11 Margin Regulations. None of the proceeds from the Notes have been or will be used by the Credit Parties or any of their respective Subsidiaries for the purpose of purchasing or carrying any Margin Stock, for the purpose of reducing or retiring any indebtedness which was originally incurred to purchase or carry any Margin Stock or for any other purpose which might cause any of the Notes to be considered a “purpose credit” within the meaning of Regulation T, U or X of the Federal Reserve Board.

Section 3.12 Compliance With Laws; Anti-Terrorism Laws.

Each ERISA Plan which is intended to be qualified under Section 401(a) of the Code is so qualified, and the United States Internal Revenue Service has issued a favorable determination letter with respect to each such ERISA Plan which may be relied on currently. No Credit Party and no Domestic Subsidiary has incurred liability for any material excise tax under any of Sections 4971 through 5000 of the Code.

All amounts required by Code Sections 412 and 430 to be funded by any Credit Party or any member of a Controlled Group with respect to a Pension Plan have been made in compliance therewith. No condition exists or event or transaction has occurred with respect to any Pension Plan which could result in the incurrence by Credit Parties and Domestic Subsidiaries, taken as a whole, of any liabilities, fines and penalties exceeding \$500,000 (excluding, for the avoidance of doubt, current PBGC premiums or other contributions required by ERISA or other applicable Law in the ordinary course). Credit Parties and Domestic Subsidiaries, taken as a whole, have not incurred liabilities exceeding \$500,000 to the PBGC (other than for current premiums) with respect to any Pension Plan. All contributions (if any) have been made on a timely basis to any Multiemployer Plan that are required to be made by any Credit Party, Domestic Subsidiary or any member of the Controlled Group under the terms of such plan, any collective bargaining agreement, or by applicable Law. No member of the Controlled Group has received any written notice that a Multiemployer Plan is in reorganization or termination, that increased contributions may be required to avoid a reduction in plan benefits or the imposition of any excise tax, that any such plan is or has been funded at a rate less than that required under Section 412 or Section 431 of the Code, that any such plan is or may be terminated, or that any such plan is or is expected to become insolvent.

(c) With respect to each program, plan or arrangement mandated by a government other than the United States providing for post-employment benefits (each a “**Foreign Government Benefit Plan**”) and with respect to each employee benefit plan maintained or contributed to by any Credit Party or any Domestic Subsidiary that is not subject to Laws of the United States providing for post-employment benefits (each, a “**Foreign Plan**”) to each Credit Party’s knowledge: (i) all employee and employee contributions required by Law or by the terms of any Foreign Government Benefit Plan or any Foreign Plan have been made, or, if applicable, accrued, in accordance with normal accounting practices, (ii) the liability of any Credit Party or any Domestic Subsidiary with respect to a Foreign Plan is reflected in accordance with normal accounting practices or the financial statements of such Credit Party or such Domestic Subsidiary, as the case may be and (iii) each Foreign Plan required to be registered has been registered and has been maintained in good standing with applicable regulatory authorities unless in each case under the foregoing clauses (i), (ii) and (iii), the failure to do so could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

Section 3.15 [Reserved].

Section 3.16 Environmental Compliance.

(a) Hazardous Materials. No Hazardous Materials (i) are currently located on any properties owned, leased or operated by any Credit Party or any Domestic Subsidiary in violation of any Environmental Law, except for violations which could not reasonably be expected to have a Material Adverse Effect, or (ii) have been released into the environment, or deposited, discharged, placed or disposed of at, on, under or near any of such properties in a manner that would require the taking of any action by any Credit Party or any Domestic Subsidiary under any Environmental Law and have resulted in, or could reasonably be expected to result in, a Material Adverse Effect. Section 4.4 Maintenance of Property; Insurance.

(a) Maintenance of Property. Each Credit Party will keep, and will cause each Subsidiary to keep, all property necessary in its business in good working order and condition (ordinary wear and tear, casualty and condemnation excepted), except to the extent the failure to do so has not resulted in, or could not reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect.

(b) Required Insurance Coverage. Each Credit Party will maintain, and will cause each Domestic Subsidiary to maintain, (i) casualty insurance on all real and personal property on an all risks basis (including the perils of flood and quake), covering the repair and replacement cost of all such property and coverage for business interruption and public liability insurance (including products/completed operations liability coverage), in each case, of the kinds customarily carried or maintained by Persons of established reputation engaged in similar businesses and in amounts reasonably acceptable to the Agent and (ii) after and during the continuance of an Event of Default, such other insurance coverage in such amounts and with respect to such risks as the Agent may reasonably request if the Agent determines in good faith that there has been a material increase in Credit Parties' risk profile from that in effect on the Closing Date. This insurance may, but need not, protect any Credit Party's interests. The coverage purchased by the Agent may not pay any claim made by a Credit Party or any claim that is made against a Credit Party in connection with the Collateral. The Issuer may later cancel any insurance purchased by the Agent, but only after providing the Agent with evidence that Credit Parties have obtained insurance as required by this Agreement. If the Agent purchases such insurance for the Collateral, Credit Parties will be responsible for the costs of that insurance to the fullest extent provided by Law including interest and other charges imposed by the Agent in connection with the placement of the insurance, until the effective date of the cancellation or expiration of the insurance. The costs of such insurance may be added to the Obligations. The costs of such insurance may be more than the cost of insurance that Credit Parties are able to obtain on their own.

Section 4.5 Compliance with Laws. Each Credit Party will comply, and cause each Subsidiary to comply, with the requirements of all applicable Laws, except to the extent that failure to so comply could not reasonably be expected to have a Material Adverse Effect or result in any Lien (other than a Permitted Lien) upon a material portion of the assets of any such Person in favor of any Governmental Authority.

Section 4.6 Inspection of Property, Books and Records, Appraisals, Account Verifications. Each Credit Party will keep, and will cause each Domestic Subsidiary to keep, proper books of record and account in accordance, in all material respects, with GAAP in which full, true and correct entries in all material respects shall be made of all dealings and transactions in relation to its business and activities. Each Credit Party will permit, and will cause each Subsidiary to permit during normal business hours following reasonable advance notice (during the continuance of an Event of Default, no such notice shall be required), at the sole cost of Credit Parties, representatives of the Agent (which may be accompanied by representatives of each Purchaser) to visit and inspect any of their respective properties, to examine and make abstracts or copies from any of their respective books and records, to conduct collateral audits, physical inspections and analyses of their respective assets and to discuss their respective affairs, finances and accounts with their respective officers, employees and independent public accountants; provided that (a) excluding any such visits and inspections during the continuation of an Event of Default, only the Agent may exercise rights under this Section 4.6 and the Agent shall not exercise such rights more often than two (2) times during any calendar year absent the continuation of an Event of Default and only one (1) such time shall be at the Credit Parties' expense and (b) when an Event of Default is continuing, the Agent may do any of the foregoing at the expense of the Credit Parties. In addition to the foregoing, from time to time, if the Agent reasonably determines in good faith that obtaining appraisals is necessary in order for the Agent or any Purchaser to comply with applicable Laws or regulations, and at any time if an Event of Default shall have occurred and be continuing, the Agent may, at the sole cost of Credit Parties, require the Issuer to obtain and deliver to the Agent appraisal reports in form and substance and from appraisers reasonably satisfactory to the Agent stating the then current market values of all or any portion of the real estate and personal property owned by the Credit Parties and Subsidiaries.

Section 4.7 Use of Proceeds.

(a) The Issuer will use the proceeds of the Notes solely (a) to pay transaction fees and expenses incurred in connection with the consummation of the Closing Date Transactions, the Subsequent Closing Date Transactions and Financing Documents, and (b) make a contribution to the Guarantors to be used for general working capital purposes and other corporate purposes.

Section 4.8 [Reserved].

Section 4.9 Sanctions; Anti-Corruption Laws. The Issuer will maintain in effect policies and procedures designed to promote compliance by the Credit Parties and their Subsidiaries, and their respective directors, officers, employees, and agents with applicable Sanctions and with the FCPA, CFPOA and any other applicable anti-corruption laws.

Section 4.10 [Reserved].

Section 4.11 Further Assurances.

(a) General. Each Credit Party will, and will cause each Domestic Subsidiary, at their own cost and expense, to promptly and duly take, execute, acknowledge and deliver all such further acts, documents and assurances as may from time to time be necessary or as the Agent or Required Purchasers may from time to time reasonably request in order to carry out the intent and purposes of the Financing Documents and the transactions contemplated thereby, including all such actions to establish, create, preserve, protect and perfect a first priority Lien (subject only to Permitted Liens) in favor of the Agent for the benefit the Secured Parties on the Collateral (including Collateral acquired after the date hereof) in accordance with the terms of this Agreement, the Guarantee and Collateral Agreement and the other Financing Documents. (b) New Subsidiaries. Without limiting the generality of the foregoing, in the event a Credit Party shall form or acquire any new Subsidiary (other than an Excluded Subsidiary) directly owned by such Credit Party after the date hereof, such Credit Party will cause such new Subsidiary, within forty-five (45) days of such formation or acquisition (or such longer period as may be agreed to by the Agent, in its sole discretion), (i) (1) to execute a joinder to this Agreement and to the Guarantee and Collateral Agreement (in form and substance reasonably acceptable to the Agent), guaranteeing payment and performance of all of the Obligations and to take such action as shall be necessary or reasonably appropriate to establish, create, preserve, protect and perfect a first priority Lien (subject only to Permitted Liens) in favor of the Agent for the benefit of the Secured Parties on substantially all assets, both real and personal, in which such new Subsidiary has or may thereafter acquire any interest, to the extent required by this Agreement, the Guarantee and Collateral Agreement and/or the other Financing Documents and (2) the Credit Party that is the holder of the Capital Stock of such Subsidiary shall pledge one hundred percent (100%) or sixty-five percent (65%), as applicable, of the Capital Stock of such Subsidiary owned directly by a Credit Party, to the extent and in the manner required by this Agreement, the Guarantee and Collateral Agreement and/or the other Financing Documents, pursuant to documents reasonably acceptable to the Agent, (ii) to execute such other Security Documents, in form and substance reasonably acceptable to the Agent, as may be required by this Agreement, the Guarantee and Collateral Agreement and the other Financing Documents and (iii) to deliver such proof of corporate (or comparable) action, incumbency of officers, opinions of counsel and other documents as the Agent shall have reasonably required or requested.

(c) Capital Stock. Subject to Section 4.12, in the event that any additional Capital Stock shall be issued by any Subsidiary to any Credit Party, such Credit Party shall or shall cause each such Subsidiary to, within forty-five (45) days (or such longer period as may be agreed to by the Agent acting in its sole discretion) of such issuance, deliver to the Agent any physical certificates evidencing such Capital Stock (to the extent required to be pledged pursuant to the preceding sentence), accompanied by undated stock powers (or equivalent thereof) executed in blank and to take such other action as the Agent shall reasonably request to perfect the security interest created therein pursuant to such Financing Documents.

(d) Real Property. Within ninety (90) days (or such longer period as may be agreed to by the Agent acting in its sole discretion) of the acquisition by any Credit Party following the Closing Date of any fee interest in real estate with a fair market value in excess of \$2,500,000 (“**Material Real Estate**”), such Credit Party will deliver or cause to be delivered to the Agent, with respect to such Material Real Estate, in each case in form and substance reasonably satisfactory to the Agent, (i) a mortgage or deed of trust, as applicable, (ii) a customary legal opinion of the Issuer’s counsel with respect thereto as to enforceability, due authorization, execution and delivery of the mortgages, (iii) a customary ALTA lender’s title insurance policy insuring the Agent’s first priority Lien on such real estate (subject to Permitted Liens) (the “**Title Policy**”), (iv) a current ALTA survey as shall (A) be required by the title company to issue the so-called comprehensive and other survey related endorsements and to remove the standard survey exceptions from the Title Policy with respect to such Material Real Estate, (B) comply with the minimum detail requirements of the American Land Title Association and locate all improvements, public streets and recorded easements affecting such Material Real Estate, and (C) be certified to the Agent by a licensed surveyor, (v) a certificate from a national certification agency indicating whether such Material Real Estate is located in a special flood hazard area, and (vi) an environmental site assessment.

In order to induce the Agent and the Purchasers to consummate the transactions contemplated by this Agreement, the following documents and/or actions shall be taken, executed and/or delivered no later than the respective dates set forth below:

(a) Deposit Account Control Agreements. Within forty-five (45) days (or such longer period as may be agreed to by the Agent acting in its sole discretion) of the Closing Date, each Credit Party agrees to deliver or to cause to be delivered to the Agent, in form and substance reasonably satisfactory to the Agent, a Control Agreement for each deposit account, securities account and commodities account (other than Exempt Accounts).

(b) Insurance Endorsements. Within forty-five (45) days (or such longer period as may be agreed to by the Agent acting in its sole discretion) of the Closing Date, each Credit Party agrees to deliver or cause to be delivered to the Agent the insurance endorsements required by Section 4.4(c).

(c) Stock Certificates. Within thirty (30) days (or such longer period as may be agreed to by the Agent acting in its sole discretion) of the Closing Date, each Credit Party agrees to deliver or cause to be delivered to the Agent the stock certificates required to be delivered pursuant to any Financing Documents.

(d) Registration Statement. The Issuer shall use reasonable best efforts to, on or prior to February 10, 2023, file a registration statement on the appropriate form providing for the resale by the Purchasers of all shares issuable pursuant to the Financing Documents, including for clarity, all shares issuable upon exercise of the Exchange Notes (the "**Registration Statement**"). The Issuer shall use reasonable best efforts to cause the Registration Statement to become effective within ninety (90) days following the date hereof and to keep the Registration Statement effective at all times until no Purchaser owns any Notes, Exchange Notes, Warrants or Underlying Shares. Without limitation to the foregoing, the Issuer shall use reasonable best efforts to have the Existing Registration Statement declared effective by the Commission no later than February 10, 2023.

(e) Pledge Amendment. Subject to Section 5.18 of the Guarantee and Collateral Agreement, within thirty (30) days (or such longer period as may be agreed to by the Agent acting in its sole discretion) of the Closing Date, each Credit Party agrees to deliver or cause to be delivered to the Agent each Pledge Amendment (as defined in the Guarantee and Collateral Agreement) required to be delivered pursuant to the Guarantee and Collateral Agreement. For the avoidance of doubt, to the extent each applicable Credit Party delivers to Agent any physical certificates evidencing certificated Equity Interests covered by Section 4.12(c) above on or before the time periods set forth therein, the Credit Parties shall have no further obligations under this Section 4.12(e).

(f) Tax Liens. Section 4.13 Transfer Restrictions

(a) The Securities may only be disposed of in compliance with state and federal securities laws. In connection with any transfer of Securities other than pursuant to an effective registration statement or Rule 144, to the Issuer or to an Affiliate of a Purchaser or in connection with a pledge as contemplated in Section 4.13(b), the Issuer may require the transferor thereof to provide to the Issuer an opinion of counsel selected by the transferor and reasonably acceptable to the Issuer, the form and substance of which opinion shall be reasonably satisfactory to the Issuer, to the effect that such transfer does not require registration of such transferred Securities under the Securities Act. As a condition of transfer, any such transferee shall agree in writing to be bound by the terms of this Agreement and shall have the rights and obligations of a Purchaser under this Agreement.

(b) The Purchasers agree to the imprinting, so long as is required by this Section 4.13, of a legend on any of the Securities in the following form:

[NEITHER] THIS SECURITY [NOR THE SECURITIES INTO WHICH THIS SECURITY IS [EXERCISABLE] [CONVERTIBLE]] HAS [NOT] BEEN REGISTERED WITH THE SECURITIES AND EXCHANGE COMMISSION OR THE SECURITIES COMMISSION OF ANY STATE IN RELIANCE UPON AN EXEMPTION FROM REGISTRATION UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "SECURITIES ACT"), AND, ACCORDINGLY, MAY NOT BE OFFERED OR SOLD EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OR PURSUANT TO AN AVAILABLE EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS. THIS SECURITY [AND THE SECURITIES ISSUABLE UPON [EXERCISE] [CONVERSION] OF THIS SECURITY] MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT WITH A REGISTERED BROKER-DEALER OR OTHER LOAN WITH A FINANCIAL INSTITUTION THAT IS AN "ACCREDITED INVESTOR" AS DEFINED IN RULE 501(a) UNDER THE SECURITIES ACT OR OTHER LOAN SECURED BY SUCH SECURITIES.

The Issuer acknowledges and agrees that a Purchaser may from time to time pledge pursuant to a bona fide margin agreement with a registered broker-dealer or grant a security interest in some or all of the Securities to a financial institution that is an "accredited investor" as defined in Rule 501(a) under the Securities Act and, if required under the terms of such arrangement, such Purchaser may transfer pledged or secured Securities to the pledgees or secured parties. Such a pledge or transfer would not be subject to approval of the Issuer and no legal opinion of legal counsel of the pledgee, secured party or pledgor shall be required in connection therewith. Further, no notice shall be required of such pledge. At the appropriate Purchaser's expense, the Issuer will execute and deliver such reasonable documentation as a pledgee or secured party of Securities may reasonably request in connection with a pledge or transfer of the Securities.

(c) Certificates evidencing the Underlying Shares shall not contain any legend (including the legend set forth in Section 4.13(b) hereof): (i) while a registration statement (including the Registration Statement) covering the resale of such security is effective under the Securities Act, (ii) following any sale of such Underlying Shares pursuant to Rule 144 (assuming cashless exercise of the Warrants) without time, volume or manner of sale limitations, (iii) if such Underlying Shares are eligible for sale under Rule 144 (assuming cashless exercise of the Warrants) without time, volume or manner-of-sale restrictions or (iv) if such legend is not required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the Commission). The Issuer shall use reasonable best efforts to cause its counsel to issue a legal opinion to the Transfer Agent or the Purchaser promptly after the Effective Date if required by the Transfer Agent to effect the removal of the legend hereunder, or if requested by a Purchaser, respectively, to the extent set forth in the preceding sentence. If all or any portion of a Note is converted or Warrant is exercised at a time when there is an effective registration statement to cover the resale of the Underlying Shares, or if such Underlying Shares may be sold under Rule 144 (assuming cashless exercise of the Warrants) as to such Underlying Shares and without time, volume or manner-of-sale restrictions or if such legend is not otherwise required under applicable requirements of the Securities Act (including judicial interpretations and pronouncements issued by the staff of the Commission) then such Underlying Shares shall be issued free of all legends. The Issuer agrees that following the Effective Date or at such time as such legend is no longer required under this Section 4.13(c), it will, no later than two (2) Trading Days following the delivery by a Purchaser to the Issuer or the Transfer Agent of a certificate representing Underlying Shares, as applicable, issued with a restrictive legend (such date, the "**Legend Removal Date**"), deliver or cause to be delivered to such Purchaser a certificate representing such shares that is free from all restrictive and other legends. The Issuer may not make any notation on its records or give instructions to the Transfer Agent that enlarge the restrictions on transfer set forth in this Section 4.13(c). Certificates for Underlying Shares subject to legend removal hereunder shall be transmitted by the Transfer Agent to the Purchaser by crediting the account of the Purchaser's prime broker with the Depository Trust Company System (to the extent the Issuer is a participant in the Depository Trust Company System) as directed by such Purchaser.

(d) In addition to such Purchaser's other available remedies, the Issuer shall pay to a Purchaser, in cash, (i) as partial liquidated damages and not as a penalty, for each \$1,000 of Underlying Shares (based on the VWAP of the Common Stock on the date such Securities are submitted to the Transfer Agent) delivered for removal of the restrictive legend and subject to Section 4.13(c), \$5 per Trading Day for each Trading Day after the 3rd Trading Day following the Legend Removal Date until such certificate is delivered without a legend and (ii) if the Issuer fails to (a) issue and deliver (or cause to be delivered) to a Purchaser by the 3rd Trading Day following Legend Removal Date a certificate representing the Securities so delivered to the Issuer by such Purchaser that is free from all restrictive and other legends and (b) if after the 3rd Trading Day following the Legend Removal Date such Purchaser purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by such Purchaser of all or any portion of the number of shares of Common Stock, or a sale of a number of shares of Common Stock equal to all or any portion of the number of shares of Common Stock that such Purchaser anticipated receiving from the Issuer without any restrictive legend, then, an amount equal to the excess of such Purchaser's total purchase price (including brokerage commissions and other out-of-pocket expenses, if any) for the shares of Common Stock so purchased (including brokerage commissions and other out-of-pocket expenses, if any) (the "**Buy-In Price**") over the product of (A) such number of Underlying Shares that the Issuer was required to deliver to such Purchaser by the Legend Removal Date multiplied by (B) the actual sale price at which the sell order giving rise to such purchase obligation was executed.

(e) Each Purchaser, severally and not jointly with the other Purchasers, agrees with the Issuer that such Purchaser will sell any Securities pursuant to either the registration requirements of the Securities Act, including any applicable prospectus delivery requirements, or an exemption therefrom, and that if Securities are sold pursuant to a Registration Statement, they will be sold in compliance with the plan of distribution set forth therein, and acknowledges that the removal of the restrictive legend from certificates representing Securities as set forth in this Section 4.13(e) is predicated upon the Issuer's reliance upon this understanding.

Section 4.14 Acknowledgment of Dilution. The Issuer acknowledges that the issuance of the Securities may result in dilution of the outstanding shares of Common Stock, which dilution may be substantial under certain market conditions. The Issuer further acknowledges that its obligations under the Transaction Documents, including, without limitation, its obligation to issue the Underlying Shares pursuant to the Transaction Documents, are unconditional and absolute and not subject to any right of set off, counterclaim, delay or reduction, regardless of the effect of any such dilution or any claim the Issuer may have against any Purchaser and regardless of the dilutive effect that such issuance may have on the ownership of the other stockholders of the Issuer.

Section 4.15 Furnishing of Information; Public Information.

(a) The Issuer covenants to use commercially reasonable efforts to maintain the registration of the Common Stock under Section 12(b) or 12(g) of the Exchange Act and to timely file (or obtain extensions in respect thereof and file within the applicable grace period) all reports required to be filed by the Issuer after the date hereof pursuant to the Exchange Act even if the Issuer is not then subject to the reporting requirements of the Exchange Act.

Section 4.16 Integration. Each of the form of Notice of Exercise included in the Warrants and the form of Notice of Conversion included in the Notes set forth the totality of the procedures required of the Purchasers in order to exercise the Warrants or convert the Notes. Without limiting the preceding sentences, no ink-original Notice of Exercise or Notice of Conversion shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise or Notice of Conversion form be required in order to exercise the Warrants or convert the Notes. No additional legal opinion, other information or instructions shall be required of the Purchasers to exercise their Warrants or convert their Notes. The Issuer shall honor exercises of the Warrants and conversions of the Notes and shall deliver Underlying Shares in accordance with the terms, conditions and time periods set forth in the Transaction Documents after receipt of the Shareholder Approval (and the filing of an amendment to the certificate of incorporation of the Issuer to reflect the Authorized Share Increase) with respect to any shares of Common Stock in excess of the Initial Reserve.

Section 4.17 Conversion and Exercise Procedures. Each of the form of Notice of Exercise included in the Warrants and the form of Notice of Conversion included in the Notes set forth the totality of the procedures required of the Purchasers in order to exercise the Warrants or convert the Notes. Without limiting the preceding sentences, no ink-original Notice of Exercise or Notice of Conversion shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Exercise or Notice of Conversion form be required in order to exercise the Warrants or convert the Notes other than receipt of the Shareholder Approval (and the filing of an amendment to the certificate of incorporation of the Issuer to reflect the Authorized Share Increase) with respect to any shares of Common Stock in excess of the Initial Reserve. No additional legal opinion, other information or instructions shall be required of the Purchasers to exercise their Warrants or convert their Notes other than any such information or documentation as the Issuer may reasonably request. The Issuer shall honor exercises of the Warrants and conversions of the Notes and shall deliver Underlying Shares in accordance with the terms, conditions and time periods set forth in the Transaction Documents after receipt of the Shareholder Approval (and the filing of an amendment to the certificate of incorporation of the Issuer to reflect the Authorized Share Increase) with respect to any shares of Common Stock in excess of the Initial Reserve.

Section 4.18 Securities Laws Disclosure; Publicity. The Issuer shall, by no later than 9:30 a.m. Eastern Time on the first Business Day following the execution of this Agreement, file a Current Report on Form 8-K, including the Transaction Documents as exhibits thereto, with the Commission. From and after the filing of such Current Report on Form 8-K, the Issuer represents to the Purchasers that it shall have publicly disclosed all material, non-public information delivered to any of the Purchasers by the Issuer or any of its Subsidiaries, or any of their respective officers, directors, employees, Affiliates or agents in connection with the transactions contemplated by the Transaction Documents. In addition, effective upon the filing of such Current Report on Form 8-K, the Issuer acknowledges and agrees that any and all confidentiality or similar obligations under any agreement, whether written or oral, between the Issuer, any of its Subsidiaries or any of their respective officers, directors, agents, employees, Affiliates or agents, on the one hand, and any of the Purchasers or any of their Affiliates on the other hand, shall terminate and be of no further force or effect. The Issuer understands and confirms that each Purchaser shall be relying on the foregoing covenant in effecting transactions in securities of the Issuer. The Issuer and each Purchaser shall consult with each other in issuing any press releases with respect to the transactions contemplated hereby, and neither the Issuer nor any Purchaser shall issue any such press release nor otherwise make any such public statement without the prior consent of the Issuer, with respect to any press release of any Purchaser, or without the prior consent of each Purchaser, with respect to any press release of the Issuer, which consent shall not unreasonably be withheld or delayed, except if such disclosure is required by law or requested by a governmental authority or self-regulatory organization, in which case the disclosing party shall promptly provide the other party with prior notice of such public statement or communication. Notwithstanding the foregoing, the Issuer shall not publicly disclose the name of any Purchaser, or include the name of any Purchaser in any filing with the Commission or any regulatory agency or Trading Market, without the prior written consent of such Purchaser, except (a) as required by federal securities law in connection with (i) any registration statement under the Securities Act and (ii) the filing of final Transaction Documents with the Commission and (b) to the extent such disclosure is required by law or Trading Market regulations or requested by a governmental authority or self-regulatory organization, in which case the Issuer shall provide the Purchasers with prior notice of such disclosure permitted under this clause (b) and reasonably cooperate with such Purchaser regarding such disclosure.

Section 4.19 Shareholder Rights Plan. No claim will be made or enforced by the Issuer or, with the consent of the Issuer, any other Person, that any Purchaser is an "Acquiring Person" under any control share acquisition, business combination, poison pill (including any distribution under a rights agreement) or similar anti-takeover plan or arrangement in effect or hereafter adopted by the Issuer, or that any Purchaser could be deemed to trigger the provisions of any such plan or arrangement, by virtue of receiving Securities under the Transaction Documents or under any other agreement between the Issuer and the Purchasers.

Section 4.20 Non-Public Information. Except with respect to the material terms and conditions of the transactions contemplated by the Transaction Documents, which shall be disclosed pursuant to Section 4.18, and as otherwise provided in this Agreement including Section 4.1 and Section 4.24, the Issuer covenants and agrees that neither it, nor any other Person acting on its behalf will provide any Purchaser or its agents or counsel with any information that constitutes, or the Issuer reasonably believes constitutes, material non-public information, unless prior thereto such Purchaser shall have consented in writing to the receipt of such information and agreed in writing with the Issuer to keep such information confidential. The Issuer understands and confirms that each Purchaser shall be relying on the foregoing covenant in effecting transactions in securities of the Issuer.

Section 4.21 Reservation and Listing of Securities.

(a) After receipt of the Shareholder Approval (and the filing of an amendment to the certificate of incorporation of the Issuer to reflect the Authorized Share Increase) with respect to any shares of Common Stock in excess of the Initial Reserve, the Issuer shall at all times maintain a reserve of the Required Minimum from its duly authorized shares of Common Stock for issuance pursuant to the Transaction Documents in such amount as may then be required to fulfill its obligations in full under the Transaction Documents.

(b) If, on any date, the number of authorized but unissued (and otherwise unreserved) shares of Common Stock is less than the Required Minimum on such date, then the Board of Directors shall use reasonable best efforts to hold two special meetings of shareholders (which may also be at the annual meeting of shareholders) to amend the Issuer's certificate or articles of incorporation to increase the number of authorized but unissued shares of Common Stock to at least the Required Minimum at such time, as soon as possible and in any event the first applicable Issuer stockholders meeting shall not be later than the 120th day after such date (and if the required Issuer stockholder approval is not obtained at such meeting, then the second applicable Issuer stockholders meeting shall not be later than the 120th day after the first applicable Issuer stockholders meeting, and if the required Issuer stockholder approval is not obtained at such second meeting, the Issuer shall use reasonable best efforts to seek such approval at each subsequent annual meeting until such approval is obtained).

(c) The Issuer shall, if applicable: (i) in the time and manner required by the principal Trading Market, prepare and file with such Trading Market an additional shares listing application covering a number of shares of Common Stock at least equal to the Required Minimum on the date of such application, (ii) use commercially reasonable efforts to take all steps necessary to cause such shares of Common Stock to be approved for listing or quotation on such Trading Market as soon as possible thereafter, (iii) provide to the Purchasers evidence of such listing or quotation as promptly as practicable after receipt thereof and (iv) use commercially reasonable efforts to maintain the listing or quotation of such Common Stock on any date at least equal to the Required Minimum on such date on such Trading Market or another Trading Market. The Issuer agrees to use commercially reasonable efforts to maintain the eligibility of the Common Stock for electronic transfer through the Depository Trust Company or another established clearing corporation, including, without limitation, by timely payment of fees to the Depository Trust Company or such other established clearing corporation in connection with such electronic transfer.

Section 4.22 Shareholder Approval. In addition, the Issuer shall use its reasonable best efforts to hold (a) one special meeting of shareholders to obtain the Authorized Share Increase Approval as promptly as practical under the circumstances after the date hereof and prior to the date that is forty-five (45) days following the Sixth Amendment Date (or sixty (60) days following the Sixth Amendment Date if necessary to obtain such Shareholder Approval) and (b) a separate special meeting of shareholders (which may also be at the annual meeting of shareholders) to obtain the Nasdaq 20% Approval as promptly as reasonably practical under the circumstances after the date hereof and prior to the date that is sixty (60) days following the Sixth Amendment Date, in each case, with the recommendation of the Issuer's Board of Directors that such proposals be approved, and the Issuer shall solicit proxies from its shareholders in connection therewith in the same manner as all other management proposals in such proxy statement and all management-appointed proxyholders shall vote their proxies in favor of such proposal. The Issuer shall use its reasonable best efforts to obtain such Shareholder Approval. If the Issuer does not obtain the Shareholder Approval at such special meetings, the Issuer shall use reasonable best efforts to hold a new special meeting within thirty (30) days from the date of such previous special meeting to use its reasonable best efforts to obtain such Shareholder Approval. If the Issuer does not obtain the Shareholder Approval at the most recent special meeting, the Issuer shall use reasonable best efforts to seek such Shareholder Approval at each annual meeting thereafter (starting in 2024) until the earlier of the date the Shareholder Approval is obtained or the Notes are no longer outstanding. The Issuer shall file an amendment to its certificate of incorporation to reflect the Authorized Share Increase within three (3) Business Days after the Authorized Share Increase Approval is obtained.

Section 4.23 Certain Transactions and Confidentiality. Each Purchaser, severally and not jointly with the other Purchasers, covenants that neither it, nor any Affiliate acting on its behalf or pursuant to any understanding with it will execute any purchases or sales, including Short Sales, of any of the Issuer's securities during the period commencing with the execution of this Agreement and ending at such time that the transactions contemplated by this Agreement are first publicly announced pursuant to the filing of the Current Report on Form 8-K as described in Section 4.18. Each Purchaser, severally and not jointly with the other Purchasers, covenants that until such time as the transactions contemplated by this Agreement are publicly disclosed by the Issuer pursuant to the filing of the Current Report on Form 8-K as described in Section 4.18, such Purchaser will maintain the confidentiality of the existence and terms of this transaction and the information included in the Disclosure Schedules (other than as disclosed to its legal and other representatives). Notwithstanding the foregoing, and subject to anything contained in this Agreement to the contrary including Section 4.1 and Section 4.24, the Issuer expressly acknowledges and agrees that (i) no Purchaser makes any representation, warranty or covenant hereby that it will not engage in effecting transactions in any securities of the Issuer after the time that the transactions contemplated by this Agreement are first publicly announced pursuant to the filing of the Current Report on Form 8-K as described in Section 4.18, (ii) no Purchaser shall be restricted or prohibited from effecting any transactions in any securities of the Issuer in accordance with applicable securities laws from and after the time that the transactions contemplated by this Agreement are first publicly announced pursuant to the filing of the Current Report on Form 8-K as described in Section 4.18 and (iii) no Purchaser shall have any duty of confidentiality or duty not to trade in the securities of the Issuer to the Issuer, any of its Subsidiaries, or any of their respective officers, directors, employees, Affiliates or agent, including, without limitation, the Placement Agent, after the issuance of the filing of the Current Report on Form 8-K as described in Section 4.18. Notwithstanding the foregoing, in the case of a Purchaser that is a multi-managed investment vehicle whereby separate portfolio managers manage separate portions of such Purchaser's assets and the portfolio managers have no direct knowledge of the investment decisions made by the portfolio managers managing other portions of such Purchaser's assets, the covenant set forth above shall only apply with respect to the portion of assets managed by the portfolio manager that made the investment decision to purchase the Securities covered by this Agreement.

Section 4.24 Blue Sky Filings. Promptly following the Closing Date and prior to the issuance of any Securities hereunder, the Issuer shall take such action as the Issuer shall reasonably determine is necessary in order to obtain an exemption for, or to qualify the Securities for, sale to the Purchasers under applicable securities or “Blue Sky” laws of the states of the United States, and shall provide evidence of such actions promptly upon request of any Purchaser.

Section 4.25 Participation in Future Financing.

(a) From the date hereof until the date that is the five-year anniversary of the Initial Bridge Closing, upon any issuance by the Issuer or any of its Subsidiaries of Common Stock or Common Stock Equivalents for cash consideration, Indebtedness or a combination of units thereof other than an Exempt Issuance (as defined in the Bridge Note) or Excluded Stock (as defined in the Warrant) other than an Exempt Issuance (as defined in the Note) or Excluded Stock (as defined in the Warrant) (a “**Subsequent Financing**”), (x) each Purchaser that then owns at least \$25 million principal amount of Tranche A Notes (when aggregated with any Affiliates of such Purchaser) and (y) the New Purchaser, for so long as it then owns at least \$20 million principal amount of Notes (when aggregated with any Affiliates of such Purchaser) shall each have the right to participate in up to an amount of the Subsequent Financing equal to an amount of the Subsequent Financing such that such Purchaser’s ownership of the Issuer (assuming conversion of the Notes and ignoring for such purpose any conversion or exercise limitations included in the Notes) remains the same immediately following such Subsequent Financing as it ownership immediately prior to such Subsequent Financing (the “**Participation Maximum**”) on the same terms, conditions and price provided for in the Subsequent Financing subject to this Section 4.25.

(b) At least ten (10) days prior to the closing of the Subsequent Financing, the Issuer shall deliver to each such Purchaser a written notice of its intention to effect a Subsequent Financing (“**Pre-Notice**”), which Pre-Notice shall ask such Purchaser if it wants to review the details of such financing (such additional notice, a “**Subsequent Financing Notice**”). Upon the request of such Purchaser, and only upon a request by such Purchaser, for a Subsequent Financing Notice, the Issuer shall promptly, but no later than three (3) days after such request, deliver a Subsequent Financing Notice to such Purchaser. The Subsequent Financing Notice shall describe in reasonable detail the proposed terms of such Subsequent Financing, the amount of proceeds intended to be raised thereunder and the Person or Persons through or with whom such Subsequent Financing is proposed to be effected and shall include a term sheet or similar document relating thereto as an attachment.

(c) Any such Purchaser desiring to participate in such Subsequent Financing must provide written notice to the Issuer by not later than 5:30 p.m. (New York City time) on the seventh (7th) day after all of the Purchasers have received the Subsequent Financing Notice that such Purchaser is willing to participate in the Subsequent Financing, the amount of such Purchaser's participation, and representing and warranting that such Purchaser has such funds ready, willing, and available for investment on the terms set forth in the Subsequent Financing Notice. If the Issuer receives no such notice from a Purchaser as of such seventh (7th) day, such Purchaser shall be deemed to have notified the Issuer that it does not elect to participate.

(d) If by 5:30 p.m. (New York City time) on the seventh (7th) day after all such Purchasers have received the Subsequent Financing Notice, notifications by such Purchasers of their willingness to participate in the Subsequent Financing (or to cause their designees to participate) is, in the aggregate, less than the total amount up to which such Purchasers may participate in the Subsequent Financing, then the Issuer may effect the remaining portion of such Subsequent Financing on the terms and with the Persons set forth in the Subsequent Financing Notice.

(e) The Issuer must provide the Purchasers with a second Subsequent Financing Notice, and the Purchasers will again have the right of participation set forth above in this Section 4.25, if the Subsequent Financing subject to the initial Subsequent Financing Notice is not consummated for any reason on the terms set forth in such Subsequent Financing Notice within ninety (90) Trading Days after the date of the initial Subsequent Financing Notice.

(f) The Issuer and each Purchaser agrees that if any Purchaser elects to participate in the Subsequent Financing, the transaction documents related to the Subsequent Financing shall not include any term or provision that is intended to exclude one or more of the Purchasers from participating in a Subsequent Financing.

(g) Notwithstanding anything to the contrary in this Agreement, the Agent and each Purchaser agrees that this Section 4.25 shall not apply to the Amendment Date ELOC.

The Agent, or the Agent's designee, may, with notice and in either its or such Credit Party's name, but at the cost and expense of the Issuer, during the continuance of an Event of Default:

(a) endorse such Credit Party's name on any payment item or other proceeds of Collateral (including proceeds of insurance) that come into the Agent's possession or control; and

(b) (i) notify any Account Debtors of the assignment of their Accounts, demand and enforce payment of Accounts by legal proceedings or otherwise, and generally exercise any rights and remedies with respect to Accounts; (ii) settle, adjust, modify, compromise, discharge or release any Accounts or other Collateral, or any legal proceedings brought to collect Accounts or Collateral; (iii) sell or assign any Accounts and other Collateral upon such terms, for such amounts and at such times as the Agent deems advisable; (iv) collect, liquidate and receive balances in deposit accounts or investment accounts, and take control, in any manner, of proceeds of Collateral; (v) prepare, file and sign such Credit Party's name to a proof of claim or other document in a bankruptcy of an Account Debtor, or to any notice, assignment or satisfaction of Lien or similar document; (vi) receive, open and dispose of mail addressed to such Credit Party, and notify postal authorities to deliver any such mail to an address designated by the Agent; (vii) endorse any Chattel Paper, Document, Instrument, bill of lading, or other document or agreement relating to any Accounts, Inventory or other Collateral; (viii) use such Credit Party's stationery and sign its name to verifications of Accounts and notices to Account Debtors; (ix) use information contained in any data processing, electronic or information systems relating to Collateral; (x) make and adjust claims under insurance policies; (xi) take any action as may be necessary or appropriate to obtain payment under any letter of credit, banker's acceptance or other instrument for which such Issuer is a beneficiary; and (xii) take all other actions as the Agent reasonably deems appropriate to fulfill such Credit Party's obligations under this Agreement and the Financing Documents.

Persons), (b) without limitation of the preceding clause (a), all documented costs and expenses of the Agent and its Affiliates (and each Purchaser and its Affiliates, as applicable) in connection with (i) protecting, storing, insuring, handling, maintaining, auditing, examining, valuing or selling any Collateral, (ii) any litigation, dispute, suit or proceeding relating to any Financing interest between the Agent and Purchasers (where the Person affected by such conflict of interest informs the Issuer in writing of such conflict of interest), one (1) additional counsel in each relevant jurisdiction to each group of affected Persons similarly situated taken as a whole). Without limiting the foregoing, if any Credit Party or any Subsidiary is required to take any action under any Financing Document, such action shall be taken at the expense of such Credit Party or Subsidiary. Notwithstanding anything herein to the contrary, the aggregate amount of the Credit Parties' and Subsidiaries' reimbursement obligations incurred pursuant to this Section 9.1 for legal expenses of Agent up to the Initial Bridge Closing shall not exceed \$400,000; provided further that the non-refundable deposit in the amount of \$150,000 delivered by Issuer to Agent or one of its Affiliates prior to the Closing Date shall be credited against all obligations of the Credit Parties' and Subsidiaries' incurred pursuant to this Section 9.1.

Section 9.2 Indemnity. In consideration for the execution and delivery of this Agreement by the Agent and the Purchasers and the agreement to purchase the Purchased Securities provided hereunder, each Credit Party hereby agrees to indemnify, pay and hold harmless the Agent, the Purchasers and their respective Affiliates and the officers, directors, employees, trustees, agents, investment advisors, collateral managers, servicers, and counsel of the Agent, the Purchasers and their respective Affiliates (collectively called the "Indemnitees") from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (but limited, in the case of legal fees and expenses, to the reasonable and documented out-of-pocket fees, costs and expenses of one (1) firm of counsel to all Indemnitees taken as a whole and, if reasonably necessary, a single local counsel for all Indemnitees taken as a whole in each relevant jurisdiction that is material to the interest of such Indemnitees (which may be a single local counsel acting in multiple material jurisdictions), and solely in the case of an actual or perceived conflict of interest between Indemnitees (where the Indemnitee affected by such conflict of interest informs the Issuer in writing of such conflict of interest), one additional counsel in each relevant jurisdiction to each group of affected Indemnitees similarly situated taken as a whole), in connection with any investigative, remedial, administrative, judicial or other like matter or proceeding (whether initiated or threatened), whether or not such Indemnitee shall be designated a party thereto and including any such proceeding initiated by or on behalf of a Credit Party or Subsidiary, and the reasonable expenses of investigation by engineers, environmental consultants and similar technical personnel and any commission, fee or compensation claimed by any broker (other than any broker retained by the Agent or the Purchasers) asserting any right to payment for the transactions contemplated hereby, which may be imposed on, incurred by or asserted against such Indemnitee as a result of or in connection with the transactions contemplated by this Agreement, the other Financing Documents, the Notes and other Obligations and/or the transactions contemplated hereby including the Closing Date Transactions and the Subsequent Closing Date Transactions (including (a)(i) as a direct or indirect result of the presence on or under, or escape, seepage, leakage, spillage, discharge, emission or release from, any property now or previously owned, leased or operated by any Credit Party or any Subsidiary thereof of any Hazardous Materials or any Hazardous Materials Contamination, (ii) arising out of or relating to the offsite disposal of any materials generated or present on any such property or (iii) arising out of or resulting from the environmental condition of any such property or the applicability of any governmental requirements relating to Hazardous Materials, whether or not occasioned wholly or in part by any condition, accident or event caused by any act or omission of a Credit Party or Subsidiary, and (b) proposed and actual extensions of credit under this Agreement) and the use or intended use of the proceeds of the Purchased Securities, except that Credit Parties shall have no obligation hereunder to an Indemnitee with respect to any liability resulting from (A) the fraud, bad faith, gross negligence or willful misconduct of such Indemnitee, as determined by a final non-appealable judgment of a court of competent jurisdiction, (B) a material breach of any obligations of such Indemnitee under any Financing Document by such Indemnitee in bad faith, as determined by a final non-appealable judgment of a court of competent jurisdiction or (C) disputes solely among Indemnitees not arising from the conduct of any Credit Party. To the extent that the undertaking set forth in the immediately preceding sentence may be unenforceable, Credit Parties shall contribute the maximum portion which they are permitted to pay and satisfy under applicable Law to the payment and satisfaction of all such indemnified liabilities incurred by the Indemnitees or any of them. This Section 9.2 shall not apply to claims for expenses or indemnification for Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim. All Obligations provided for in this Section 9.2 shall survive repayment of the Notes, cancellation of the Notes, any foreclosure under, or any modification, release or discharge of, any or all of the Security Documents and termination of this Agreement. All amounts due under this Section 9.2 shall be paid within thirty (30) days after written demand therefor.

ARTICLE 10
TAXES; YIELD PROTECTION

Section 10.1 Taxes.

(a) Gross Up for Taxes. All payments of principal and interest on the Notes and all other amounts payable hereunder or under any Financing Document shall be made free and clear of and without deduction for any present or future income, excise, stamp, documentary, property or franchise taxes, and other taxes, fees, duties, levies, assessments, withholdings or other charges (including interest, additions to tax and penalties thereon) imposed by any taxing authority (“**Taxes**”), unless otherwise required by applicable Law. If any withholding or deduction from any payment to be made by the Credit Parties to any Purchaser hereunder is required in respect of any Taxes pursuant to any applicable Law, then the Credit Parties will (1) pay directly to the relevant authority the full amount required to be so withheld or deducted, (2) promptly forward to such Purchaser an official receipt or other documentation satisfactory to such Purchaser evidencing such payment to such authority, and (3) if such Tax is an Indemnified Tax, pay to such Purchaser such additional amount or amounts as is necessary to ensure that the net amount actually received by such Purchaser will equal the full amount it would have received had no such withholding or deduction been required.

(b) Other Taxes. Each Credit Party agrees to timely pay to the applicable Governmental Authority any present or future stamp, intangible, recording or documentary Taxes or any other similar Taxes that arise from any payment made hereunder or from the execution, delivery, performance, recordation, or filing of, or otherwise with respect to this Agreement or any other Financing Document, except any such Taxes that are Other Connection Taxes imposed with respect to an assignment (“**Other Taxes**”).

(c) Indemnification. The Credit Parties shall jointly and severally indemnify the Agent and the Purchasers, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by the Agent or the Purchasers or required to be withheld or deducted from a payment to the Agent or the Purchasers and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Issuer by a Purchaser shall be conclusive absent manifest error.

(d) Foreign Purchasers. Each Foreign Purchaser that is a party hereto on the Closing Date or purports to become an assignee of an interest pursuant to Section 12.6(a) after the Closing Date (unless such Purchaser was already a Purchaser hereunder immediately prior to such assignment) shall execute and deliver to the Issuer United States Internal Revenue Service Forms W-8ECI, W-8BEN, W-8BEN-E, or W-8IMY (as applicable) and other applicable forms, certificates or documents prescribed by the United States Internal Revenue Service or reasonably requested as to such Purchaser's entitlement to a complete exemption from withholding or deduction of Taxes, if any, on or prior the date on which such Foreign Purchaser becomes a party hereto or becomes an assignee of an interest pursuant to Section 12.6(a) (and from time to time thereafter upon the reasonable request of the Issuer). Any Foreign Purchaser that is relying on the portfolio interest exception of Section 871(h) or Section 881(c) of the Code, shall also provide each Issuer along with IRS Form W-8BEN or W-8BEN-E, as applicable, a certificate representing to each Issuer that such Foreign Purchaser is not a "bank" for purposes of Section 881(c) of the Code, is not a 10% holder of any Issuer described in Section 871(h)(3)(B) of the Code, is not a controlled foreign corporation receiving interest from a related person (within the meaning of Sections 881(c)(3)(C) and 864(d)(4) of the Code) and is not a conduit entity participating in a conduit financing arrangement as defined in Treasury Regulation Section 1.881-3, at such time (and from time to time thereafter upon the reasonable request of the Issuer). Each Purchaser shall provide new forms (or successor forms) or certificates upon the expiration or obsolescence of any previously delivered forms, to the extent legally entitled to do so, and to promptly notify each Issuer of any change in circumstances which would modify or render invalid any claimed exemption or reduction. If a payment made to a Purchaser under any Financing Document or any payment would be subject to U.S. federal withholding Tax imposed by FATCA if such Purchaser or the Agent were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Purchaser or the Agent shall deliver to the Issuer and the Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Issuer, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Issuer as may be necessary for the Issuer to comply with its obligations under FATCA, to determine that such Purchaser has complied with such Purchaser's obligations under FATCA, or to determine the amount to deduct and withhold from such payment. Solely for purposes of the preceding sentence, "FATCA" shall include any amendments made to FATCA after the date of this Agreement. Furthermore, any Foreign Purchaser shall, to the extent it is legally entitled to do so and to the extent in any Purchaser's reasonable judgment such completion, execution or submission would not subject such Purchaser to any material unreimbursed cost or expense and would not materially prejudice the legal or commercial position of such Purchaser, deliver to the Issuer on or prior to the date on which such Foreign Purchaser becomes a Purchaser under this Agreement or becomes an assignee of an interest pursuant to Section 12.6(a) (and from time to time thereafter upon the reasonable request of the Issuer), executed originals of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Issuer to determine the withholding or deduction required to be made.

(e) United States Purchasers. Any Purchaser other than a Foreign Purchaser that is a party hereto on the Closing Date or purports to become an assignee of an interest pursuant to Section 12.6(a) after the Closing Date (unless such Purchaser was already a Purchaser hereunder immediately prior to such assignment) shall execute and deliver to the Issuer one or more (as the Issuer may reasonably request) United States Internal Revenue Service Form W-9, certifying to such Purchaser's U.S. Taxpayer Identification Number and that it is not subject to United States federal backup withholding taxes on or about the date on which such Purchaser becomes a party hereto or becomes an assignee of an interest pursuant to Section 12.6(a) (and from time to time thereafter upon the reasonable request of the Issuer). Each Purchaser shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms pursuant to this paragraph (e) and to promptly notify the Issuer of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(f) Agent (including any successor Agent) shall provide, on or about the date on which such Person becomes an Agent under this Agreement (and from time to time thereafter upon the reasonable request of the Issuer), a duly executed and completed IRS Form W-9 certifying to Agent's U.S. Taxpayer Identification Number and that it is not subject to United States federal backup withholding taxes. Agent shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms pursuant to this paragraph (f) and shall promptly notify the Issuer of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(g) Treatment of Certain Refunds. So long as no Default or Event of Default then exists, if Agent or any Purchaser determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 10.1 (including by the payment of additional amounts pursuant to this Section 10.1), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (g) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (g), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (g) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph (g) shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

Section 10.2 Capital Adequacy. If any Purchaser shall reasonably determine that the adoption or taking effect of, or any change in, any applicable Law regarding capital adequacy, in each instance, after the Closing Date, or any change after the Closing Date in the interpretation, administration or application thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation, administration or application thereof, or the compliance by any Purchaser or any Person controlling such Purchaser with any request, guideline or directive regarding capital adequacy (whether or not having the force of Law) of any such Governmental Authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on such Purchaser's or such controlling Person's capital as a consequence of such Purchaser's obligations hereunder to a level below that which such Purchaser or such controlling Person could have achieved but for such adoption, phase-in, phase-opt, change, interpretation, administration, application or compliance (taking into consideration such Purchaser's or such controlling Person's policies with respect to capital adequacy) then from time to time, upon written demand by such Purchaser (which demand shall be accompanied by a statement setting forth the basis for such demand and a calculation of the amount thereof in reasonable detail, a copy of which shall be furnished to Agent), Credit Parties shall promptly pay to such Purchaser such additional amounts as will compensate such Purchaser or such controlling Person for such reduction, so long as such amounts have accrued on or after the day which is one hundred eighty (180) days prior to the date on which such Purchaser first made demand therefor; provided that if the event giving rise to such amount has retroactive effect, such one hundred eighty (180) day period shall be extended to include the period of retroactive effect.

Section 10.3 Increased Costs. If any Purchaser shall reasonably determine that the adoption or taking effect of, or any change in, any applicable Law, in each instance, after the Closing Date, or any change after the Closing Date in the interpretation, administration or application of any Law by any Governmental Authority, central bank or comparable agency charged with the interpretation, administration or application thereof, or the compliance by any Purchaser or any Person controlling such Purchaser with any request, guideline or directive of any such authority, central bank or comparable agency: (a) shall impose, modify or deem applicable any reserve (including any reserve imposed by the Board of Governors of the Federal Reserve System, or any successor thereto), special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended or participated in by any Purchaser, or (b) shall impose on any Purchaser any other condition affecting its Notes, any of its Notes (if any) or its obligation to make Notes; and the result of anything described in clauses (a) and (b) above is to increase the cost to (or to impose a cost on) such Purchaser of making or maintaining any Notes, or to reduce the amount of any sum received or receivable by such Purchaser under this Agreement or under any of its Notes (if any) with respect thereto, then upon demand by such Purchaser (which demand shall be accompanied by a statement setting forth the basis for such demand and a calculation of the amount thereof in reasonable detail), Credit Parties shall promptly, and in any event within thirty (30) days of demand therefor, pay directly to such Purchaser such additional amount as will compensate such Purchaser or controlling Person for such increased cost or such reduction, so long as such amounts have accrued on or after the day which is one hundred eighty (180) days prior to the date on which such Purchaser first made demand therefor; provided that if the event giving rise to such amount has retroactive effect, such one hundred eighty (180) day period shall be extended to include the period of retroactive effect.

Section 10.4 Mitigation Obligations. If any Purchaser requests compensation under either Section 10.2 or Section 10.3, or requires Issuer to pay any additional amount to any Purchaser or any Governmental Authority for the account of any Purchaser pursuant to Section 10.1, then, upon the written request of the Issuer, such Purchaser shall use reasonable efforts to designate a different lending office for funding or booking its Notes hereunder or to assign its rights and obligations hereunder (subject to the provisions of Section 12.6) to another of its offices, branches or affiliates, if, in the judgment of such Purchaser, such designation or assignment (a) would eliminate or materially reduce amounts payable pursuant to any such Section, as the case may be, in the future, (b) would not subject such Purchaser to any unreimbursed cost or expense and (c) would not otherwise be disadvantageous to such Purchaser (as determined in its sole discretion). Without limitation of the provisions of Section 9.1, Issuer hereby agrees to pay all reasonable and documented out-of-pocket costs and expenses incurred by any Purchaser in connection with any such designation or assignment.

Section 10.5 Conclusiveness of Statements; Survival. Determinations and statements of any Purchaser pursuant to Sections 10.1, 10.2 and 10.3 shall be conclusive and binding absent manifest error. The Purchasers may use reasonable averaging and attribution methods in determining compensation under Sections 10.1, 10.2 and 10.3, and the provisions of such Sections shall survive repayment of the Notes and termination of this Agreement.

Section 10.6 Dodd-Frank. Notwithstanding anything herein to the contrary, (i) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all rules, regulations, guidelines and directives thereunder or issued in connection therewith (ii) all requests, rules, guidelines or directives concerning capital adequacy promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States regulatory authorities, shall be deemed, in each case, for all purposes of this Agreement, to be adopted after the date of this Agreement, regardless of the date actually enacted, adopted or issued.

ARTICLE 11 AGENT

Section 11.1 Appointment and Authorization.

(a) General. Each Purchaser and the Agent hereby irrevocably appoints and authorizes the Agent to enter into each of the Financing Documents to which it is a party (other than this Agreement) on its behalf and to take such actions as the Agent on its behalf and to exercise such powers under the Financing Documents as are delegated to the Agent by the terms thereof, together with all such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere in this Agreement or in any other Financing Document, the Agent shall not have any duty or responsibility except those expressly set forth herein, nor shall the Agent have or be deemed to have any fiduciary relationship with any Purchaser or the Agent, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Financing Document or otherwise exist against the Agent.

(b) Specific Rights Regarding Collateral. Without limiting the generality of the powers of the Agent, as set forth above, the Agent is hereby authorized to act as “collateral agent” for each Purchaser, the Agent and each other Secured Party pursuant to each of the Financing Documents. In such capacity, the Agent has the right to exercise all rights and remedies available under the Financing Documents, the UCC and any other applicable Law, as further described in Section 11.3.

Section 11.2 Agent and Affiliates. FSV and its Affiliates and Approved Funds may make loans to, issue letters of credit for the account of, accept deposits from, acquire equity interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with any Credit Party and any Affiliate of any Credit Party as though FSV were not the Agent under the Financing Documents and without notice to or consent of any Purchaser. Each Purchaser acknowledges that, pursuant to such activities, FSV and its Affiliates may receive information regarding Credit Parties or their Affiliates (including information that may be subject to confidentiality obligations in favor of any such Credit Party or such Affiliate) and acknowledge that the Agent shall be under no obligation to provide such information to them. The Agent shall have the same rights and powers under the Financing Documents as any other Purchaser and may exercise or refrain from exercising the same as though it were not the Agent, and the Agent and its Affiliates may lend money to, invest in and generally engage in any kind of business with each Credit Party or Affiliate of any Credit Party as if it were not the Agent hereunder.

Section 11.3 Delegation of Duties. The Agent may execute any of its duties under this Agreement or any other Financing Document by or through agents, employees or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. The Agent shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects with reasonable care. Without limiting the generality of the powers of the Agent, as set forth above, the Agent is hereby authorized to act as collateral agent and administrative agent for each Purchaser pursuant to each of the Financing Documents. In its capacity as collateral agent, the Agent has the right to exercise all rights and remedies available under the Financing Documents, the UCC, and other applicable Law, as directed by the Required Purchasers, which rights and remedies shall include, in the event of a foreclosure by the Agent on any portion of the Collateral, whether pursuant to a public or private sale, the right of the Agent, as agent for all of the Purchasers, to be, or form an acquisition entity to be, the purchaser of any or all of such Collateral at any such sale. The Agent, as agent for all of the Purchasers, shall be entitled at any such sale to offset any of the Obligations against the purchase price payable by the Agent (or such acquisition entity) at such sale or to otherwise consent to a reduction of the Obligations as consideration to the applicable Credit Party in connection with such sale. The Agent shall have the authority to take such other actions as it may deem necessary or desirable, and as may be approved by the Required Purchasers, to consummate a sale of the type described in the immediately preceding sentences. Without limiting the generality of the powers of the Agent, as set forth above, in the context of any bankruptcy or other insolvency proceeding involving any Credit Party, the Agent is hereby authorized to, at the direction of the Required Purchasers: (a) file proofs of claim and other documents on behalf of the Purchasers, (b) object or consent to the use of cash collateral, (c) object or consent to any proposed debtor-in-possession financing, whether provided by one or more of the Purchasers or any other Person and whether secured by Liens with priority over the Liens securing the Obligations or otherwise, (d) object or consent to any sale of Collateral, including sales for non-cash consideration in satisfaction of a portion of the Obligations, as may be agreed to by the Required Purchasers on behalf of all of the Purchasers, (e) to be, or form an acquisition entity to be, the purchaser of any or all of such Collateral at any such sale under clause (d) and to offset any of the Obligations against the purchase price payable by the Agent (or such acquisition entity) at such sale or to otherwise consent to a reduction of the Obligations as consideration to the applicable Credit Party in connection with such sale, and (f) seek, object or consent to any Credit Party’s provision of adequate protection of the interests of the Agent and/or the Purchasers in the Collateral.

Section 11.4 Action by the Agent; Action by Secured Parties.

(a) Agent. The Agent shall not have, by reason of this Agreement, a fiduciary relationship in respect of any Purchaser or any other Person. Nothing in this Agreement or any of the Financing Documents is intended to or shall be construed to impose upon the Agent any obligations in respect of this Agreement or any of the Financing Documents except as expressly set forth herein or therein. Actions taken by the Agent hereunder, under the other Financing Documents or upon the instructions of Required Purchasers or such other portion of the Purchasers (as required hereunder), shall be binding upon each Purchaser and each of the other Secured Parties.

(b) Secured Parties. Anything in this Agreement or any other Financing Document to the contrary notwithstanding, each Secured Party hereby agrees with each other Secured Party and with the Agent that no Secured Party shall take any action to protect or enforce its rights against any Credit Party arising out of this Agreement or any other Financing Document (including exercising any rights of set-off) without first obtaining the prior written consent of the Agent, it being the intent of the Purchasers and the other Secured Parties that any such action to protect or enforce rights against any Credit Party under this Agreement and the other Financing Documents shall be taken in concert and at the direction or with the consent of the Agent.

Section 11.5 Consultation with Experts. The Agent may consult with legal counsel, independent public accountants and other experts selected by it and shall not be liable for any action taken or omitted to be taken by it in good faith in accordance with the advice of such counsel, accountants or experts.

Section 11.6 Liability of the Agent. Neither the Agent nor any of its directors, officers, agents or employees shall be liable to any Secured Party for any action taken or not taken by it in connection with the Financing Documents, except that the Agent shall be liable with respect to its specific duties set forth hereunder, but only to the extent of its own fraud, bad faith, gross negligence or willful misconduct in the discharge thereof as determined by a final non-appealable judgment of a court of competent jurisdiction. Neither the Agent nor any of its directors, officers, agents or employees shall be responsible for or have any duty to ascertain, inquire into or verify (a) any statement, warranty or representation made in connection with any Financing Document or any borrowing hereunder, (b) the performance or observance of any of the covenants or agreements specified in any Financing Document, (c) the satisfaction of any condition specified in any Financing Document, (d) the validity, effectiveness, sufficiency or genuineness of any Financing Document, any Lien purported to be created or perfected thereby or any other instrument or writing furnished in connection therewith, (e) the existence or non-existence of any Default or Event of Default; or (f) the financial condition of any Credit Party or Subsidiary. The Agent shall not incur any liability by acting in reliance upon any notice, consent, certificate, statement, or other writing (which may be a bank wire, telex, facsimile or electronic transmission or similar writing) believed by it to be genuine or to be signed by the proper party or parties. The Agent shall not be liable for any apportionment or distribution of payments made by it in good faith and if any such apportionment or distribution is subsequently determined to have been made in error the sole recourse of any Secured Party to whom payment was due but not made, shall be to recover from other Secured Parties any payment in excess of the amount to which it is determined to be entitled (and such other Secured Parties hereby agree to return to such Secured Party any such erroneous payments received by them).

Section 11.7 Indemnification. The Purchasers shall, on a ratable basis, indemnify the Agent (to the extent not reimbursed by Credit Parties) upon demand against any cost, expense (including counsel fees and disbursements), withholding Tax liability, claim, demand, action, loss or liability (except such as result from such the Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction) that the Agent may suffer or incur in connection with the Financing Documents or any action taken or omitted by the Agent hereunder or thereunder, in each case solely in its capacity as such (and not as a Purchaser). Agent (in its capacity as a Purchaser), and all Purchasers who are Affiliates of Agent shall be responsible for their pro rata share of any such indemnity. If any indemnity furnished to the Agent for any purpose shall, in the opinion of the Agent, be insufficient or become impaired, the Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against even if so directed by Required Purchasers until such additional indemnity is furnished.

Section 11.8 Right to Request and Act on Instructions. The Agent may at any time request instructions from the Purchasers with respect to any actions or approvals which by the terms of this Agreement or of any of the Financing Documents the Agent is permitted or desires to take or to grant, and if such instructions are promptly requested, the Agent shall be absolutely entitled to refrain from taking any action or to withhold any approval and shall not be under any liability whatsoever to any Person for refraining from any action or withholding any approval under any of the Financing Documents until it shall have received such instructions from Required Purchasers or all or such other portion of the Purchasers as shall be prescribed by this Agreement. Without limiting the foregoing, no Secured Party shall have any right of action whatsoever against the Agent as a result of the Agent acting or refraining from acting under this Agreement or any of the other Financing Documents in accordance with the instructions of Required Purchasers (or all or such other portion of the Purchasers as shall be prescribed by this Agreement) and, notwithstanding the instructions of Required Purchasers (or such other applicable portion of the Purchasers), the Agent shall have no obligation to take any action if it believes, in good faith, that such action would violate applicable Law or exposes it to any liability for which it has not received satisfactory indemnification in accordance with the provisions of Section 11.7.

Section 11.9 Credit Decision. Each Purchaser acknowledges that it has, independently and without reliance upon the Agent or any other Purchaser, and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Purchaser also acknowledges that it will, independently and without reliance upon the Agent or any other Purchaser, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking any action under the Financing Documents.

Section 11.10 Collateral Matters. Secured Parties irrevocably authorize the Agent, at its option and in its discretion, to (a) release any Lien granted to or held by the Agent under any Security Document (i) upon Payment in Full of the Obligations or (ii) constituting property (x) sold or disposed of as part of or in connection with any disposition permitted under any Financing Document or (y) that is or has become Excluded Property (as defined in the Guarantee and Collateral Agreement) pursuant to clause (k) of the definition thereof (it being understood and agreed that the Agent may conclusively rely without further inquiry on a certificate of a Responsible Officer as to the sale or other disposition of property or such property constituting or becoming such type of Excluded Property being made in full compliance with the provisions of the Financing Documents), (b) [reserved], and (c) release (i) any Guarantor of all or any portion of the Obligations if all of the Capital Stock of such Guarantor is sold or otherwise ceases to be a Subsidiary in a transaction permitted hereunder to the extent that after giving effect to such transaction such Credit Party would not be required to guarantee any Obligation pursuant to Section 4.11 or (ii) all Credit Parties from their Obligations under the Financing Documents upon Payment in Full of the Obligations. Upon request by the Agent at any time, Secured Parties will confirm the Agent's authority to release and/or subordinate particular types or items of Collateral pursuant to this Section 11.10.

Section 11.11 Agency for Perfection. The Agent and each Secured Party hereby appoint each other Secured Party as agent for the purpose of perfecting the Agent's security interest in assets which, in accordance with the UCC in any applicable jurisdiction, can be perfected by possession or control. Should any Secured Party (other than the Agent) obtain possession or control of any such assets, such Secured Party shall notify the Agent thereof, and, promptly upon the Agent's request therefor, shall deliver such assets to the Agent or in accordance with the Agent's instructions or transfer control to the Agent in accordance with the Agent's instructions. Without limiting the provisions of Section 11.4(b), each Secured Party agrees that it will not have any right individually to enforce or seek to enforce any Security Document or to realize upon any Collateral for the Obligations unless instructed to do so by the Agent (or consented to by the Agent, as provided in Section 8.3), it being understood and agreed that such rights and remedies may be exercised only by the Agent.

Section 11.12 Notice of Default. The Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless the Agent shall have received written notice from a Purchaser or the Issuer referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." The Agent shall take such action with respect to such Default or Event of Default as may be requested by Required Purchasers (or all or such other portion of the Purchasers as shall be prescribed by this Agreement) in accordance with the terms hereof. Unless and until the Agent has received any such request, the Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable or in the best interests of the Purchasers.

Section 11.13 Successor Agent. The Agent may at any time give notice of its resignation to the Purchasers and the Issuer and the Required Purchasers may at any time remove the Agent by sending notice to the Issuer and the Agent. Upon receipt of any such notice of resignation or delivery of any such notice of removal, the Required Purchasers shall have the right to appoint a successor Agent. Upon the acceptance of a successor's appointment as the Agent hereunder and notice of such acceptance to the resigning Agent, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the resigning (or resigned) Agent, the resigning or removed Agent's resignation or removal shall become immediately effective and the resigning or removed Agent shall be discharged from all of its duties and obligations hereunder and under the other Financing Documents (if such resignation was not already effective and such duties and obligations not already discharged, as provided below in this paragraph). The fees payable by the Issuer to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Issuer and such successor. If no such successor shall have been so appointed by Required Purchasers and shall have accepted such appointment within thirty (30) days after the resigning Agent gives notice of its resignation, then the resigning Agent, from and following the expiration of such thirty (30) day period, (a) shall have the exclusive right, upon one (1) Business Day's notice to the Issuer and the Purchasers, to make its resignation effective immediately, and (b) may (but shall not be obligated to), on behalf of the Purchasers, appoint a successor Agent. From and following the effectiveness of its resignation or removal, (i) the resigning or removed Agent shall be discharged from its duties and obligations hereunder and under the other Financing Documents and (ii) all payments, communications and determinations provided to be made by, to or through the resigning or removed Agent shall instead be made by or to each Purchaser directly, until such time as Required Purchasers appoint a successor Agent as provided for above in this paragraph. The provisions of this Agreement shall continue in effect for the benefit of any resigning or removed Agent and its sub-agents after the effectiveness of its resignation or removal hereunder and under the other Financing Documents in respect of any actions taken or omitted to be taken by any of them while the resigning or removed Agent was acting or was continuing to act as the Agent.

Section 11.14 Right to Perform, Preserve and Protect. If any Credit Party fails to perform any obligation hereunder or under any other Financing Document, the Agent itself may, but shall not be obligated to, cause such obligation to be performed at Credit Parties' expense. The Agent is further authorized by Credit Parties and Secured Parties to make expenditures (including legal and other expenses incurred from time to time) from time to time which the Agent, in its reasonable business judgment, deems necessary or desirable to (a) preserve or protect the business conducted by Credit Parties, the Collateral, or any portion thereof, (b) enhance the likelihood of, or maximize the amount of, repayment of the Notes and other Obligations and/or (c) to enforce its rights and claims in the Collateral and against the Credit Parties and defend Agent's rights and interests in the Collateral and under the Financing Documents. Each Credit Party hereby agrees to reimburse the Agent for any and all costs, liabilities and obligations incurred by the Agent pursuant to this Section 11.14, in accordance with Section 9.1. Each Purchaser hereby agrees to indemnify the Agent upon demand for any and all costs, liabilities and obligations incurred by the Agent pursuant to this Section 11.14, in accordance with the provisions of Section 11.7. In addition, the Agent shall be entitled to request advances from time to time from the Purchasers for the purpose of covering the expenditures expected to be incurred pursuant to this Section 11.14.

Section 11.15 Additional Titled Agents. Except for rights and powers, if any, expressly reserved under this Agreement to any bookrunner, arranger or to any titled agent named on the cover page of this Agreement, other than the Agent (collectively, the “**Additional Titled Agents**”), and except for obligations, liabilities, duties and responsibilities, if any, expressly assumed under this Agreement by any Additional Titled Agent, no Additional Titled Agent, in such capacity, has any rights, powers, liabilities, duties or responsibilities hereunder or under any of the other Financing Documents. Without limiting the foregoing, no Additional Titled Agent shall have nor be deemed to have a fiduciary relationship with any Secured Party.

Section 11.16 Subordinated Debt and Junior Debt. Each Purchaser hereby irrevocably appoints, designates and authorizes the Agent to enter into any Additional Incremental Debt Intercreditor Agreement, any Junior Lien Intercreditor Agreement or any other subordination or intercreditor agreement pertaining to any Subordinated Debt, Junior Debt or other Debt permitted hereunder on its behalf and to take such action on its behalf under the provisions of any such agreement (subject to the last sentence of this Section 11.16). Subject to Section 12.5, Each Purchaser further agrees to be bound by the terms and conditions of any Additional Incremental Debt Intercreditor Agreement, any Junior Lien Intercreditor Agreement or any other subordination or intercreditor agreement pertaining to any Subordinated Debt or Junior Debt or other Debt permitted hereunder. Each Purchaser hereby authorizes the Agent to issue (and receive, as applicable) blockage notices in connection with any Subordinated Debt or Junior Debt at the direction of the Required Purchasers (it being agreed and understood that the Agent will not act unilaterally to issue such blockage notices). After the Closing Date, the Agent and the Issuer agree to negotiate a Junior Lien Intercreditor Agreement with the holders of the existing Junior Debt on terms reasonably satisfactory to the Agent and the Issuer, and in any event to execute such Junior Lien Intercreditor Agreement within 45 days after the Closing Date.

Section 11.17 Third Party Beneficiaries. The provisions of this Article 11 are solely for the benefit of the Secured Parties. Other than Section 11.10, Section 11.14 and Section 11.16, no Credit Party or any Subsidiary shall have any rights as a third-party beneficiary of any of the provisions of this Article 11. The provisions of this Article 11 and the other Financing Documents relating to Collateral shall benefit each Secured Party if, by accepting such benefits, such Secured Party agrees to be bound by the provisions of this Article 11 and all other provisions of the Financing Documents running to the benefit of the Agent from any Purchaser, as if each other Secured Party was a Purchaser hereunder. In furtherance of the foregoing, and as a condition to its acceptance of the benefits set forth above, each other Secured Party agrees that the Agent and each of the other Secured Parties shall be entitled to act in its sole discretion without regard to the interests of the Secured Party seeking the benefit hereof, without any duty or liability to such Secured Party and without having any duty to notify or seek the consent of such Secured Party prior to taking any action or omitting to take any action.

Section 11.18 Actions in Concert. For the sake of clarity, each Purchaser hereby agrees with each other Purchaser that no Purchaser shall take any action to protect or enforce its rights arising out of this Agreement, the Notes or any other Financing Document (including exercising any rights of setoff) without first obtaining the prior written consent of the Agent or the Required Purchasers, it being the intent of the Purchasers that any such action to protect or enforce rights under this Agreement the Notes and the other Financing Documents shall be taken in concert and at the direction or with the consent of the Agent or the Required Purchasers.

ARTICLE 12
MISCELLANEOUS

Section 12.1 Survival. All agreements, representations and warranties made herein and in every other Financing Document shall survive the execution and delivery of this Agreement and the other Financing Documents. The provisions of Articles 9, 10, 11 and 12 shall survive the Payment in Full of the Obligations (both with respect to any Purchaser and all Purchasers collectively) and any termination of this Agreement.

Section 12.2 No Waivers; Remedies Cumulative. No failure or delay by the Agent or any Purchaser in exercising any right, power or privilege under any Financing Document shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights and remedies herein and therein provided shall be cumulative and not exclusive of any rights or remedies provided by Law. Any reference in any Financing Document to the “continuing” nature of any Event of Default shall not be construed as establishing or otherwise indicating that any Credit Party has the independent right to cure any such Event of Default, but is rather presented merely for convenience should such Event of Default be waived in accordance with the terms of the applicable Financing Documents.

Section 12.3 Notices.

(a) All notices, requests and other communications to any party hereunder shall be in writing (including prepaid overnight courier, facsimile transmission, e-mail, electronic submissions or similar writing, but in no event by text message) and shall be given to such party at its address, facsimile number or e-mail address set forth on the signature pages hereof (or, in the case of any such Purchaser who becomes a Purchaser after the date hereof, in an Assignment Agreement or in a notice delivered to the Issuer and the Agent and each other Purchaser by the assignee Purchaser forthwith upon such assignment) or by electronic submissions, as provided below, or at such other address, facsimile number or e-mail address as such party may hereafter specify for the purpose by notice to the Agent, each other Purchaser and the Issuer; provided that notices, requests or other communications shall be permitted by e-mail or other electronic submissions (but in no event by text message) only in accordance with the provisions of Section 12.3(b). Each such notice, request or other communication shall be effective (i) if given by facsimile, when such notice is transmitted to the facsimile number specified by this Section and the sender receives a confirmation of transmission from the sending facsimile machine, (ii) if given by e-mail or other electronic submissions, as set forth in Section 12.3(c) or (iii) if given by mail, prepaid overnight courier or any other means, when received at the applicable address specified by this Section.

(b) Notices and other communications to the parties hereto may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites, but in no event by text message) provided, that the foregoing shall not apply to notices sent directly to any party hereto if such party has notified the other parties in writing that it has elected not to receive notices by electronic communication (which election may be limited to particular notices).

(c) (i) Notices and other communications sent to an e-mail address shall be deemed received upon the sender’s receipt of an acknowledgment from the intended recipient (such as by the “return receipt requested” function, as available, return e-mail or other written acknowledgment), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor, provided, that if any such notice or other communication is not sent or posted during normal business hours, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day.

Section 12.4 Severability. In case any provision of or obligation under this Agreement or any other Financing Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

Section 12.5 Amendments and Waivers.

(a) General Provisions. No provision of this Agreement or any other Financing Document may be amended, waived or otherwise modified unless such amendment, waiver or other modification is in writing and is signed or otherwise approved by the Issuer (other than with respect to any subordination or intercreditor agreement or terms pursuant to which any Debt and/or any Liens securing such Debt is Subordinated Debt or Junior Debt and the Liens securing the Obligations, none of which shall require the signature or approval of any Issuer) and Required Purchasers (or by the Agent with the prior written approval of Required Purchasers), and, if (i) any amendment, waiver or other modification would either increase a Purchaser's funding obligations in respect of any Note, by such Purchaser, and (ii) the rights or duties of the Agent are affected thereby, by the Agent; provided that no such amendment, waiver or other modification shall, unless signed or otherwise approved in writing by all Purchasers directly affected thereby (or by the Agent with the prior written approval of each such Purchaser), (A) reduce the principal of, rate of interest on, or any fees (including any make-whole or liquidated damage provisions) with respect to the Notes or forgive any principal, interest, or fees, other than (i) as a result of a waiver of an Event of Default and/or the default rate of interest pursuant to Section 2.4(b), or (ii) as a result of the implementation of any pricing grid with respect to interest rate margins and fees, (B) defer, extend or postpone the date fixed for, or waive or forgive, any payment (other than a payment pursuant to Section 2.3) of principal of the Notes, or of interest (other than the default rate of interest pursuant to Section 2.4(b)) on the Notes or fees hereunder or defer, extend or postpone the date of termination of the commitment of any Purchaser hereunder, (C) change the definition of the term Required Purchasers, (D) amend Article 2 or Section 8.4 in a manner that would alter the pro rata sharing of payments required thereby, (E) release all or substantially all of the Collateral, except as otherwise may be provided in this Agreement or the other Financing Documents (including in connection with any disposition permitted hereunder), (F) subordinate all or substantially all of the Collateral or subordinate the Obligations (other than in connection with (I) any Debt of the type permitted under Section 5.1(h) or Section 5.1(l), (II) any Real Estate Financing, any Sale Leaseback Transaction, any Permitted Floor Financing or any other Debt to the extent such Debt is permitted to be secured by a priority Lien under this Agreement and/or (III) any other financing that, in the case of this clause (III), is offered to each Purchaser on a pro rata basis and approved by the Required Purchasers and each Significant Purchaser), (G) amend, waive or otherwise modify compliance with Section 2.5(b), Section 4.16, Section 4.17, Sections 8.1(o), (p) or (q) or the definitions of the terms used in those Sections insofar as the definitions materially affect the substance of those Sections or (H) amend, waive or otherwise modify this Section 12.5(a) or the definitions of the terms used in this Section 12.5(a) insofar as the definitions affect the substance of this Section 12.5(a); provided that, notwithstanding anything herein to the contrary, (x) the waiver of (or amendment to the terms of) any mandatory prepayment of the Notes shall not constitute a postponement of any date scheduled for the payment of principal or interest and (y) a waiver of any condition precedent set forth in Article 7 or the waiver of any Default or Event of Default (in each case other than pursuant to Section 8.1(a)) shall not constitute a postponement of any date scheduled for, or a reduction in the amount of, any payment of interest or any payment of fees. It is hereby understood and agreed that all Purchasers shall be deemed directly affected by an amendment, waiver or other modification of the type described in the preceding clauses (C), (D), (E), (F) or (H) of the preceding sentence. Any waiver of any provision of this Agreement or any other Financing Document shall be effective only in the specific instance and for the specific purpose for which it is given. No delay on the part of the Agent or any Purchaser in the exercise of any right, power or remedy shall operate as a waiver thereof, nor shall any single or partial exercise by any of them of any right, power or remedy preclude other or further exercise thereof, or the exercise of any other right, power or remedy. Notwithstanding the foregoing or anything else to the contrary in any Financing Document (a) the Issuer and the holder of any Note hereunder may agree to amend, waive or otherwise modify the terms of such Note, and/or the Issuer and the holder of such Note may waive any right or condition under, or the protection of any provision under, this Agreement, solely with respect to, or relating to, the rights of such Purchaser, in each case, without the consent of any other Purchaser or any other party hereto and (b) any amendment, waiver or other modification of this Agreement that is approved by the Purchasers holding more than fifty percent (50%) of the aggregate principal amount of Tranche C Notes and Tranche D Notes (subject to clauses (A) through (H) above) shall be binding on all Purchasers holding Tranche C and Tranche D Notes, notwithstanding that the Required Purchasers at the time has not approved such amendment, waiver or modification; provided, however, no such amendment, waiver or modification shall be permitted to increase the principal amount of any Tranche C Notes.

(b) Agent. No amendment, waiver, modification, or consent shall amend, modify, or waive any provision of Article 11 pertaining to the Agent, or any other rights or duties of the Agent under this Agreement or the other Financing Documents, without the written consent of the Agent, the Issuer, and Required Purchasers; provided that any amendment reducing Agent's obligations or increasing or adding any fees, indemnities or other charges payable to Agent (other than proportional increases or additions to fees, indemnities, or other charges payable to Agent in connection with increases in the Obligations permitted under this Agreement and the other Financing Documents) shall require the consent of holders of a majority of the outstanding principal balance of the Notes that are not Affiliates of Agent.

(c) Miscellaneous. Anything in this Section 12.5 to the contrary notwithstanding, any amendment, modification, elimination, waiver, consent, termination, or release of, or with respect to, any provision of this Agreement or any other Financing Document that relates only to the relationship of the Purchasers and the Agent among themselves, and that does not affect the rights or obligations of Credit Parties, shall not require consent by or the agreement of any Credit Party.

Section 12.6 Assignments; Participations.

(a) Assignments.

(i) Subject to Section 4.13, any Purchaser may at any time assign to one or more Eligible Assignees all or any portion of such Purchaser's Notes, together with all related rights and obligations of such Purchaser hereunder, including for the avoidance of doubt, the rights of such Purchaser under Section 2.1(f) and any unfunded commitment of such Purchaser. Any purported assignment to any Person that is not an Eligible Assignee in accordance with the definition thereof shall be null and void. The amount of any such assignment (determined as of the date of the applicable Assignment Agreement or, if a "Trade Date" is specified in such Assignment Agreement, as of such Trade Date) shall be in a minimum aggregate amount equal to \$1,000,000 (unless such assignment is made to an existing Purchaser or an Affiliate or Approved Fund of any existing Purchaser or is of the assignor's (together with its Affiliates and Approved Funds) entire interest in the outstanding Notes); provided that, in connection with simultaneous assignments to two or more Affiliated Persons, including related Approved Funds, such Affiliated Persons and Approved Funds shall be treated as one assignee for purposes of determining compliance with the minimum assignment size referred to above. The Issuer, the Agent and the Purchasers shall be entitled to continue to deal solely and directly with such Purchaser in connection with the interests so assigned to an Eligible Assignee until the Purchasers and the Agent shall have received and accepted an effective Assignment Agreement executed, delivered and fully completed by the applicable parties thereto.

(ii) From and after the date on which the conditions described above have been met and recordation in the register described in paragraph (iii) below, (A) such Eligible Assignee shall be deemed automatically to have become a party hereto and, to the extent of the interests assigned to such Eligible Assignee pursuant to such Assignment Agreement, shall have the rights and obligations of a Purchaser hereunder and (B) the assigning Purchaser, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment Agreement, shall be released from its rights and obligations hereunder (other than those that survive termination pursuant to Section 12.1). Upon the request of the Eligible Assignee (and, as applicable, the assigning Purchaser) pursuant to an effective Assignment Agreement, each Issuer shall execute and deliver to such Eligible Assignee (and, as applicable, the assigning Purchaser) Notes in the aggregate principal amount of the Eligible Assignee's Notes (and, as applicable, Notes in the principal amount of the Notes retained by the assigning Purchaser). Upon receipt by the assigning Purchaser of such Note (or commitments, as applicable), the assigning Purchaser shall promptly return to the Issuer any prior Note held by it.

(iii) The Issuer shall maintain at its offices a copy of each Assignment Agreement delivered to it and a register for the recordation of the names and addresses of each Purchaser, and the commitments of, and principal amount and interest of the Notes owing to, such Purchaser pursuant to the terms hereof. The entries in such register shall be conclusive, absent manifest error, and the Issuer, the Agent and the Purchasers may treat each Person whose name is recorded therein pursuant to the terms hereof as a Purchaser hereunder for all purposes of this Agreement. Such register shall be available for inspection by the Agent and any Purchaser (provided that each Purchaser's right of inspection shall be limited to information about such Purchaser), at any reasonable time upon reasonable prior notice to the Issuer. Any assignment may be effected only upon the registration thereof as provided in this paragraph (iii).

(iv) Notwithstanding the foregoing provisions of this Section 12.6(a) or any other provision of this Agreement, any Purchaser may at any time pledge or grant a security interest in all or any portion of its rights under this Agreement to secure obligations of such Purchaser, including any pledge or grant to secure obligations to a Federal Reserve Bank or to a trustee as security for the benefit of its noteholders, other security holders or creditors of a Purchaser; provided that no such pledge or grant shall release such Purchaser from any of its obligations hereunder or substitute any such pledgee or grantee for such Purchaser as a party hereto.

(b) Participations. Subject to Section 4.13, any Purchaser may at any time, without the consent of, or notice to, the Issuer or the Agent, sell to one or more Persons participating interests in its Notes, commitments or other interests hereunder (any such Person, a "**Participant**"), provided, no participation shall be made to any Credit Party or any of their respective Affiliates, any natural person or any Disqualified Purchaser. In the event of a sale by a Purchaser of a participating interest to a Participant, (i) such Purchaser's obligations hereunder shall remain unchanged for all purposes, (ii) the Issuer and the Agent shall continue to deal solely and directly with such Purchaser in connection with such Purchaser's rights and obligations hereunder and (iii) all amounts payable by the Issuer shall be determined as if such Purchaser had not sold such participation and shall be paid directly to such Purchaser. Notwithstanding the foregoing, however, the Issuer agrees that each Participant shall be entitled to the benefits of Section 10.1 as if it were a Purchaser (provided that such Participant complies with the requirements of Section 10.1(d) and (e) as if it were a Purchaser; provided further, that no Participant shall receive any greater compensation pursuant to Section 10.1 than would have been paid to the participating Purchaser if no participation had been sold). No Participant shall have any direct or indirect voting rights hereunder except with respect to any event described in Section 12.5 expressly requiring the unanimous vote of all Purchasers or, as applicable, all affected Purchasers. The Issuer agrees that if amounts outstanding under this Agreement are due and payable (as a result of acceleration or otherwise), each Participant shall be deemed to have the right of setoff in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Purchaser under this Agreement; provided that such right of setoff shall be subject to the obligation of each Participant to share with the Purchasers, as provided in Section 8.3. In the event that a Purchaser sells a participation, the Purchaser, as a non-fiduciary agent on behalf of the Issuer, shall maintain (or cause to be maintained) in the United States a register (the "**Participant Register**") on which it enters the name and addresses of all participants in the Obligations held by it and the rights of such participants in the Obligations (including principal amount, interest thereon, and fees of the portion of such Obligations that is subject to such participations). No Purchaser shall have an obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Note or any Obligation), except as otherwise required by applicable Law and to the Issuer at its reasonable request and then, solely to the extent that such disclosure is required to establish that such participation, Note or Obligation is in registered form under Sections 5f.103-1(c) and 1.871-14(c) of the Treasury Regulations. Any participation or transfer thereof may be effected only by the registration of such participation on the Participant Register.

(c) Credit Party Assignments. No Credit Party may assign, delegate or otherwise transfer any of its rights or other obligations hereunder or under any other Financing Document without the prior written consent of the Agent and each Purchaser.

Section 12.7 Headings. Headings and captions used in the Financing Documents (including the Exhibits, Schedules and Annexes hereto and thereto) are included for convenience of reference only and shall not be given any substantive effect.

Section 12.8 [Reserved].

Section 12.9 Waiver of Consequential and Other Damages. To the fullest extent permitted by applicable Law, no Credit Party shall assert, and each hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of this Agreement, any other Financing Document or any agreement or instrument contemplated hereby or thereby, the transactions contemplated hereby or thereby, any Notes or the use of the proceeds thereof. No Indemnitee shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Financing Documents or the transactions contemplated hereby or thereby.

Section 12.10 Marshaling; Payments Set Aside. Neither the Agent nor any other Secured Party shall be under any obligation to marshal any assets in payment of any or all of the Obligations. To the extent that the Issuer or any other Credit Party makes any payment or the Agent enforces its Liens or the Agent or any Purchaser exercises its right of setoff, and such payment or the proceeds of such enforcement or setoff is subsequently invalidated, declared to be fraudulent or preferential, set aside, or required to be repaid by anyone, then to the extent of such recovery, the Obligations or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor, shall be revived and continued in full force and effect as if such payment had not been made or such enforcement or setoff had not occurred.

Section 12.11 GOVERNING LAW; SUBMISSION TO JURISDICTION.

THIS AGREEMENT AND EACH OTHER FINANCING DOCUMENT, AND ALL MATTERS RELATING HERETO OR THERETO OR ARISING THEREFROM (WHETHER SOUNDING IN CONTRACT LAW, TORT LAW OR OTHERWISE), SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES. EACH PARTY HERETO HEREBY CONSENTS TO THE JURISDICTION OF ANY STATE OR FEDERAL COURT LOCATED WITHIN THE BOROUGH OF MANHATTAN, CITY OF NEW YORK, STATE OF NEW YORK AND IRREVOCABLY AGREES THAT, SUBJECT TO THE AGENTS' ELECTION, ALL ACTIONS OR PROCEEDINGS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE OTHER FINANCING DOCUMENTS SHALL BE LITIGATED IN SUCH COURTS. EACH PARTY HERETO EXPRESSLY SUBMITS AND CONSENTS TO THE JURISDICTION OF THE AFORESAID COURTS AND WAIVES ANY DEFENSE OF FORUM NON CONVENIENS. EACH PARTY HERETO HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE UPON SUCH PARTY BY CERTIFIED OR REGISTERED MAIL, ADDRESSED TO SUCH PARTY AT THE ADDRESS SET FORTH IN OR IN ACCORDANCE WITH THIS AGREEMENT AND SERVICE SO MADE SHALL BE COMPLETE TEN (10) DAYS AFTER THE SAME HAS BEEN POSTED.

Section 12.12 WAIVER OF JURY TRIAL.

EACH CREDIT PARTY, THE AGENT AND EACH PURCHASER HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THE FINANCING DOCUMENTS OR THE TRANSACTIONS CONTEMPLATED THEREBY AND AGREES THAT ANY SUCH ACTION OR PROCEEDING SHALL BE TRIED BEFORE A COURT AND NOT BEFORE A JURY. EACH CREDIT PARTY, THE AGENT AND EACH PURCHASER ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT IT HAS RELIED ON THE WAIVER IN ENTERING INTO THIS AGREEMENT AND THE OTHER FINANCING DOCUMENTS, AND THAT IT WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH CREDIT PARTY, THE AGENT AND EACH PURCHASER WARRANTS AND REPRESENTS THAT IT HAS HAD THE OPPORTUNITY OF REVIEWING THIS JURY WAIVER WITH LEGAL COUNSEL, AND THAT EACH KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS.

Section 12.13 [Reserved].

Section 12.14 Counterparts; Signatures; Integration. This Agreement and the other Financing Documents may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Signatures by facsimile or other electronic communication to any Financing Document shall bind the parties to the same extent as would a manually executed counterpart. This Agreement and the other Financing Documents constitute the entire agreement and understanding among the parties hereto and supersede any and all prior agreements and understandings, oral or written, relating to the subject matter hereof.

Section 12.15 No Strict Construction. The parties hereto have participated jointly in the negotiation and drafting of this Agreement and each of the other Financing Documents. In the event an ambiguity or question of intent or interpretation arises, this Agreement and each of the other Financing Documents shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provisions of this Agreement or any other Financing Document.

Section 12.16 USA PATRIOT Act Notification. The Agent (for itself and not on behalf of any Purchaser) and each Purchaser hereby notifies Credit Parties that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record certain information and documentation that identifies Credit Parties, which information includes the name and address of each Credit Party and such other information that will allow the Agent or such Purchaser, as applicable, to identify Credit Parties in accordance with the USA PATRIOT Act.

Section 12.17 Joint and Several Liabilities.

(a) Joint and Several. Each Credit Party hereby agrees that such Credit Party is jointly and severally liable for the full and prompt payment (whether at stated maturity, by acceleration or otherwise) and performance of, all Obligations owed or hereafter owing to the Agent and the Purchasers by each other Credit Party pursuant to the terms of this Agreement and the other Financing Documents. Each Credit Party agrees that its obligations hereunder shall not be discharged until Payment in Full, and that its obligations under this Section 12.17 shall be absolute and unconditional, irrespective of, and unaffected by,

(i) the effect on the other Credit Parties of (A) any lack of genuineness, validity, regularity, or enforceability of or (B) any future amendment of, or change in, this Agreement, any other Financing Document or any other agreement, document or instrument to which any Credit Party is or may become a party;

(ii) the absence of any action to enforce this Agreement (including this Section 12.17) or any other Financing Document or the waiver or consent by the Agent and the Purchasers with respect to any of the provisions thereof;

(iii) the existence, value or condition of, or failure to perfect its Lien against, any security for the Obligations or any action, or the absence of any action, by the Agent and the Purchasers in respect thereof (including the release of any such security);

(iv) the insolvency of any Credit Party; or

(v) any other action or circumstances that might otherwise constitute a legal or equitable discharge or defense of a surety or guarantor (other than a defense of the occurrence of Payment in Full).

(b) Benefit of Joint and Several Obligations. Each Credit Party agrees that the provisions of this Section 12.17 are for the benefit of the Agent and the Purchasers and their respective successors, transferees, endorsees and assigns, and nothing herein contained shall impair, as between all Credit Parties and the Agent or the Purchasers, the obligations of the Credit Parties under the Financing Documents.

Section 12.18 Guarantee and Collateral Agreement. Without limiting the foregoing, reference is hereby made to Section 2 of the Guarantee and Collateral Agreement, to which each of the Credit Parties is subject.

ARTICLE 13 REPRESENTATIONS AND WARRANTIES OF THE PURCHASERS

Each Purchaser hereby represents and warrants as follows:

Section 13.1 Authorization; No Contravention. The execution, delivery and performance by each Purchaser of this Agreement and each other Financing Document to which it is a party: (a) is within its power and authority and has been duly authorized by all necessary action; (b) does not contravene the terms of its Organizational Documents or any amendment thereof; and (c) will not violate, conflict with or result in any breach or contravention of any of its contractual obligations, or any order or decree directly relating to it.

Section 13.2 Binding Effect. This Agreement has been duly executed and delivered by the Purchasers and this Agreement constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, or similar laws affecting the enforcement of creditors' rights generally or by equitable principles relating to enforceability.

Section 13.3 No Legal Bar. The execution, delivery and performance of this Agreement by each Purchaser will not violate any requirement of Law applicable to it.

Section 13.4 Securities Laws.

(a) The Securities are being or will be acquired by each Purchaser hereunder for the purpose of investment for its own account, not as a nominee or agent, and not with the view to, or for resale in connection with, any distribution thereof in any transaction which would be in violation of the Securities Act or state securities laws or which would require the issuance and sale of the Securities hereunder to be registered under the Securities Act, subject, however, to the disposition of each Purchaser's property being at all times within its control. Each Purchaser has no present intention of selling, granting any participation in, or otherwise distributing the Securities in violation of the Securities Act. Each Purchaser does not have any agreement or understanding, whether or not legally binding, direct or indirect, with any other Person to sell or otherwise distribute the securities to be issued to it hereunder.

(b) Each Purchaser is an "accredited investor" as (as defined in Rule 144A under the Securities Act of 1933 as amended (the "Securities Act")), or (2) an institutional "accredited investor" (as described in Rule 501(a)(1), (2), (3) or (7) of Regulation D promulgated under the Securities Act) with such knowledge and experience in financial and business matters as are necessary in order to evaluate the merits and risks of an investment in the Securities, and understands that the offer and sale of the Securities meets the exemptions from filing under FINRA Rule 5123(b)(1)(C) or (J); and (i) such Purchaser (1) is an institutional account as defined in FINRA Rule 4512(c), (2) is a sophisticated investor, experienced in investing in private equity transactions and capable of evaluating investment risks independently, both in general and with regard to all transactions and investment strategies involving a security or securities and (3) has exercised independent judgment in evaluating its participation in the purchase of the Securities, and accordingly, understands that the placement of the Securities meets (x) the exemptions from filing under FINRA Rule 5123(b)(1)(A) and (y) the institutional customer exemption under FINRA Rule 2111(b).

(c) Each Purchaser understands that (i) the Securities constitute “restricted securities” under the Securities Act, (ii) it must bear the economic risk of its investment in the Securities for an indefinite period of time because the Securities are not registered under the Securities Act or any applicable state securities law and may not be resold unless subsequently registered under the Securities Act and such other laws or unless an exemption from registration is available (iii) the offer and sale of the Securities hereunder is not registered under the Securities Act or under any “blue sky” laws in reliance upon certain exemptions from such registration and that the Credit Parties are relying on the representations made herein by each Purchaser in its determination of whether such specific exemptions are available, and (iv) the Securities may not be transferred except pursuant to an effective registration statement under the Securities Act, or under an exception from such registration available under the Securities Act, and under applicable “blue sky” laws or in a transaction exempt from such registration. Furthermore, each Purchaser understands that the Issuer may not be eligible to conduct an offering pursuant to Regulation D. Each Purchaser acknowledges that: (A) it has no right to require registration of the Notes or Warrants under the Securities Act or any “blue sky” laws, and (B) there is not now and is not contemplated to be any public market for the Notes or Warrants. As a result, each Purchaser is prepared to bear the economic risk of an investment in the Notes and Warrants for an indefinite period of time.

(d) Each Purchaser and its advisors (i) have been furnished with or have had access to all material books and records of the Credit Parties and all of its material contracts, agreements and documents and (ii) have had an opportunity to ask questions of, and receive answers, and to obtain any additional information to verify the accuracy of any information previously furnished, from management and representatives of the Credit Parties and which representatives have made available to them such information regarding the Credit Parties and their current respective businesses, operations, assets, finances, financial results, financial condition and prospects in order to make a fully informed decision to purchase and acquire the Securities. Without limiting the generality of the forgoing, each Purchaser has not relied on any statements or other information provided by anyone (including, without limitation, the Placement Agents, and any of their respective affiliates or any control persons, officers, directors, employees, partners or agents of any of the forgoing) other than the Company concerning the Company, the Securities or the offer and sale of the Securities. Each Purchaser acknowledges that it has made its own assessment and is satisfied concerning the relevant tax and other economic considerations relevant to the Purchaser’s acquisition of the Securities. Each Purchaser acknowledges and agrees that (i) none of the Placement Agents, or any affiliate of the Placement Agents, has provided such Purchaser with any information or advice with respect to the Securities nor is such information or advice necessary or desired and (ii) none of the Placement Agents nor any of their respective affiliates has prepared any disclosure or offering document in connection with the offer and sale of the Securities. None of the Placement Agents or any of their respective affiliates has made or makes any representation as to the Company or the quality or value of the Securities and the Placement Agents and any of their respective affiliates may have acquired non-public information with respect to the Company, which each Purchaser agrees need not be provided to it. In connection with the issuance of the Securities to each Purchaser, none of the Placement Agents or any of their respective affiliates has acted as an underwriter with respect to the Securities or the transactions contemplated by this Agreement, or as a financial advisor or fiduciary to any Purchaser.

(e) Each Purchaser has generally such knowledge and experience in business and financial matters, and with respect to investments in securities of privately held companies, as to enable it to understand and evaluate the risks of an investment in the Securities and form an investment decision with respect thereto. The foregoing, however, does not limit or modify the representations and warranties set forth in Article 3 of this Agreement or in any other Financing Document or the right of the Purchasers to rely thereon.

(f) Each Purchaser understands that the exemption from registration of resales of the Securities afforded by Rule 144 (the provisions of which are known to the Purchaser) promulgated pursuant to the Securities Act depends on the satisfaction of various conditions, including the requirement that the Credit Parties have been subject to the reporting requirements of Section 13 or Section 15 of the Securities Act for at least ninety (90) days and that, if applicable, Rule 144 affords the basis for such sales only in limited amounts and that the Credit Parties do not now qualify under Rule 144 and may not ever. Each Purchaser understands that nothing in this Agreement shall require the Credit Parties or any of their Subsidiaries to make any filing under the Securities Act or Exchange Act which the Credit Parties or their Subsidiaries are not otherwise obligated to make.

Section 13.5 Governmental Authorization; Third Party Consent. No approval, consent, compliance, exemption or authorization of any Governmental Authority or any other Person in respect of any requirement of Law, and no lapse of a waiting period under a requirement of Law, is necessary or required in connection with the execution, delivery or performance by it or enforcement against the Purchasers of this Agreement or the transactions contemplated hereby. No consent is required to be obtained under any contractual obligation applicable to the Purchasers in connection with the execution, delivery or performance of this Agreement or any of the other Financing Documents to which it is a party.

Section 13.6 No Related Party Relationships. Except as set forth in Schedule 13.6 or as otherwise disclosed to the Issuer in writing, each Purchaser and its direct or indirect equityholders and their respective affiliates are not affiliates or direct or indirect equityholders of, have no direct or indirect economic interest in, and have not directly or indirectly entered into any agreement, arrangement or understanding (except as expressly set forth in the preceding sentence) with, any director, officer, employee, manager, partner or equityholder (or any of their respective immediate family members (as defined in 40 CFR § 170.305) or any affiliate or spouse of any such director, officer, employee, manager, partner, equityholder or immediate family member) of any other Purchaser, FF Global Partners LLC, FF Top Holding LLC, or any of their respective affiliates (each, a "Related Person"). The transactions contemplated by or related to this Agreement will not directly or indirectly increase any Related Person's ownership or voting power of the Issuer, and no Related Person will, directly or indirectly, participate in any of the post-closing operations or decisions of or have any other rights or obligations with respect to such Purchaser or any of its direct or indirect equityholders or any of their respective affiliates. Notwithstanding the foregoing, nothing in this Section 13.6 or otherwise in this Agreement shall prohibit any Purchaser from the right to enter into any voting agreement or grant a voting proxy at any time and on any terms, with or to FF Top Holding LLC with respect to any shares of Common Stock held by such Purchaser.

Section 13.7 Organization. Each Purchaser is duly organized, validly existing and in good standing under the laws of its state of organization, and except as has not had or would not reasonably be expected to have a material adverse effect on such Purchaser's ability to perform its obligations under the Agreement or to consummate the transactions contemplated hereby on a timely basis. Each Purchaser is duly qualified to do business and is in good standing in all jurisdictions where its ownership or leasing of property or the conduct of its business requires it to be so qualified.

Section 13.8 Independent Investment Decision.

(a) Each Purchaser has independently evaluated the merits of its decision to purchase the Securities pursuant to this Agreement and conducted and relied upon its own due diligence investigation of the Company and its own in-depth analysis of the merits and risks of the purchase of the Securities. Each Purchaser understands that nothing in this Agreement or any other materials presented by or on behalf of the Issuer to such Purchaser in connection with the purchase of the Securities constitutes legal, tax or investment advice. Each Purchaser is a sophisticated institutional accredited investor with extensive expertise and experience in financial and business matters and in evaluating private companies and purchasing and selling their securities and has such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Securities, and has consulted such legal, tax and investment advisors as it, in its sole discretion, has deemed necessary or appropriate in connection with its purchase of the Securities. Without limiting the generality of the foregoing, each Purchaser has not relied on any statements, representations, warranties or other information provided by the Placement Agents, any of their respective affiliates or any control persons, officers, directors, employees, partners, agents or representatives of any of the foregoing, concerning the Company or the Securities.

(b) No Placement Agent has provided any advice or recommendation in connection with the offer and sale of the Securities, and no Placement Agent will have any responsibility with respect to (i) any representations, warranties or agreements made by any person or entity under or in connection with the offer and sale of the Securities or any of the documents furnished pursuant thereto or in connection therewith, or the execution, legality, validity or enforceability (with respect to any person) or any thereof, or (ii) the business, affairs, financial condition, operations, properties or prospects of, or any other matter concerning the Company or the Securities.

Section 13.9 No Governmental Review. Each Purchaser understands that no U.S. federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Securities or the fairness or suitability of the investment in the Securities nor have such authorities passed upon or endorsed the merits of the offering of the Securities.

Section 13.10 Residency. Each Purchaser's office in which its investment decision with respect to the Securities was made is located at the address set forth for such Purchaser set forth on such Purchaser's signature page to this Agreement.

Section 13.11 Ownership. Such Purchaser and its Affiliates are not the direct or indirect owner of record or beneficial owner of shares of Common Stock, securities convertible into or exchangeable for Common Stock, or any other equity or equity-linked security of the Issuer.

Section 13.12 No Brokers. Other than with respect to the Placement Agents, no Person will have, as a result of the transactions contemplated by this Agreement, any valid right, interest or claim against or upon the Issuer or any Purchaser for any commission, fee or other compensation pursuant to any agreement, arrangement or understanding entered into by or on behalf of any Purchaser.

Section 13.13 No Reliance. Each Purchaser is not relying upon, and has not relied upon, any statement, representation or warranty made by any Person, except for the representations and warranties by the Issuer contained in this Agreement.

Section 13.14 Financial Capacity. Each Purchaser has, and as of the Closing Date, the Sixth Bridge Closing Date, each Tranche C Closing Date and/or Subsequent Closing Date (as applicable) will have, sufficient cash on hand in a U.S. bank account or uncalled capital commitments from creditworthy parties without any condition to fund such Purchaser's Bridge Note Commitment, commitment to purchase Tranche C Notes and/or Incremental Note Commitment (as applicable) on the terms and conditions set forth in this Agreement. Such cash has been obtained by such Purchaser in compliance with all applicable Laws.

Section 13.15 No Liability of Placement Agents; Placement Agent Reliance.

(a) Each Purchaser agrees that no Placement Agent or their respective affiliates or any of their respective control persons, officers, directors or employees shall be liable to such Purchaser (including in contract, tort, under federal or state securities laws or otherwise) for any action heretofore or hereafter taken or omitted to be taken by any of them or have any liability or obligation (including without limitation, for or with respect to any losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses or disbursements incurred by the Placement Agent, the Company or any other person or entity), whether in contract, tort or otherwise, to such Purchaser, or to any person claiming through such Purchaser, in respect of the offer and sale of Securities hereunder, as expressly provided herein, or for any actual or alleged inaccuracies, misstatements or omissions with respect to any information or materials of any kind provided to the Purchaser concerning the Company, the Securities, this Agreement or the transactions contemplated hereby. On behalf of it and their respective affiliates, each Purchaser releases the Placement Agents in respect of any losses, claims, damages, obligations, penalties, judgments, awards, liabilities, costs, expenses or disbursements related to the offer and sale of the Securities. Each Purchaser agrees not to commence any litigation or bring any claim against any of the Placement Agents in any court or any other forum which relates to, may arise out of, or is in connection with, the offer and sale of the of Securities. Each Purchaser confirms that the undertakings in this paragraph is given freely and after obtaining independent legal advice.

(b) The Placement Agents may rely upon these representations and warranties of the Purchasers in this Agreement.

Section 13.16 Non-Recourse. Each Purchaser's contractual obligations hereunder shall be without recourse to its Affiliates, and the officers, directors, employees, managers, trustees and other agents of such Purchaser or its Affiliates. Each Credit Parties' contractual obligations hereunder or under any Financing Document shall be without recourse to its Affiliates (other than any Affiliate that is a Credit Party), and the officers, directors, employees, managers, trustees and other agents of such Credit Party or its Affiliates.

Section 2. Interest.

- (a) The Issuer shall pay interest to the Holder on the aggregate unconverted and then outstanding principal amount of this Note (including any Make-Whole Amount payable upon conversion of this Note) at the rate of 10% per annum, payable quarterly on January 1, April 1, July 1 and October 1, beginning on the first such date after the Closing Date, on each Conversion Date and on the Maturity Date (each such date, an “Interest Payment Date”) (if any Interest Payment Date is not a Business Day, then the applicable payment shall be due on the next succeeding Business Day), in cash or, at the Issuer’s option, in duly authorized, validly issued, fully paid and non-assessable shares of Common Stock (the “Interest Conversion Shares”) at the Interest Conversion Rate (the dollar amount to be paid in shares, the “Interest Share Amount”) or a combination thereof; provided, however, that payment in shares of Common Stock may only occur if (i) all of the Equity Conditions have been met (unless waived by the Holder in writing) on the applicable Interest Payment Date (the “Interest Notice Period”) and through and including the date such shares of Common Stock are actually issued to the Holder, (ii) the Issuer shall have given the Holder notice in accordance with the notice requirements set forth below (other than the Make-Whole Amount which shall require notice from the Company within three (3) Trading Days of a Notice of Conversion), (iii) as to any Interest Share Amount, the effective rate of interest shall be calculated at 15% per annum and (iv) as to interest only (but not the Make-Whole Amount) at least 0% of interest must be paid in cash. Notwithstanding anything to the contrary, during any periods that the Note is outstanding and an Event of Default is occurring, the interest rate shall be 15% per annum if paid in cash only and 18% if paid in cash and stock otherwise as set forth above.
- (b) Subject to the terms and conditions herein, the decision whether to pay interest hereunder in cash, shares of Common Stock or a combination thereof shall be at the sole discretion of the Issuer. Prior to the commencement of any Interest Notice Period, the Issuer shall deliver to the Holder a written notice of its election to pay interest hereunder on the applicable Interest Payment Date either in cash, shares of Common Stock or a combination thereof (other than with respect to any Make-Whole Payment which election shall be made within three (3) Trading Days of the applicable Conversion Date). During any Interest Notice Period (or after the election is made in connection with a Make-Whole Payment), the Issuer’s election (whether specific to an Interest Payment Date or continuous) shall be irrevocable as to such Interest Payment Date. Subject to the aforementioned conditions, failure to timely deliver such written notice to the Holder shall be deemed an election by the Issuer to pay the interest on such Interest Payment Date in cash.

- (c) Interest shall be calculated on the basis of a 360-day year, consisting of twelve 30 calendar day periods, and shall accrue daily commencing on the Closing Date until payment in full of the outstanding principal, together with all accrued and unpaid interest, liquidated damages and other amounts which may become due hereunder, has been made. Payment of interest in shares of Common Stock (other than the Interest Conversion Shares issued prior to an Interest Notice Period) shall otherwise occur pursuant to Section 3 herein and, solely for purposes of the payment of interest in shares, the Interest Payment Date shall be deemed the Conversion Date. Interest shall cease to accrue with respect to any principal amount converted; provided that, the Issuer actually delivers the Conversion Shares within the time period required by Section 3(c) herein. Interest hereunder will be paid to the Person in whose name this Note is registered on the records of the Issuer regarding registration and transfers of this Note (the "Note Register"). Except as otherwise provided herein, if at any time the Issuer pays interest partially in cash and partially in shares of Common Stock to the holders of the Notes, then such payment of cash shall be distributed ratably among the holders of the then-outstanding Notes based on the initial principal amount of their (or their predecessor's) Notes issued pursuant to the Securities Purchase Agreement or the Exchange Agreement, as applicable.
- (d) All overdue accrued and unpaid interest to be paid hereunder shall entail a late fee at an interest rate equal to the lesser of 18% per annum or the maximum rate permitted by applicable law (the "Late Fees") which shall accrue daily from the date such interest is due hereunder through and including the date of actual payment in full. Notwithstanding anything to the contrary contained herein, if, on any Interest Payment Date the Issuer has elected to pay accrued interest in the form of Common Stock but the Issuer is not permitted to pay accrued interest in Common Stock because it fails to satisfy the conditions for payment in Common Stock set forth in Section 2(a) herein, then, at the option of the Holder, the Issuer, in lieu of delivering either shares of Common Stock pursuant to this Section 2 or paying the regularly scheduled interest payment in cash, shall deliver, within three (3) Trading Days of each applicable Interest Payment Date, an amount in cash equal to the product of (x) the number of shares of Common Stock otherwise deliverable to the Holder in connection with the payment of interest due on such Interest Payment Date multiplied by (y) the highest VWAP during the period commencing on the Interest Payment Date and ending on the Trading Day prior to the date such payment is actually made.

Section 3. Conversion.

- (a) Voluntary Conversion. At any time after the date that hereof until this Note is no longer outstanding, this Note shall be convertible, in whole or in part, into shares of Common Stock at the option of the Holder, at any time and from time to time (subject to the conversion limitations set forth in Section 3(d) and Section 3(e) hereof) (each a "Conversion"). The Holder shall effect conversions by delivering to the Issuer a Notice of Conversion, the form of which is attached hereto as Annex A (each, a "Notice of Conversion"), specifying therein the principal amount of this Note to be converted, the Make-Whole Amount (as defined below) and the date on which such conversion shall be effected (such date, the "Conversion Date"). If no Conversion Date is specified in a Notice of Conversion, the Conversion Date shall be the date that such Notice of Conversion is deemed delivered hereunder. No ink-original Notice of Conversion shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Conversion form be required. To effect conversions hereunder, the Holder shall not be required to physically surrender this Note to the Issuer unless the entire principal amount of this Note, plus all accrued and unpaid interest thereon, has been so converted in which case the Holder shall surrender this Note as promptly as is reasonably practicable after such conversion without delaying the Issuer's obligation to deliver the shares on the Share Delivery Date. Conversions hereunder shall have the effect of lowering the outstanding principal amount of this Note in an amount equal to the applicable conversion. The Holder and the Issuer shall maintain records showing the principal amount(s) converted and the date of such conversion(s). The Issuer may deliver an objection to any Notice of Conversion within one (1) Business Day of delivery of such Notice of Conversion. **The Holder, and any assignee by acceptance of this Note, acknowledge and agree that, by reason of the provisions of this paragraph, following conversion of a portion of this Note, the unpaid and unconverted principal amount of this Note may be less than the amount stated on the face hereof.**

- (b) Conversion Price. The conversion price in effect on any Conversion Date shall be equal to \$1.05, subject to adjustment as set forth herein (the “Conversion Price”).
- (c) Mechanics of Conversion.
- i. Conversion Shares Issuable Upon Conversion of Principal Amount. The number of Conversion Shares issuable upon a conversion hereunder shall be determined by the quotient obtained by dividing the outstanding principal amount of this Note to be converted by the Conversion Price. Additionally, on each Conversion Date, the Company shall pay to the Holder, in cash, the sum of (A) all accrued interest on this Note to date plus (B) all interest that would otherwise accrue on such principal amount of this Note if such converted principal would be held to five years after the date hereof (the amount in clause (B), (the “Make-Whole Amount”) minus (C) 50% of the original issue discount in respect of such converted portion of this Note; provided, however, at the election of the Company, such interest and Make-Whole Amount may be paid in a combination of cash and Common Stock, otherwise pursuant to the terms of Section 2.
 - ii. Delivery of Conversion Shares Upon Conversion. Not later than two (2) Trading Days after each Conversion Date (the “Share Delivery Date”), the Issuer shall deliver, or cause to be delivered, to the Holder (A) the Conversion Shares which, on or after the earlier of (i) the six month anniversary of the Closing Date to the extent permitted under the Securities Act or (ii) the Effective Date, shall be free of restrictive legends and trading restrictions (other than those which may then be required by applicable securities laws) representing the number of Conversion Shares being acquired upon the conversion of this Note and (B) a bank check in the amount of accrued and unpaid interest (if the Issuer has elected or is required to pay accrued interest in cash). On or after the earlier of (i) the six-month anniversary of the Closing Date to the extent permitted under the Securities Act or (ii) the Effective Date, the Issuer shall deliver any Conversion Shares required to be delivered by the Issuer under this Section 3 electronically through the Depository Trust Company or another established clearing corporation performing similar functions.
 - iii. Failure to Deliver Conversion Shares. If, in the case of any Notice of Conversion, such Conversion Shares are not delivered to or as directed by the applicable Holder by the 3rd Trading Day following the Share Delivery Date, the Holder shall be entitled to elect by written notice to the Issuer at any time on or before its receipt of such Conversion Shares, to rescind such Conversion, in which event the Issuer shall promptly return to the Holder any original Note delivered to the Issuer and the Holder shall promptly return to the Issuer the Conversion Shares issued to such Holder pursuant to the rescinded Conversion Notice.
 - iv. Obligation Absolute; Partial Liquidated Damages. The Issuer’s obligations to issue and deliver the Conversion Shares upon conversion of this Note in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by the Holder or any other Person of any obligation to the Issuer other than the terms hereof, and irrespective of any other circumstance (other than a violation of law) which might otherwise limit such obligation of the Issuer to the Holder in connection with the issuance of such Conversion Shares; provided, however, that such delivery shall not operate as a waiver by the Issuer of any such action the Issuer may have against the Holder. In the event the Holder of this Note shall elect to convert any or all of the outstanding principal amount hereof in accordance with the terms hereof, the Issuer may not refuse conversion based on any claim that the Holder or anyone associated or affiliated with the Holder has been engaged in any violation of any other agreement or for any other reason (other than a violation of law), unless an injunction from a court, on notice to Holder, restraining and or enjoining conversion of all or part of this Note shall have been sought and obtained. In the absence of such injunction, the Issuer shall issue Conversion Shares or, if applicable, cash, upon a properly noticed conversion. If the Issuer fails for any reason to deliver to the Holder such Conversion Shares pursuant to Section 3(c)(ii) by the 3rd Trading Day following the Share Delivery Date, the Issuer shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of principal amount being converted, \$5 per Trading Day for each Trading Day after such 3rd Trading Day following the Share Delivery Date until such Conversion Shares are delivered or Holder rescinds such conversion.

- v. Compensation for Buy-In on Failure to Timely Deliver Conversion Shares Upon Conversion. In addition to any other rights available to the Holder, if the Issuer fails for any reason to deliver to the Holder such Conversion Shares by the 3rd Trading Day following the Share Delivery Date pursuant to Section 3(c)(ii), and if after such 3rd Trading Day following the Share Delivery Date the Holder is required by its brokerage firm to purchase (in an open market transaction or otherwise), or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Conversion Shares which the Holder was entitled to receive upon the conversion relating to such 3rd Trading Day following the Share Delivery Date (a "Buy-In"), then the Issuer shall (A) pay in cash to the Holder (in addition to any other remedies available to or elected by the Holder) the amount, if any, by which (x) the Holder's total purchase price (including any brokerage commissions) for the Common Stock so purchased exceeds (y) the product of (1) the aggregate number of shares of Common Stock that the Holder was entitled to receive from the conversion at issue multiplied by (2) the actual sale price at which the sell order giving rise to such purchase obligation was executed and (B) at the option of the Holder, either reissue (if surrendered) this Note in a principal amount equal to the principal amount of the attempted conversion (in which case such conversion shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued if the Issuer had timely complied with its delivery requirements under Section 4(c)(ii). For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of this Note with respect to which the actual sale price of the Conversion Shares (including any brokerage commissions) giving rise to such purchase obligation was a total of \$10,000 under clause (A) of the immediately preceding sentence, the Issuer shall be required to pay the Holder \$1,000. The Holder shall provide the Issuer written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Issuer, evidence of the amount of such loss.
- vi. Reservation of Shares Issuable Upon Conversion. The Issuer covenants that it will at all times (after receipt of the Shareholder Approval (and the filing of an amendment to the Issuer's certificate of incorporation reflecting the Authorized Share Increase)) reserve and keep available out of its authorized and unissued shares of Common Stock for the sole purpose of issuance upon conversion of this Note and payment of interest on this Note, each as herein provided, free from preemptive rights or any other actual contingent purchase rights of Persons other than the Holder (and the other holders of the Notes), not less than such aggregate number of shares of the Common Stock as shall (subject to the terms and conditions set forth in the Securities Purchase Agreement) be issuable (taking into account the adjustments and restrictions of Sections 3(d) and (e)) upon the conversion of the then outstanding principal amount of this Note and payment of interest hereunder. The Issuer covenants that all shares of Common Stock that shall be so issuable shall, upon issue, be duly authorized, validly issued, fully paid and nonassessable and, if the Registration Statement is then effective under the Securities Act, shall be registered for public resale in accordance with such Registration Statement.
- vii. Fractional Shares. No fractional shares or scrip representing fractional shares shall be issued upon the conversion of this Note. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such conversion, the Issuer shall at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Conversion Price or round up to the next whole share.
- viii. Transfer Taxes and Expenses. The issuance of Conversion Shares on conversion of this Note shall be made without charge to the Holder hereof for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such Conversion Shares; provided that the Issuer shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such Conversion Shares upon conversion in a name other than that of the Holder of this Note so converted and the Issuer shall not be required to issue or deliver such Conversion Shares unless or until the Person or Persons requesting the issuance thereof shall have paid to the Issuer the amount of such tax or shall have established to the satisfaction of the Issuer that such tax has been paid. The Issuer shall pay all Transfer Agent fees required for same-day processing of any Notice of Conversion and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Conversion Shares.

- (d) Holder's Conversion Limitations. The Issuer shall not effect any conversion of this Note, and a Holder shall not have the right to convert any portion of this Note, to the extent that after giving effect to the conversion set forth on the applicable Notice of Conversion, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")) would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon conversion of this Note with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) conversion of the remaining, unconverted principal amount of this Note beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Issuer subject to a limitation on conversion or exercise analogous to the limitation contained herein (including, without limitation, any other Notes or the Warrants) beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 3(d), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. To the extent that the limitation contained in this Section 3(d) applies, the determination of whether this Note is convertible (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which principal amount of this Note is convertible shall be in the reasonable discretion of the Holder, and the submission of a Notice of Conversion shall be deemed to be the Holder's determination of whether this Note may be converted (in relation to other securities owned by the Holder together with any Affiliates or Attribution Parties) and which principal amount of this Note is convertible, in each case subject to the Beneficial Ownership Limitation, and the Issuer shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 3(d), in determining the number of outstanding shares of Common Stock, the Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Issuer's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Issuer, or (C) a more recent written notice by the Issuer or the Issuer's transfer agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Issuer shall within two (2) Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Issuer, including this Note, by the Holder or its Affiliates since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of this Note. The Holder, upon notice to the Issuer, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 3(d); provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of this Note held by the Holder and the Beneficial Ownership Limitation provisions of this Section 3(d) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Issuer. The Beneficial Ownership Limitation provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 3(d) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation contained herein or to make changes or supplements necessary or desirable to properly give effect to such limitation. The preceding limitations contained in this paragraph shall apply to a successor holder of this Note. Holder shall not vote or control the vote of shares of Common Stock of the Issuer in excess of 9.99% of the number of shares of Common Stock of the Issuer outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of this Note (the "Vote Threshold"); provided that Issuer acknowledges and agrees that Holder may own in excess of the Vote Threshold; provided that Holder has irrevocably transferred to a non-affiliated U.S. entity voting rights of all shares of Common Stock of Issuer in excess of such Vote Threshold.

- (e) Issuance Limitations. Notwithstanding anything herein to the contrary, if the Issuer has not obtained the Shareholder Approval or the financial viability exception pursuant to NASDAQ Rule 5635(f) for the issuance of the Common Stock underlying the Tranche C and Tranche D Notes and Warrants, then the Issuer may not issue, upon conversion of this Note, a number of shares of Common Stock which, when aggregated with any shares of Common Stock issued on or after the Closing Date and prior to such Conversion Date (i) in connection with the conversion of any Tranche C Notes or Tranche D Notes issued pursuant to the Securities Purchase Agreement, and (ii) in connection with the exercise of any Tranche C or Tranche D Warrants issued pursuant to the Securities Purchase Agreement, would exceed [_____] ² shares of Common Stock (subject to adjustment for forward and reverse stock splits, recapitalizations and the like) (such number of shares, the “Issuable Maximum”). The Holder and the holders of the other Tranche C Notes and Tranche D Notes issued pursuant to the Securities Purchase Agreement shall be entitled to a portion of the Issuable Maximum pro rata in accordance with the Tranche C Notes and Tranche D Notes issued to such Holders pursuant to the Securities Purchase Agreement; provided, however, the Holder may re-allocate its pro rata portion of the Issuable Maximum among Tranche C and Tranche D Notes and Warrants held by it in its sole discretion; provided that such re-allocation will not change the aggregate portion of the Issuable Maximum within any category above. Such portion shall be adjusted upward ratably in the event a Purchaser no longer holds any Tranche C or Tranche D Notes or Warrants issued after the date of the Securities Purchase Agreement and the amount of shares issued to such Purchaser pursuant to such Tranche C and Tranche D Notes and Warrants was less than such Purchaser’s pro rata share of the Issuable Maximum. The Issuer shall not issue to any Holder any portion of the Issuable Maximum other than in compliance with this Section 3(e).
- (f) Transfer Restriction. [Notwithstanding anything to the contrary in this Note, until the date that is thirty (30) calendar days after the date hereof, the shares of Common Stock issued upon conversion of this Note may not be directly or indirectly transferred, sold or otherwise disposed of without the prior written consent of the Issuer (which written consent shall not be unreasonably withheld).]³ For the avoidance of doubt, nothing in this Section 3(f) shall restrict the ability of the Holder to pledge shares of Common Stock issued upon conversion of this Note.

Section 4. Certain Adjustments.

- (a) Stock Dividends and Stock Splits. If the Issuer, at any time while this Note is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any Common Stock Equivalents (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Issuer upon conversion of, or payment of interest on, the Notes), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Issuer, then the Conversion Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Issuer) outstanding immediately before such event, and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to this Section shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.
- (b) Subsequent Equity Sales. If, at any time while this Note is outstanding, the Issuer or any Subsidiary, as applicable, sells or grants any option to purchase or sells or grants any right to repurchase, or otherwise disposes of or issues (or announces any sale, grant or any option to purchase or other disposition), any Common Stock or Common Stock Equivalents entitling any Person to acquire shares of Common Stock at an effective price per share that is lower than the then Conversion Price (such issuances, collectively, a “Dilutive Issuance” and such effective price, the “Base Price”) (if the holder of the Common Stock or Common Stock Equivalents so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, or due to warrants, options or rights per share which are issued in connection with such issuance, be entitled to receive shares of Common Stock at an effective price per share that is lower than the Conversion Price, such issuance shall be deemed to have occurred for less than the Conversion Price on such date of the Dilutive Issuance), then simultaneously with the consummation (or, if earlier, the announcement) of each Dilutive Issuance the Conversion Price shall be reduced to equal the Base Price. Notwithstanding the foregoing, no adjustment will be made under this Section 4(b) in respect of an Exempt Issuance or an adjustment under Section 4(a). The Issuer shall notify the Holder in writing, no later than the Trading Day following the issuance of any Common Stock or Common Stock Equivalents subject to this Section 4(b), indicating therein the applicable issuance price, or applicable reset price, exchange price, conversion price and other pricing terms (such notice, the “Dilutive Issuance Notice”). For purposes of clarification, whether or not the Issuer provides a Dilutive Issuance Notice pursuant to this Section 4(b), upon the occurrence of any Dilutive Issuance, the Holder is entitled to receive a number of Conversion Shares based upon the adjusted Conversion Price on or after the date of such Dilutive Issuance, regardless of whether the Holder accurately refers to the adjusted Conversion Price in the Notice of Conversion.

² **Note to Draft:** To be equal to 19.99% of the outstanding Common Stock as of the date of the Securities Purchase Agreement.

³ **Note to Draft:** There will be no transfer restriction with respect to each Purchaser, the first 63.33% of the total funded amount of the Tranche C/D Notes for such Purchaser.

- (c) Voluntary Adjustment. Subject to the rules and regulations of the principal Trading Market of the Common Stock, the Issuer may at any time during the term of this Note, with the prior written consent of the Holder, reduce the then current Conversion Price of this Note to any amount and for any period of time deemed appropriate by the board of directors of the Issuer.
- (d) [RESERVED].
- (e) Fundamental Transaction. If, at any time while this Note is outstanding, (i) the Issuer, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Issuer with or into another Person, (ii) the Issuer (and all of its Subsidiaries, taken as a whole), directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Issuer or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of more than 50% of the outstanding Common Stock, (iv) the Issuer, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property, or (v) the Issuer, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person whereby such other Person acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination) (each a "Fundamental Transaction"), then, upon any subsequent conversion of this Note, the Holder shall have the right to receive, for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction (without regard to any limitation in Section 3(d) or Section 3(e) on the conversion of this Note), the consideration (the "Alternate Consideration") receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Note is convertible immediately prior to such Fundamental Transaction (without regard to any limitation in Section 3(d) or Section 3(e) on the conversion of this Note). For purposes of any such conversion, the determination of the Conversion Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one (1) share of Common Stock in such Fundamental Transaction, and the Issuer shall apportion the Conversion Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any conversion of this Note following such Fundamental Transaction.
- (f) Calculations. All calculations under this Section 4 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 4, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding any treasury shares of the Issuer) issued and outstanding.

(g) Notice to the Holder.

- i. Adjustment to Conversion Price. Whenever the Conversion Price is adjusted pursuant to any provision of this Section 4, the Issuer shall promptly deliver to each Holder a notice setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.
- ii. Notice to Allow Conversion by Holder. If (A) the Issuer shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Issuer shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Issuer shall authorize the granting to all holders of the Common Stock of rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Issuer shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Issuer (and all of its Subsidiaries, taken as a whole) is a party, any sale or transfer of all or substantially all of the assets of the Issuer, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property or (E) the Issuer shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Issuer, then, in each case, the Issuer shall cause to be filed at each office or agency maintained for the purpose of conversion of this Note, and shall cause to be delivered to the Holder at its last address as it shall appear upon the Note Register, at least fifteen (15) calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. The Holder shall remain entitled to convert this Note during the 15-day period commencing on the date of such notice through the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Presentment, demand, protest and notice of presentment, demand, nonpayment and protest are each hereby waived by each Issuer.

Notwithstanding anything to the contrary, at no time shall Holder (a) be given rights that would allow it to control Issuer; (b) have access to any material nonpublic technical information in the possession of Issuer; (c) have the right to appoint any member or observer to the board of directors of Issuer; or (d) be involved, other than through voting of shares, in the Issuer's substantive decision-making regarding (i) the use, development, acquisition, safekeeping, or release of sensitive personal data of U.S. citizens that the Issuer maintains or collects; (ii) the use, development, acquisition, or release of critical technologies; or (iii) the management, operation, manufacture, or supply of covered investment critical infrastructure, to the extent Issuer at any time owns, operates, provides goods or service, or otherwise becomes involved in covered investment critical infrastructure. The terms in this paragraph are defined as they are defined in Section 721 of the U.S. Defense Production Act of 1950, as amended, and the regulations at 31 C.F.R Part 800, as they may be amended from time to time.

Section 2. Interest.

- (a) The Issuer shall pay interest to the Holder on the aggregate unconverted and then outstanding principal amount of this Note (including any Make-Whole Amount payable upon conversion of this Note) at the rate of 10% per annum, payable quarterly on January 1, April 1, July 1 and October 1, beginning on the first such date after the Closing Date, on each Conversion Date and on the Maturity Date (each such date, an "Interest Payment Date") (if any Interest Payment Date is not a Business Day, then the applicable payment shall be due on the next succeeding Business Day), in cash or, at the Issuer's option, in duly authorized, validly issued, fully paid and non-assessable shares of Common Stock (the "Interest Conversion Shares") at the Interest Conversion Rate (the dollar amount to be paid in shares, the "Interest Share Amount") or a combination thereof; provided, however, that payment in shares of Common Stock may only occur if (i) all of the Equity Conditions have been met (unless waived by the Holder in writing) on the applicable Interest Payment Date (the "Interest Notice Period") and through and including the date such shares of Common Stock are actually issued to the Holder, (ii) the Issuer shall have given the Holder notice in accordance with the notice requirements set forth below (other than the Make-Whole Amount which shall require notice from the Company within three (3) Trading Days of a Notice of Conversion), (iii) as to any Interest Share Amount, the effective rate of interest shall be calculated at 15% per annum and (iv) as to interest only (but not the Make-Whole Amount) at least 5% of interest must be paid in cash. Notwithstanding anything to the contrary, during any periods that the Note is outstanding and an Event of Default is occurring, the interest rate shall be 15% per annum if paid in cash only and 18% if paid in cash and stock otherwise as set forth above.
- (b) Subject to the terms and conditions herein, the decision whether to pay interest hereunder in cash, shares of Common Stock or a combination thereof shall be at the sole discretion of the Issuer. Prior to the commencement of any Interest Notice Period, the Issuer shall deliver to the Holder a written notice of its election to pay interest hereunder on the applicable Interest Payment Date either in cash, shares of Common Stock or a combination thereof (other than with respect to any Make-Whole Payment which election shall be made within three (3) Trading Days of the applicable Conversion Date). During any Interest Notice Period (or after the election is made in connection with a Make-Whole Payment), the Issuer's election (whether specific to an Interest Payment Date or continuous) shall be irrevocable as to such Interest Payment Date. Subject to the aforementioned conditions, failure to timely deliver such written notice to the Holder shall be deemed an election by the Issuer to pay the interest on such Interest Payment Date in cash.
- (c) Interest shall be calculated on the basis of a 360-day year, consisting of twelve 30 calendar day periods, and shall accrue daily commencing on the Closing Date until payment in full of the outstanding principal, together with all accrued and unpaid interest, liquidated damages and other amounts which may become due hereunder, has been made. Payment of interest in shares of Common Stock (other than the Interest Conversion Shares issued prior to an Interest Notice Period) shall otherwise occur pursuant to Section 3 herein and, solely for purposes of the payment of interest in shares, the Interest Payment Date shall be deemed the Conversion Date. Interest shall cease to accrue with respect to any principal amount converted; provided that, the Issuer actually delivers the Conversion Shares within the time period required by Section 3(c) herein. Interest hereunder will be paid to the Person in whose name this Note is registered on the records of the Issuer regarding registration and transfers of this Note (the "Note Register"). Except as otherwise provided herein, if at any time the Issuer pays interest partially in cash and partially in shares of Common Stock to the holders of the Notes, then such payment of cash shall be distributed ratably among the holders of the then-outstanding Notes based on the initial principal amount of their (or their predecessor's) Notes issued pursuant to the Securities Purchase Agreement or the Exchange Agreement, as applicable.

- (d) All overdue accrued and unpaid interest to be paid hereunder shall entail a late fee at an interest rate equal to the lesser of 18% per annum or the maximum rate permitted by applicable law (the “Late Fees”) which shall accrue daily from the date such interest is due hereunder through and including the date of actual payment in full. Notwithstanding anything to the contrary contained herein, if, on any Interest Payment Date the Issuer has elected to pay accrued interest in the form of Common Stock but the Issuer is not permitted to pay accrued interest in Common Stock because it fails to satisfy the conditions for payment in Common Stock set forth in Section 2(a) herein, then, at the option of the Holder, the Issuer, in lieu of delivering either shares of Common Stock pursuant to this Section 2 or paying the regularly scheduled interest payment in cash, shall deliver, within three (3) Trading Days of each applicable Interest Payment Date, an amount in cash equal to the product of (x) the number of shares of Common Stock otherwise deliverable to the Holder in connection with the payment of interest due on such Interest Payment Date multiplied by (y) the highest VWAP during the period commencing on the Interest Payment Date and ending on the Trading Day prior to the date such payment is actually made.

Section 3. Conversion.

- (a) Voluntary Conversion. At any time after the date that hereof until this Note is no longer outstanding, this Note shall be convertible, in whole or in part, into shares of Common Stock at the option of the Holder, at any time and from time to time (subject to the conversion limitations set forth in Section 3(d) and Section 3(e) hereof) (each a “Conversion”). The Holder shall effect conversions by delivering to the Issuer a Notice of Conversion, the form of which is attached hereto as Annex A (each, a “Notice of Conversion”), specifying therein the principal amount of this Note to be converted, the Make-Whole Amount (as defined below) and the date on which such conversion shall be effected (such date, the “Conversion Date”). If no Conversion Date is specified in a Notice of Conversion, the Conversion Date shall be the date that such Notice of Conversion is deemed delivered hereunder. No ink-original Notice of Conversion shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Conversion form be required. To effect conversions hereunder, the Holder shall not be required to physically surrender this Note to the Issuer unless the entire principal amount of this Note, plus all accrued and unpaid interest thereon, has been so converted in which case the Holder shall surrender this Note as promptly as is reasonably practicable after such conversion without delaying the Issuer’s obligation to deliver the shares on the Share Delivery Date. Conversions hereunder shall have the effect of lowering the outstanding principal amount of this Note in an amount equal to the applicable conversion. The Holder and the Issuer shall maintain records showing the principal amount(s) converted and the date of such conversion(s). The Issuer may deliver an objection to any Notice of Conversion within one (1) Business Day of delivery of such Notice of Conversion. **The Holder, and any assignee by acceptance of this Note, acknowledge and agree that, by reason of the provisions of this paragraph, following conversion of a portion of this Note, the unpaid and unconverted principal amount of this Note may be less than the amount stated on the face hereof.**
- (b) Conversion Price. The conversion price in effect on any Conversion Date shall be equal to \$0.8925, subject to adjustment as set forth herein (the “Conversion Price”).

(c) Mechanics of Conversion.

- i. Conversion Shares Issuable Upon Conversion of Principal Amount. The number of Conversion Shares issuable upon a conversion hereunder shall be determined by the quotient obtained by dividing the outstanding principal amount of this Note to be converted by the Conversion Price. Additionally, on each Conversion Date, the Company shall pay to the Holder, in cash, the sum of (A) all accrued interest on this Note to date plus (B) all interest that would otherwise accrue on such principal amount of this Note if such converted principal would be held to the Maturity Date (the amount in clause (B), (the “Make-Whole Amount”)) minus (C) 50% of the original issue discount in respect of such converted portion of this Note; provided, however, at the election of the Company, such interest and Make-Whole Amount may be paid in a combination of cash and Common Stock, otherwise pursuant to the terms of Section 2.
- ii. Delivery of Conversion Shares Upon Conversion. Not later than two (2) Trading Days after each Conversion Date (the “Share Delivery Date”), the Issuer shall deliver, or cause to be delivered, to the Holder (A) the Conversion Shares which, on or after the earlier of (i) the six month anniversary of the Closing Date to the extent permitted under the Securities Act or (ii) the Effective Date, shall be free of restrictive legends and trading restrictions (other than those which may then be required by applicable securities laws) representing the number of Conversion Shares being acquired upon the conversion of this Note and (B) a bank check in the amount of accrued and unpaid interest (if the Issuer has elected or is required to pay accrued interest in cash). On or after the earlier of (i) the six-month anniversary of the Closing Date to the extent permitted under the Securities Act or (ii) the Effective Date, the Issuer shall deliver any Conversion Shares required to be delivered by the Issuer under this Section 3 electronically through the Depository Trust Company or another established clearing corporation performing similar functions.
- iii. Failure to Deliver Conversion Shares. If, in the case of any Notice of Conversion, such Conversion Shares are not delivered to or as directed by the applicable Holder by the 3rd Trading Day following the Share Delivery Date, the Holder shall be entitled to elect by written notice to the Issuer at any time on or before its receipt of such Conversion Shares, to rescind such Conversion, in which event the Issuer shall promptly return to the Holder any original Note delivered to the Issuer and the Holder shall promptly return to the Issuer the Conversion Shares issued to such Holder pursuant to the rescinded Conversion Notice.
- iv. Obligation Absolute; Partial Liquidated Damages. The Issuer’s obligations to issue and deliver the Conversion Shares upon conversion of this Note in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by the Holder or any other Person of any obligation to the Issuer other than the terms hereof, and irrespective of any other circumstance (other than a violation of law) which might otherwise limit such obligation of the Issuer to the Holder in connection with the issuance of such Conversion Shares; provided, however, that such delivery shall not operate as a waiver by the Issuer of any such action the Issuer may have against the Holder. In the event the Holder of this Note shall elect to convert any or all of the outstanding principal amount hereof in accordance with the terms hereof, the Issuer may not refuse conversion based on any claim that the Holder or anyone associated or affiliated with the Holder has been engaged in any violation of any other agreement or for any other reason (other than a violation of law), unless an injunction from a court, on notice to Holder, restraining and or enjoining conversion of all or part of this Note shall have been sought and obtained. In the absence of such injunction, the Issuer shall issue Conversion Shares or, if applicable, cash, upon a properly noticed conversion. If the Issuer fails for any reason to deliver to the Holder such Conversion Shares pursuant to Section 3(c)(ii) by the 3rd Trading Day following the Share Delivery Date, the Issuer shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of principal amount being converted, \$5 per Trading Day for each Trading Day after such 3rd Trading Day following the Share Delivery Date until such Conversion Shares are delivered or Holder rescinds such conversion.

- v. Compensation for Buy-In on Failure to Timely Deliver Conversion Shares Upon Conversion. In addition to any other rights available to the Holder, if the Issuer fails for any reason to deliver to the Holder such Conversion Shares by the 3rd Trading Day following the Share Delivery Date pursuant to Section 3(c)(ii), and if after such 3rd Trading Day following the Share Delivery Date the Holder is required by its brokerage firm to purchase (in an open market transaction or otherwise), or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Conversion Shares which the Holder was entitled to receive upon the conversion relating to such 3rd Trading Day following the Share Delivery Date (a "Buy-In"), then the Issuer shall (A) pay in cash to the Holder (in addition to any other remedies available to or elected by the Holder) the amount, if any, by which (x) the Holder's total purchase price (including any brokerage commissions) for the Common Stock so purchased exceeds (y) the product of (1) the aggregate number of shares of Common Stock that the Holder was entitled to receive from the conversion at issue multiplied by (2) the actual sale price at which the sell order giving rise to such purchase obligation was executed and (B) at the option of the Holder, either reissue (if surrendered) this Note in a principal amount equal to the principal amount of the attempted conversion (in which case such conversion shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued if the Issuer had timely complied with its delivery requirements under Section 4(c)(ii). For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of this Note with respect to which the actual sale price of the Conversion Shares (including any brokerage commissions) giving rise to such purchase obligation was a total of \$10,000 under clause (A) of the immediately preceding sentence, the Issuer shall be required to pay the Holder \$1,000. The Holder shall provide the Issuer written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Issuer, evidence of the amount of such loss.
- vi. Reservation of Shares Issuable Upon Conversion. The Issuer covenants that [(x) as of the date hereof, []⁴ shares of Common Stock are authorized and reserved for the sole purpose of issuance upon conversion of this Note (the "Existing Note Reserve") and the Existing Note Reserve shall not be used for any other purpose (other than the reallocation of such Existing Note Reserve to other securities of the Holder (or any of its affiliates) in accordance with the written instructions of the Holder) and (y) it will at all times ([other than conversions in excess of the Existing Note Reserve prior to] [after] receipt of the Shareholder Approval (and the filing of an amendment to the Issuer's certificate of incorporation reflecting the Authorized Share Increase)) reserve and keep available out of its authorized and unissued shares of Common Stock for the sole purpose of issuance upon conversion of this Note and payment of interest on this Note, each as herein provided, free from preemptive rights or any other actual contingent purchase rights of Persons other than the Holder (and the other holders of the Notes), not less than such aggregate number of shares of the Common Stock as shall (subject to the terms and conditions set forth in the Securities Purchase Agreement) be issuable (taking into account the adjustments and restrictions of Sections 3(d) and (e)) upon the conversion of the then outstanding principal amount of this Note and payment of interest hereunder. The Issuer covenants that all shares of Common Stock that shall be so issuable shall, upon issue, be duly authorized, validly issued, fully paid and nonassessable and, if the Registration Statement is then effective under the Securities Act, shall be registered for public resale in accordance with such Registration Statement.
- vii. Fractional Shares. No fractional shares or scrip representing fractional shares shall be issued upon the conversion of this Note. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such conversion, the Issuer shall at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Conversion Price or round up to the next whole share.
- viii. Transfer Taxes and Expenses. The issuance of Conversion Shares on conversion of this Note shall be made without charge to the Holder hereof for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such Conversion Shares; provided that the Issuer shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such Conversion Shares upon conversion in a name other than that of the Holder of this Note so converted and the Issuer shall not be required to issue or deliver such Conversion Shares unless or until the Person or Persons requesting the issuance thereof shall have paid to the Issuer the amount of such tax or shall have established to the satisfaction of the Issuer that such tax has been paid. The Issuer shall pay all Transfer Agent fees required for same-day processing of any Notice of Conversion and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Conversion Shares.

⁴ Note to Draft: To be a total of 21,061,178 shares of Common Stock for all FSV Replacement Notes.

- (d) Holder's Conversion Limitations. The Issuer shall not effect any conversion of this Note, and a Holder shall not have the right to convert any portion of this Note, to the extent that after giving effect to the conversion set forth on the applicable Notice of Conversion, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")) would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon conversion of this Note with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) conversion of the remaining, unconverted principal amount of this Note beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Issuer subject to a limitation on conversion or exercise analogous to the limitation contained herein (including, without limitation, any other Notes or the Warrants) beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 3(d), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. To the extent that the limitation contained in this Section 3(d) applies, the determination of whether this Note is convertible (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which principal amount of this Note is convertible shall be in the reasonable discretion of the Holder, and the submission of a Notice of Conversion shall be deemed to be the Holder's determination of whether this Note may be converted (in relation to other securities owned by the Holder together with any Affiliates or Attribution Parties) and which principal amount of this Note is convertible, in each case subject to the Beneficial Ownership Limitation, and the Issuer shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 3(d), in determining the number of outstanding shares of Common Stock, the Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Issuer's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Issuer, or (C) a more recent written notice by the Issuer or the Issuer's transfer agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Issuer shall within two (2) Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Issuer, including this Note, by the Holder or its Affiliates since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of this Note. The Holder, upon notice to the Issuer, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 3(d); provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of this Note held by the Holder and the Beneficial Ownership Limitation provisions of this Section 3(d) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Issuer. The Beneficial Ownership Limitation provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 3(d) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation contained herein or to make changes or supplements necessary or desirable to properly give effect to such limitation. The preceding limitations contained in this paragraph shall apply to a successor holder of this Note. Holder shall not vote or control the vote of shares of Common Stock of the Issuer in excess of 9.99% of the number of shares of Common Stock of the Issuer outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of this Note (the "Vote Threshold"); provided that Issuer acknowledges and agrees that Holder may own in excess of the Vote Threshold; provided that Holder has irrevocably transferred to a non-affiliated U.S. entity voting rights of all shares of Common Stock of Issuer in excess of such Vote Threshold.

- (e) Transfer Restriction. Notwithstanding anything to the contrary in this Note, until the date that is thirty (30) calendar days after the date hereof, the shares of Common Stock issued upon conversion of this Note may not be directly or indirectly transferred, sold or otherwise disposed of without the prior written consent of the Issuer (which written consent shall not be unreasonably withheld). For the avoidance of doubt, nothing in this Section 3(e) shall restrict the ability of the Holder to pledge shares of Common Stock issued upon conversion of this Note.

Section 4. Certain Adjustments.

- (a) Stock Dividends and Stock Splits. If the Issuer, at any time while this Note is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any Common Stock Equivalents (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Issuer upon conversion of, or payment of interest on, the Notes), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Issuer, then the Conversion Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Issuer) outstanding immediately before such event, and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to this Section shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.
- (b) Subsequent Equity Sales. If, at any time while this Note is outstanding, the Issuer or any Subsidiary, as applicable, sells or grants any option to purchase or sells or grants any right to repurchase, or otherwise disposes of or issues (or announces any sale, grant or any option to purchase or other disposition), any Common Stock or Common Stock Equivalents entitling any Person to acquire shares of Common Stock at an effective price per share that is lower than the then Conversion Price (such issuances, collectively, a "Dilutive Issuance" and such effective price, the "Base Price") (if the holder of the Common Stock or Common Stock Equivalents so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, or due to warrants, options or rights per share which are issued in connection with such issuance, be entitled to receive shares of Common Stock at an effective price per share that is lower than the Conversion Price, such issuance shall be deemed to have occurred for less than the Conversion Price on such date of the Dilutive Issuance), then simultaneously with the consummation (or, if earlier, the announcement) of each Dilutive Issuance the Conversion Price shall be reduced to equal the Base Price. Notwithstanding the foregoing, no adjustment will be made under this Section 4(b) in respect of an Exempt Issuance or an adjustment under Section 4(a). The Issuer shall notify the Holder in writing, no later than the Trading Day following the issuance of any Common Stock or Common Stock Equivalents subject to this Section 4(b), indicating therein the applicable issuance price, or applicable reset price, exchange price, conversion price and other pricing terms (such notice, the "Dilutive Issuance Notice"). For purposes of clarification, whether or not the Issuer provides a Dilutive Issuance Notice pursuant to this Section 4(b), upon the occurrence of any Dilutive Issuance, the Holder is entitled to receive a number of Conversion Shares based upon the adjusted Conversion Price on or after the date of such Dilutive Issuance, regardless of whether the Holder accurately refers to the adjusted Conversion Price in the Notice of Conversion.

- (c) Voluntary Adjustment. Subject to the rules and regulations of the principal Trading Market of the Common Stock, the Issuer may at any time during the term of this Note, with the prior written consent of the Holder, reduce the then current Conversion Price of this Note to any amount and for any period of time deemed appropriate by the board of directors of the Issuer.
- (d) [RESERVED].
- (e) Fundamental Transaction. If, at any time while this Note is outstanding, (i) the Issuer, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Issuer with or into another Person, (ii) the Issuer (and all of its Subsidiaries, taken as a whole), directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Issuer or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of more than 50% of the outstanding Common Stock, (iv) the Issuer, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property, or (v) the Issuer, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person whereby such other Person acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination) (each a "Fundamental Transaction"), then, upon any subsequent conversion of this Note, the Holder shall have the right to receive, for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction (without regard to any limitation in Section 3(d) or Section 3(e) on the conversion of this Note), the consideration (the "Alternate Consideration") receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Note is convertible immediately prior to such Fundamental Transaction (without regard to any limitation in Section 3(d) or Section 3(e) on the conversion of this Note). For purposes of any such conversion, the determination of the Conversion Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one (1) share of Common Stock in such Fundamental Transaction, and the Issuer shall apportion the Conversion Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any conversion of this Note following such Fundamental Transaction.

- (f) Calculations. All calculations under this Section 4 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 4, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding any treasury shares of the Issuer) issued and outstanding.
- (g) Notice to the Holder.
- i. Adjustment to Conversion Price. Whenever the Conversion Price is adjusted pursuant to any provision of this Section 4, the Issuer shall promptly deliver to each Holder a notice setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.
 - ii. Notice to Allow Conversion by Holder. If (A) the Issuer shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Issuer shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Issuer shall authorize the granting to all holders of the Common Stock of rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Issuer shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Issuer (and all of its Subsidiaries, taken as a whole) is a party, any sale or transfer of all or substantially all of the assets of the Issuer, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property or (E) the Issuer shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Issuer, then, in each case, the Issuer shall cause to be filed at each office or agency maintained for the purpose of conversion of this Note, and shall cause to be delivered to the Holder at its last address as it shall appear upon the Note Register, at least fifteen (15) calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. The Holder shall remain entitled to convert this Note during the 15-day period commencing on the date of such notice through the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Presentment, demand, protest and notice of presentment, demand, nonpayment and protest are each hereby waived by each Issuer.

Notwithstanding anything to the contrary, at no time shall Holder (a) be given rights that would allow it to control Issuer; (b) have access to any material nonpublic technical information in the possession of Issuer; (c) have the right to appoint any member or observer to the board of directors of Issuer; or (d) be involved, other than through voting of shares, in the Issuer's substantive decision-making regarding (i) the use, development, acquisition, safekeeping, or release of sensitive personal data of U.S. citizens that the Issuer maintains or collects; (ii) the use, development, acquisition, or release of critical technologies; or (iii) the management, operation, manufacture, or supply of covered investment critical infrastructure, to the extent Issuer at any time owns, operates, provides goods or service, or otherwise becomes involved in covered investment critical infrastructure. The terms in this paragraph are defined as they are defined in Section 721 of the U.S. Defense Production Act of 1950, as amended, and the regulations at 31 C.F.R Part 800, as they may be amended from time to time.

THIS NOTE SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES. Whenever possible each provision of this Note shall be interpreted in such manner as to be effective and valid under applicable law, but in case any provision of or obligation under this Note shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby. Whenever in this Note reference is made to Holder or an Issuer, such reference shall be deemed to include, as applicable, a reference to their respective successors and assigns. The provisions of this Note shall be binding upon each Issuer and its successors and assigns, and shall inure to the benefit of Holder and its successors and assigns.

In addition to and without limitation of any of the foregoing, this Note shall be deemed to be a Financing Document and shall otherwise be subject to all of general terms and conditions contained in Article 12 of the Securities Purchase Agreement, *mutatis mutandis*.

Section 2. Interest.

- (a) The Issuer shall pay interest to the Holder on the aggregate unconverted and then outstanding principal amount of this Note at the rate of 11% per annum, payable quarterly on January 1, April 1, July 1 and October 1, beginning on the first such date after the Closing Date, on each Conversion Date and on the 24-month anniversary of the date of this Note (the “Maturity Date”) (each such date, an “Interest Payment Date”) (if any Interest Payment Date is not a Business Day, then the applicable payment shall be due on the next succeeding Business Day), in cash or, at the Issuer’s option, in duly authorized, validly issued, fully paid and non-assessable shares of Common Stock (the “Interest Conversion Shares”) at the Interest Conversion Rate (the dollar amount to be paid in shares, the “Interest Share Amount”) or a combination thereof; provided, however, that payment in shares of Common Stock may only occur if (i) all of the Equity Conditions have been met (unless waived by the Holder in writing) on the applicable Interest Payment Date (the “Interest Notice Period”) and through and including the date such shares of Common Stock are actually issued to the Holder, (ii) the Issuer shall have given the Holder notice in accordance with the notice requirements set forth below, (iii) as to any Interest Share Amount, the effective rate of interest shall be calculated at 11% per annum and (iv) as to interest only at least 5% of interest must be paid in cash. Notwithstanding anything to the contrary, during any periods that the Note is outstanding and an Event of Default is occurring, the interest rate shall be 15% per annum if paid in cash only and 18% if paid in cash and stock otherwise as set forth above.
- (b) Subject to the terms and conditions herein, the decision whether to pay interest hereunder in cash, shares of Common Stock or a combination thereof shall be at the sole discretion of the Issuer. Prior to the commencement of any Interest Notice Period, the Issuer shall deliver to the Holder a written notice of its election to pay interest hereunder on the applicable Interest Payment Date either in cash, shares of Common Stock or a combination thereof. During any Interest Notice Period, the Issuer’s election (whether specific to an Interest Payment Date or continuous) shall be irrevocable as to such Interest Payment Date. Subject to the aforementioned conditions, failure to timely deliver such written notice to the Holder shall be deemed an election by the Issuer to pay the interest on such Interest Payment Date in cash.
- (c) Interest shall be calculated on the basis of a 360-day year, consisting of twelve 30 calendar day periods, and shall accrue daily commencing on the Closing Date until payment in full of the outstanding principal, together with all accrued and unpaid interest, liquidated damages and other amounts which may become due hereunder, has been made. Payment of interest in shares of Common Stock (other than the Interest Conversion Shares issued prior to an Interest Notice Period) shall otherwise occur pursuant to Section 3 herein and, solely for purposes of the payment of interest in shares, the Interest Payment Date shall be deemed the Conversion Date. Interest shall cease to accrue with respect to any principal amount converted; provided that, the Issuer actually delivers the Conversion Shares within the time period required by Section 3(c) herein. Interest hereunder will be paid to the Person in whose name this Note is registered on the records of the Issuer regarding registration and transfers of this Note (the “Note Register”). Except as otherwise provided herein, if at any time the Issuer pays interest partially in cash and partially in shares of Common Stock to the holders of the Notes, then such payment of cash shall be distributed ratably among the holders of the then-outstanding Notes based on the initial principal amount of their (or their predecessor’s) Notes issued pursuant to the Securities Purchase Agreement or the Exchange Agreement, as applicable.

- (d) All overdue accrued and unpaid interest to be paid hereunder shall entail a late fee at an interest rate equal to the lesser of 18% per annum or the maximum rate permitted by applicable law (the “Late Fees”) which shall accrue daily from the date such interest is due hereunder through and including the date of actual payment in full. Notwithstanding anything to the contrary contained herein, if, on any Interest Payment Date the Issuer has elected to pay accrued interest in the form of Common Stock but the Issuer is not permitted to pay accrued interest in Common Stock because it fails to satisfy the conditions for payment in Common Stock set forth in Section 2(a) herein, then, at the option of the Holder, the Issuer, in lieu of delivering either shares of Common Stock pursuant to this Section 2 or paying the regularly scheduled interest payment in cash, shall deliver, within three (3) Trading Days of each applicable Interest Payment Date, an amount in cash equal to the product of (x) the number of shares of Common Stock otherwise deliverable to the Holder in connection with the payment of interest due on such Interest Payment Date multiplied by (y) the highest VWAP during the period commencing on the Interest Payment Date and ending on the Trading Day prior to the date such payment is actually made.

Section 3. Conversion.

- (a) Voluntary Conversion. At any time after twelve (12) months following⁴ the date that hereof until this Note is no longer outstanding, this Note shall be convertible, in whole or in part, into shares of Common Stock at the option of the Holder, at any time and from time to time (subject to the conversion limitations set forth in Section 3(d) and Section 3(e) hereof) (each a “Conversion”). The Holder shall effect conversions by delivering to the Issuer a Notice of Conversion, the form of which is attached hereto as Annex A (each, a “Notice of Conversion”), specifying therein the principal amount of this Note to be converted, and the date on which such conversion shall be effected (such date, the “Conversion Date”). If no Conversion Date is specified in a Notice of Conversion, the Conversion Date shall be the date that such Notice of Conversion is deemed delivered hereunder. No ink-original Notice of Conversion shall be required, nor shall any medallion guarantee (or other type of guarantee or notarization) of any Notice of Conversion form be required. To effect conversions hereunder, the Holder shall not be required to physically surrender this Note to the Issuer unless the entire principal amount of this Note, plus all accrued and unpaid interest thereon, has been so converted in which case the Holder shall surrender this Note as promptly as is reasonably practicable after such conversion without delaying the Issuer’s obligation to deliver the shares on the Share Delivery Date. Conversions hereunder shall have the effect of lowering the outstanding principal amount of this Note in an amount equal to the applicable conversion. The Holder and the Issuer shall maintain records showing the principal amount(s) converted and the date of such conversion(s). The Issuer may deliver an objection to any Notice of Conversion within one (1) Business Day of delivery of such Notice of Conversion. **The Holder, and any assignee by acceptance of this Note, acknowledge and agree that, by reason of the provisions of this paragraph, following conversion of a portion of this Note, the unpaid and unconverted principal amount of this Note may be less than the amount stated on the face hereof.**

⁴ **Note to Draft:** 40% of the Exchange Notes shall be subject to a nine-month (rather than twelve-month) restriction on conversion.

- (b) Conversion Price. The conversion price in effect on any Conversion Date shall be equal to the Interest Conversion Rate, subject to adjustment as set forth herein (the “Conversion Price”).
- (c) Mechanics of Conversion.
- i. Conversion Shares Issuable Upon Conversion of Principal Amount. The number of Conversion Shares issuable upon a conversion hereunder shall be determined by the quotient obtained by dividing the outstanding principal amount of this Note to be converted by the Conversion Price.
 - ii. Delivery of Conversion Shares Upon Conversion. Not later than two (2) Trading Days after each Conversion Date (the “Share Delivery Date”), the Issuer shall deliver, or cause to be delivered, to the Holder (A) the Conversion Shares which, on or after the earlier of (i) the six month anniversary of the Closing Date to the extent permitted under the Securities Act or (ii) the Effective Date, shall be free of restrictive legends and trading restrictions (other than those which may then be required by applicable securities laws) representing the number of Conversion Shares being acquired upon the conversion of this Note and (B) a bank check in the amount of accrued and unpaid interest (if the Issuer has elected or is required to pay accrued interest in cash). On or after the earlier of (i) the six-month anniversary of the Closing Date to the extent permitted under the Securities Act or (ii) the Effective Date, the Issuer shall deliver any Conversion Shares required to be delivered by the Issuer under this Section 3 electronically through the Depository Trust Company or another established clearing corporation performing similar functions.
 - iii. Failure to Deliver Conversion Shares. If, in the case of any Notice of Conversion, such Conversion Shares are not delivered to or as directed by the applicable Holder by the 3rd Trading Day following the Share Delivery Date, the Holder shall be entitled to elect by written notice to the Issuer at any time on or before its receipt of such Conversion Shares, to rescind such Conversion, in which event the Issuer shall promptly return to the Holder any original Note delivered to the Issuer and the Holder shall promptly return to the Issuer the Conversion Shares issued to such Holder pursuant to the rescinded Conversion Notice.
 - iv. Obligation Absolute; Partial Liquidated Damages. The Issuer’s obligations to issue and deliver the Conversion Shares upon conversion of this Note in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by the Holder or any other Person of any obligation to the Issuer other than the terms hereof, and irrespective of any other circumstance (other than a violation of law) which might otherwise limit such obligation of the Issuer to the Holder in connection with the issuance of such Conversion Shares; provided, however, that such delivery shall not operate as a waiver by the Issuer of any such action the Issuer may have against the Holder. In the event the Holder of this Note shall elect to convert any or all of the outstanding principal amount hereof in accordance with the terms hereof, the Issuer may not refuse conversion based on any claim that the Holder or anyone associated or affiliated with the Holder has been engaged in any violation of any other agreement or for any other reason (other than a violation of law), unless an injunction from a court, on notice to Holder, restraining and or enjoining conversion of all or part of this Note shall have been sought and obtained. In the absence of such injunction, the Issuer shall issue Conversion Shares or, if applicable, cash, upon a properly noticed conversion. If the Issuer fails for any reason to deliver to the Holder such Conversion Shares pursuant to Section 3(c)(ii) by the 3rd Trading Day following the Share Delivery Date, the Issuer shall pay to the Holder, in cash, as liquidated damages and not as a penalty, for each \$1,000 of principal amount being converted, \$5 per Trading Day for each Trading Day after such 3rd Trading Day following the Share Delivery Date until such Conversion Shares are delivered or Holder rescinds such conversion.

- v. Compensation for Buy-In on Failure to Timely Deliver Conversion Shares Upon Conversion. In addition to any other rights available to the Holder, if the Issuer fails for any reason to deliver to the Holder such Conversion Shares by the 3rd Trading Day following the Share Delivery Date pursuant to Section 3(c)(ii), and if after such 3rd Trading Day following the Share Delivery Date the Holder is required by its brokerage firm to purchase (in an open market transaction or otherwise), or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Conversion Shares which the Holder was entitled to receive upon the conversion relating to such 3rd Trading Day following the Share Delivery Date (a "Buy-In"), then the Issuer shall (A) pay in cash to the Holder (in addition to any other remedies available to or elected by the Holder) the amount, if any, by which (x) the Holder's total purchase price (including any brokerage commissions) for the Common Stock so purchased exceeds (y) the product of (1) the aggregate number of shares of Common Stock that the Holder was entitled to receive from the conversion at issue multiplied by (2) the actual sale price at which the sell order giving rise to such purchase obligation was executed and (B) at the option of the Holder, either reissue (if surrendered) this Note in a principal amount equal to the principal amount of the attempted conversion (in which case such conversion shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued if the Issuer had timely complied with its delivery requirements under Section 4(c)(ii). For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of this Note with respect to which the actual sale price of the Conversion Shares (including any brokerage commissions) giving rise to such purchase obligation was a total of \$10,000 under clause (A) of the immediately preceding sentence, the Issuer shall be required to pay the Holder \$1,000. The Holder shall provide the Issuer written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Issuer, evidence of the amount of such loss.
- vi. Reservation of Shares Issuable Upon Conversion. The Issuer covenants that (x) as of the date hereof, [] shares of Common Stock are authorized and reserved for the sole purpose of issuance upon conversion of this Note (the "Existing Note Reserve") and the Existing Note Reserve shall not be used for any other purpose (other than the reallocation of such Existing Note Reserve to other securities of the Holder (or any of its affiliates) in accordance with the written instructions of the Holder) and (y) it will at all times ([other than conversions in excess of the Existing Note Reserve prior to] [after] receipt of the Shareholder Approval (and the filing of an amendment to the Issuer's certificate of incorporation reflecting the Authorized Share Increase)) reserve and keep available out of its authorized and unissued shares of Common Stock for the sole purpose of issuance upon conversion of this Note and payment of interest on this Note, each as herein provided, free from preemptive rights or any other actual contingent purchase rights of Persons other than the Holder (and the other holders of the Notes), not less than such aggregate number of shares of the Common Stock as shall (subject to the terms and conditions set forth in the Securities Purchase Agreement) be issuable (taking into account the adjustments and restrictions of Sections 3(d) and (e)) upon the conversion of the then outstanding principal amount of this Note and payment of interest hereunder. The Issuer covenants that all shares of Common Stock that shall be so issuable shall, upon issue, be duly authorized, validly issued, fully paid and nonassessable and, if the Registration Statement is then effective under the Securities Act, shall be registered for public resale in accordance with such Registration Statement.
- vii. Fractional Shares. No fractional shares or scrip representing fractional shares shall be issued upon the conversion of this Note. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such conversion, the Issuer shall at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Conversion Price or round up to the next whole share.

viii. Transfer Taxes and Expenses. The issuance of Conversion Shares on conversion of this Note shall be made without charge to the Holder hereof for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such Conversion Shares; provided that the Issuer shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such Conversion Shares upon conversion in a name other than that of the Holder of this Note so converted and the Issuer shall not be required to issue or deliver such Conversion Shares unless or until the Person or Persons requesting the issuance thereof shall have paid to the Issuer the amount of such tax or shall have established to the satisfaction of the Issuer that such tax has been paid. The Issuer shall pay all Transfer Agent fees required for same-day processing of any Notice of Conversion and all fees to the Depository Trust Company (or another established clearing corporation performing similar functions) required for same-day electronic delivery of the Conversion Shares.

(d) Holder's Conversion Limitations. The Issuer shall not effect any conversion of this Note, and a Holder shall not have the right to convert any portion of this Note, to the extent that after giving effect to the conversion set forth on the applicable Notice of Conversion, the Holder (together with the Holder's Affiliates, and any other Persons acting as a group together with the Holder or any of the Holder's Affiliates (such Persons, "Attribution Parties")) would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates and Attribution Parties shall include the number of shares of Common Stock issuable upon conversion of this Note with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which would be issuable upon (i) conversion of the remaining, unconverted principal amount of this Note beneficially owned by the Holder or any of its Affiliates or Attribution Parties and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Issuer subject to a limitation on conversion or exercise analogous to the limitation contained herein (including, without limitation, any other Notes or the Warrants) beneficially owned by the Holder or any of its Affiliates or Attribution Parties. Except as set forth in the preceding sentence, for purposes of this Section 3(d), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. To the extent that the limitation contained in this Section 3(d) applies, the determination of whether this Note is convertible (in relation to other securities owned by the Holder together with any Affiliates and Attribution Parties) and of which principal amount of this Note is convertible shall be in the reasonable discretion of the Holder, and the submission of a Notice of Conversion shall be deemed to be the Holder's determination of whether this Note may be converted (in relation to other securities owned by the Holder together with any Affiliates or Attribution Parties) and which principal amount of this Note is convertible, in each case subject to the Beneficial Ownership Limitation, and the Issuer shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 3(d), in determining the number of outstanding shares of Common Stock, the Holder may rely on the number of outstanding shares of Common Stock as reflected in (A) the Issuer's most recent periodic or annual report filed with the Commission, as the case may be, (B) a more recent public announcement by the Issuer, or (C) a more recent written notice by the Issuer or the Issuer's transfer agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Issuer shall within two (2) Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Issuer, including this Note, by the Holder or its Affiliates since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of this Note. The Holder, upon notice to the Issuer, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 3(d); provided that the Beneficial Ownership Limitation in no event exceeds 9.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of this Note held by the Holder and the Beneficial Ownership Limitation provisions of this Section 3(d) shall continue to apply. Any increase in the Beneficial Ownership Limitation will not be effective until the 61st day after such notice is delivered to the Issuer. The Beneficial Ownership Limitation provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 3(d) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation contained herein or to make changes or supplements necessary or desirable to properly give effect to such limitation. The preceding limitations contained in this paragraph shall apply to a successor holder of this Note. Holder shall not vote or control the vote of shares of Common Stock of the Issuer in excess of 9.99% of the number of shares of Common Stock of the Issuer outstanding immediately after giving effect to the issuance of shares of Common Stock upon conversion of this Note (the "Vote Threshold"); provided that Issuer acknowledges and agrees that Holder may own in excess of the Vote Threshold; provided that Holder has irrevocably transferred to a non-affiliated U.S. entity voting rights of all shares of Common Stock of Issuer in excess of such Vote Threshold.

- (e) Transfer Restriction. For the avoidance of doubt, nothing in this Section 3(e) shall restrict the ability of the Holder to pledge shares of Common Stock issued upon conversion of this Note.

Section 4. Certain Adjustments.

- (a) Stock Dividends and Stock Splits. If the Issuer, at any time while this Note is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any Common Stock Equivalents (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Issuer upon conversion of, or payment of interest on, the Notes), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Issuer, then the Conversion Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Issuer) outstanding immediately before such event, and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to this Section shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.
- (b) Subsequent Equity Sales. If, at any time while this Note is outstanding, the Issuer or any Subsidiary, as applicable, sells or grants any option to purchase or sells or grants any right to reprice, or otherwise disposes of or issues (or announces any sale, grant or any option to purchase or other disposition), any Common Stock or Common Stock Equivalents entitling any Person to acquire shares of Common Stock at an effective price per share that is lower than the then Conversion Price (such issuances, collectively, a "Dilutive Issuance" and such effective price, the "Base Price") (if the holder of the Common Stock or Common Stock Equivalents so issued shall at any time, whether by operation of purchase price adjustments, reset provisions, floating conversion, exercise or exchange prices or otherwise, or due to warrants, options or rights per share which are issued in connection with such issuance, be entitled to receive shares of Common Stock at an effective price per share that is lower than the Conversion Price, such issuance shall be deemed to have occurred for less than the Conversion Price on such date of the Dilutive Issuance), then simultaneously with the consummation (or, if earlier, the announcement) of each Dilutive Issuance the Conversion Price shall be reduced to equal the Base Price. Notwithstanding the foregoing, no adjustment will be made under this Section 4(b) in respect of an Exempt Issuance or an adjustment under Section 4(a). The Issuer shall notify the Holder in writing, no later than the Trading Day following the issuance of any Common Stock or Common Stock Equivalents subject to this Section 4(b), indicating therein the applicable issuance price, or applicable reset price, exchange price, conversion price and other pricing terms (such notice, the "Dilutive Issuance Notice"). For purposes of clarification, whether or not the Issuer provides a Dilutive Issuance Notice pursuant to this Section 4(b), upon the occurrence of any Dilutive Issuance, the Holder is entitled to receive a number of Conversion Shares based upon the adjusted Conversion Price on or after the date of such Dilutive Issuance, regardless of whether the Holder accurately refers to the adjusted Conversion Price in the Notice of Conversion.

- (c) Voluntary Adjustment. Subject to the rules and regulations of the principal Trading Market of the Common Stock, the Issuer may at any time during the term of this Note, with the prior written consent of the Holder, reduce the then current Conversion Price of this Note to any amount and for any period of time deemed appropriate by the board of directors of the Issuer.
- (d) [RESERVED].
- (e) Fundamental Transaction. If, at any time while this Note is outstanding, (i) the Issuer, directly or indirectly, in one or more related transactions effects any merger or consolidation of the Issuer with or into another Person, (ii) the Issuer (and all of its Subsidiaries, taken as a whole), directly or indirectly, effects any sale, lease, license, assignment, transfer, conveyance or other disposition of all or substantially all of its assets in one or a series of related transactions, (iii) any, direct or indirect, purchase offer, tender offer or exchange offer (whether by the Issuer or another Person) is completed pursuant to which holders of Common Stock are permitted to sell, tender or exchange their shares for other securities, cash or property and has been accepted by the holders of more than 50% of the outstanding Common Stock, (iv) the Issuer, directly or indirectly, in one or more related transactions effects any reclassification, reorganization or recapitalization of the Common Stock or any compulsory share exchange pursuant to which the Common Stock is effectively converted into or exchanged for other securities, cash or property, or (v) the Issuer, directly or indirectly, in one or more related transactions consummates a stock or share purchase agreement or other business combination (including, without limitation, a reorganization, recapitalization, spin-off or scheme of arrangement) with another Person whereby such other Person acquires more than 50% of the outstanding shares of Common Stock (not including any shares of Common Stock held by the other Person or other Persons making or party to, or associated or affiliated with the other Persons making or party to, such stock or share purchase agreement or other business combination) (each a "Fundamental Transaction"), then, upon any subsequent conversion of this Note, the Holder shall have the right to receive, for each Conversion Share that would have been issuable upon such conversion immediately prior to the occurrence of such Fundamental Transaction (without regard to any limitation in Section 3(d) or Section 3(e) on the conversion of this Note), the consideration (the "Alternate Consideration") receivable as a result of such Fundamental Transaction by a holder of the number of shares of Common Stock for which this Note is convertible immediately prior to such Fundamental Transaction (without regard to any limitation in Section 3(d) or Section 3(e) on the conversion of this Note). For purposes of any such conversion, the determination of the Conversion Price shall be appropriately adjusted to apply to such Alternate Consideration based on the amount of Alternate Consideration issuable in respect of one (1) share of Common Stock in such Fundamental Transaction, and the Issuer shall apportion the Conversion Price among the Alternate Consideration in a reasonable manner reflecting the relative value of any different components of the Alternate Consideration. If holders of Common Stock are given any choice as to the securities, cash or property to be received in a Fundamental Transaction, then the Holder shall be given the same choice as to the Alternate Consideration it receives upon any conversion of this Note following such Fundamental Transaction.

- (f) Calculations. All calculations under this Section 4 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 4, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding any treasury shares of the Issuer) issued and outstanding.
- (g) Notice to the Holder.
- i. Adjustment to Conversion Price. Whenever the Conversion Price is adjusted pursuant to any provision of this Section 4, the Issuer shall promptly deliver to each Holder a notice setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.
 - ii. Notice to Allow Conversion by Holder. If (A) the Issuer shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Issuer shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Issuer shall authorize the granting to all holders of the Common Stock of rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Issuer shall be required in connection with any reclassification of the Common Stock, any consolidation or merger to which the Issuer (and all of its Subsidiaries, taken as a whole) is a party, any sale or transfer of all or substantially all of the assets of the Issuer, or any compulsory share exchange whereby the Common Stock is converted into other securities, cash or property or (E) the Issuer shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Issuer, then, in each case, the Issuer shall cause to be filed at each office or agency maintained for the purpose of conversion of this Note, and shall cause to be delivered to the Holder at its last address as it shall appear upon the Note Register, at least fifteen (15) calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such reclassification, consolidation, merger, sale, transfer or share exchange is expected to become effective or close, and the date as of which it is expected that holders of the Common Stock of record shall be entitled to exchange their shares of the Common Stock for securities, cash or other property deliverable upon such reclassification, consolidation, merger, sale, transfer or share exchange; provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. The Holder shall remain entitled to convert this Note during the 15-day period commencing on the date of such notice through the effective date of the event triggering such notice except as may otherwise be expressly set forth herein.

Presentment, demand, protest and notice of presentment, demand, nonpayment and protest are each hereby waived by each Issuer.

Notwithstanding anything to the contrary, at no time shall Holder (a) be given rights that would allow it to control Issuer; (b) have access to any material nonpublic technical information in the possession of Issuer; (c) have the right to appoint any member or observer to the board of directors of Issuer; or (d) be involved, other than through voting of shares, in the Issuer's substantive decision-making regarding (i) the use, development, acquisition, safekeeping, or release of sensitive personal data of U.S. citizens that the Issuer maintains or collects; (ii) the use, development, acquisition, or release of critical technologies; or (iii) the management, operation, manufacture, or supply of covered investment critical infrastructure, to the extent Issuer at any time owns, operates, provides goods or service, or otherwise becomes involved in covered investment critical infrastructure. The terms in this paragraph are defined as they are defined in Section 721 of the U.S. Defense Production Act of 1950, as amended, and the regulations at 31 C.F.R Part 800, as they may be amended from time to time.

The New Warrants and the New Notes are collectively referred to herein as the “New Primary Securities”, the New Conversion Shares and the New Warrant Shares are collectively referred to herein as the “New Underlying Shares”, and the New Underlying Shares and the New Primary Securities are collectively referred to herein as the “New Securities”.

NOW, THEREFORE, in consideration of the terms and conditions contained herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Company and the Holders hereby agree as follows:

Section 1. Exchange. Subject to and upon the terms and conditions set forth in this Agreement, the Holders agrees to surrender to the Company the Exchanging Securities and, in exchange therefor, the Company shall convey to the Holders the New Primary Securities.

1.1 Closing. On the Closing Date (as defined below), the Company will convey and deliver (or cause to be conveyed and delivered) the New Primary Securities to each applicable Holder in accordance with the instructions attached hereto as Schedule I and each such Holder will surrender to the Company the Exchanging Securities for cancellation. The closing of the Exchange shall occur as on the date hereof, or as soon thereafter as the parties may mutually agree in writing (the "Closing Date"), subject to the provisions of Section 4 and Section 5 herein.

1.2 Section 3(a)(9). Assuming the accuracy of the representations and warranties of each of the Company and the Holders set forth in Sections 2 and 3 of this Agreement, the parties acknowledge and agree that the purpose of such representations and warranties is, among other things, to ensure that the Exchange qualifies as an exchange of securities under Section 3(a)(9) of the Securities Act.

Section 2. Representations and Warranties of the Company. The Company represents and warrants to the Holders that:

2.1 Organization and Qualification. Except as set forth on Schedule 2.1, the Company is an entity duly incorporated or otherwise organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, with the requisite power and authority to own and use its properties and assets and to carry on its business as currently conducted. Neither the Company, nor any subsidiary is in violation or default of any of the provisions of its respective certificate or certificates of incorporation, bylaws or other organizational or charter documents. Each of the Company and its subsidiaries is duly qualified to conduct business and is in good standing as a foreign corporation or other entity in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, could not have or reasonably be expected to result in a material adverse effect on the results of operations, assets, business, prospects or condition (financial or otherwise) of the Company, taken as a whole (a "Material Adverse Effect").

2.2 Authorization; Enforcement. The Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by this Agreement and, subject to the Company's receipt of the Shareholder Approval (as defined in the SPA) (and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase (as defined in the SPA)) with respect to any shares of Common Stock in excess of the Initial Reserve (as defined below), the New Primary Securities (collectively, the "Exchange Documents") and otherwise to carry out its obligations hereunder and thereunder. The execution and delivery of this Agreement and each of the other Exchange Documents by the Company and the consummation by it of the transactions contemplated hereby and thereby have been duly authorized by all necessary action on the part of the Company and no further action is required by the Company, the Board of Directors or the Company's stockholders in connection herewith or therewith. This Agreement and each other Exchange Document to which it is a party has been (or upon delivery will have been) duly executed by the Company and, when delivered in accordance with the terms hereof and thereof, will constitute the valid and binding obligation of the Company enforceable against it in accordance with its terms, except: (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally; (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies; and (iii) insofar as indemnification and contribution provisions may be limited by applicable law.

2.3 Issuance of New Securities. The issuance of the New Primary Securities by the Company is duly authorized (subject to receipt of the Shareholder Approval and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase with respect to any shares of Common Stock in excess of the Initial Reserve) and, upon conveyance in accordance with the terms hereof, the New Primary Securities shall be validly issued, fully paid and non-assessable and free from all free and clear of any mortgage, lien, pledge, charge, security interest, encumbrance, title retention agreement, option, rights, proxies, equity or other adverse claim thereto (collectively, "**Liens**"). As of the Closing, the Company shall have reserved from its duly authorized capital stock not less than 18,857,143 shares of Common Stock for the issuance of the New Conversion Shares upon conversion of the New Notes and the New Warrant Shares initially issuable upon exercise of the New Warrants (the "**Initial Reserve**"). From and after Shareholder Approval and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase, the Company shall reserve from its duly authorized capital stock not less than the sum of (i) 100% of the maximum number of New Conversion Shares issuable upon conversion of the New Notes (assuming for purposes hereof that any such conversion shall not take into account any limitations on the conversion of the New Notes set forth in the New Notes), and (ii) the maximum number of New Warrant Shares initially issuable upon exercise of the New Warrants (without taking into account any limitations on the exercise of the New Warrants set forth therein). Subject to the Company's receipt of the Shareholder Approval and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase with respect to any shares of Common Stock in excess of the Initial Reserve, upon issuance or conversion in accordance with the New Notes or exercise in accordance with the New Warrants (as the case may be), the New Conversion Shares and the New Warrant Shares, respectively, when issued, will be validly issued, fully paid and nonassessable and free from all preemptive or similar rights or Liens with respect to the issue thereof, with the holders being entitled to all rights accorded to a holder of Common Stock.

2.4 No Conflicts. The execution, delivery and performance by the Company of this Agreement and the other Exchange Documents to which it is a party, (including, without limitation, the issuance of the New Notes, the New Warrants, and, subject to the Company's receipt of the Shareholder Approval and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase with respect to any shares of Common Stock in excess of the Initial Reserve, the New Conversion Shares and the New Warrant Shares and the reservation for issuance of the New Conversion Shares and the New Warrant Shares) and the consummation by it of the transactions contemplated hereby and thereby do not and will not conflict with or violate any provision of the Company's certificate of incorporation, bylaws or other organizational or charter documents.

2.5 Acknowledgment Regarding the Exchange. The Company acknowledges and agrees that each Holder is acting solely in the capacity of an arm's length third party with respect to this Agreement and the transactions contemplated hereby. The Company further acknowledges each Holder is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to this Agreement and the transactions contemplated hereby, and any advice given by any Holder or any of its representatives or agents in connection with this Agreement is merely incidental to the Exchange.

2.6 No Commission; No Other Consideration. The Company has not paid or given, and has not agreed to pay or give, directly or indirectly, any commission or other remuneration for soliciting the Exchange. The New Primary Securities are being conveyed exclusively for the exchange of the Exchanging Securities and no other consideration has or will be paid for the New Primary Securities.

2.7 3(a)(9) Representation. The Company has not, nor has any person acting on its behalf, directly or indirectly made any offers or sales of any security or solicited any offers to buy any security under circumstances that would cause the Exchange and the issuance of the New Primary Securities pursuant to this Agreement to be integrated with prior offerings by the Company for purposes of the Securities Act which would prevent the Company from delivering the New Primary Securities to each Holder pursuant to Section 3(a)(9) of the Securities Act, nor will the Company take any action or steps that would cause the Exchange, issuance and delivery of the New Primary Securities to be integrated with other offerings to the effect that the delivery of the New Primary Securities to each Holder would be seen not to be exempt pursuant to Section 3(a)(9) of the Securities Act.

2.8 No Third-Party Advisors. Other than legal counsel, the Company has not engaged any third parties to assist in the solicitation with respect to the Exchange.

2.9 [Reserved.]

2.10 [Reserved.]

2.11 Filings, Consents and Approvals. Other than as set forth on Schedule 2.11, the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase with respect to any shares of Common Stock in excess of the Initial Reserve, or any filings required to be made with the SEC or any state securities commission, in connection with the transactions contemplated under this Agreement, the Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority or other Person in connection with the execution, delivery and performance by the Company of this Agreement.

2.12 [Reserved.]

2.13 DTC Eligibility. The Company, through the Company's transfer agent (the "Transfer Agent"), currently participates in the DTC Fast Automated Securities Transfer (FAST) Program and the Common Stock can be transferred electronically to third parties via the DTC Fast Automated Securities Transfer (FAST) Program.

2.14 [Reserved.]

2.15 Litigation. Other than as set forth in the SEC Reports, there is no action, suit, inquiry, notice of violation, proceeding or investigation pending or, to the knowledge of the Company, threatened against or affecting the Company or any of its properties before or by any court, arbitrator, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) (collectively, an "Action") which adversely affects or challenges the legality, validity or enforceability of any of the Exchange Documents or the New Primary Securities.

2.16 [Reserved.]

2.17 [Reserved.]

2.18 [Reserved.]

2.19 Certain Fees. No brokerage or finder's fees or commissions are or will be payable by the Company or any Subsidiaries to any broker, financial advisor or consultant, finder, placement agent, investment banker, bank or other Person with respect to the transactions contemplated by the Exchange Documents.

2.20 No Integrated Offering. Assuming the accuracy of the applicable Holder's representations and warranties set forth in Section 3, neither the Company, nor any of its Affiliates, nor any Person acting on their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would cause the Exchange to be integrated with prior offerings by the Company for purposes of the Securities Act which would require the registration of any such securities under the Securities Act.

2.21 Acknowledgment Regarding Holder's Exchange of the Exchanging Securities. To the knowledge of the Company each Holder is acting solely in the capacity of an arm's length party with respect to the Exchange Documents and the transactions contemplated thereby.

Section 3. Representations and Warranties of each Holder. Each Holder represents and warrants to the Company, severally and not jointly, that:

3.1 Ownership of the Exchanging Securities. Such Holder is the legal and beneficial owner of the Exchanging Securities. Such Holder paid for the Exchanging Securities and has continuously held the Exchanging Securities since its purchase. Such Holder owns the Exchanging Securities outright and free and clear of any options, contracts, agreements, liens, security interests, or other encumbrances.

3.2 No Public Sale or Distribution. Such Holder is acquiring the New Primary Securities in the ordinary course of business for its own account and not with a view toward, or for resale in connection with, the public sale or distribution thereof; provided, however, that by making the representations herein, such Holder does not agree to hold any of the New Primary Securities, for any minimum or other specific term and reserves the right to dispose of the New Primary Securities at any time in accordance with an exemption from the registration requirements of the Securities Act and applicable state securities laws. Except as contemplated herein, such Holder does not presently have any agreement or understanding, directly or indirectly, with any person to distribute, or transfer any interest or grant participation rights in, the Exchanging Securities or the New Primary Securities.

3.3 Accredited Investor and Affiliate Status. Such Holder is an “accredited investor” as that term is defined in Rule 501 of Regulation D under the Securities Act. Such Holder is not, and has not been, for a period of at least three months prior to the date of this Agreement (a) an officer or director of the Company, (b) an “affiliate” of the Company (as defined in Rule 144) (an “Affiliate”) or (c) a “beneficial owner” of more than ten percent (10%) of the common stock (as defined for purposes of Rule 13d-3 of the Exchange Act).

3.4 Reliance on Exemptions. Such Holder understands that the Exchange is being made in reliance on specific exemptions from the registration requirements of United States federal and state securities laws and that the Company is relying in part upon the truth and accuracy of, and such Holder’s compliance with, the representations, warranties, agreements, acknowledgments and understandings of such Holder set forth herein in order to determine the availability of such exemptions and the eligibility of such Holder to complete the Exchange and to acquire the New Primary Securities.

3.5 Information. Such Holder has been furnished with all materials relating to the business, finances and operations of the Company and materials relating to the Exchange which have been requested by such Holder. Such Holder has been afforded the opportunity to ask questions of the Company. Neither such inquiries nor any other due diligence investigations conducted by such Holder or its representatives shall modify, amend or affect such Holder’s right to rely on the Company’s representations and warranties contained herein. Such Holder acknowledges that all of the documents filed by the Company with the SEC under Sections 13(a), 14(a) or 15(d) of the Exchange Act that have been posted on the Commission’s EDGAR site are available to such Holder, and such Holder has not relied on any statement of the Company not contained in such documents in connection with such Holder’s decision to enter into this Agreement and the Exchange.

3.6 Risk. Such Holder understands that its investment in the New Primary Securities involves a high degree of risk. Such Holder is able to bear the risk of an investment in the New Primary Securities including, without limitation, the risk of total loss of its investment. Such Holder has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to the Exchange.

3.7 No Governmental Review. Such Holder understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement in connection with the Exchange or the fairness or suitability of the investment in the New Primary Securities nor have such authorities passed upon or endorsed the merits of the New Primary Securities.

3.8 Organization; Authorization. Such Holder is duly organized, validly existing and in good standing under the laws of its state of formation and has the requisite organizational power and authority to enter into and perform its obligations under this Agreement.

3.9 Validity; Enforcement. This Agreement has been duly and validly authorized, executed and delivered on behalf of such Holder and shall constitute the legal, valid and binding obligations of such Holder enforceable against such Holder in accordance with its terms. The execution, delivery and performance of this Agreement by such Holder and the consummation by such Holder of the transactions contemplated hereby (including, without limitation, the irrevocable surrender of the Exchanging Securities) will not result in a violation of the organizational documents of such Holder.

3.10 Prior Investment Experience. Such Holder acknowledges that it has prior investment experience, including investment in securities of the type being exchanged, including the Exchanging Securities and the New Primary Securities, and has read all of the documents furnished or made available by the Company to it and is able to evaluate the merits and risks of such an investment on its behalf, and that it recognizes the highly speculative nature of this investment.

3.11 Tax Consequences. Such Holder acknowledges that the Company has made no representation regarding the potential or actual tax consequences for such Holder which will result from entering into the Agreement and from consummation of the Exchange. Such Holder acknowledges that it bears complete responsibility for obtaining adequate tax advice regarding the Agreement and the Exchange.

3.12 No Registration, Review or Approval. Such Holder acknowledges, understands and agrees that the New Primary Securities are being exchanged hereunder pursuant to an exchange offer exemption under Section 3(a)(9) of the Securities Act.

3.13 Transfer or Resale. Such Holder understands that: (i) the New Securities have not been registered under the Securities Act or any state securities laws, and may not be offered for sale, sold, assigned or transferred unless (A) subsequently registered thereunder, (B) such Holder shall have delivered to the Company (if requested by the Company) an opinion of counsel, in a form reasonably acceptable to the Company, to the effect that such New Securities to be sold, assigned or transferred may be sold, assigned or transferred pursuant to an exemption from such registration, or (C) such Holder provides the Company with reasonable assurance that such New Securities can be sold, assigned or transferred pursuant to Rule 144 or Rule 144A promulgated under the New Securities Act (or a successor rule thereto) (collectively, "Rule 144"); (ii) any sale of the New Securities made in reliance on Rule 144 may be made only in accordance with the terms of Rule 144, and further, if Rule 144 is not applicable, any resale of the New Securities under circumstances in which the seller (or the Person through whom the sale is made) may be deemed to be an underwriter (as that term is defined in the Securities Act) may require compliance with some other exemption under the Securities Act or the rules and regulations of the SEC promulgated thereunder; and (iii) except as set forth in the SPA, neither the Company nor any other Person is under any obligation to register the New Securities under the Securities Act or any state securities laws or to comply with the terms and conditions of any exemption thereunder. Notwithstanding the foregoing, the New Securities may be pledged in connection with a bona fide margin account or other loan or financing arrangement secured by the New Securities and such pledge of Securities shall not be deemed to be a transfer, sale or assignment of the New Securities hereunder, and no Holder effecting a pledge of the New Securities shall be required to provide the Company with any notice thereof or otherwise make any delivery to the Company pursuant to this Agreement or any other Exchange Document, including, without limitation, this Section 3.13.

Section 4. Conditions Precedent to Obligations of the Company. The obligation of the Company to consummate the transactions contemplated by this Agreement is subject to the satisfaction of each of the following conditions, provided that these conditions are for the Company's sole benefit and may be waived by the Company at any time in its sole discretion by providing each Holder with prior written notice thereof:

4.1 Delivery. Each Holder shall have delivered to the Company the Exchanging Securities.

4.2 No Prohibition. No order of any court, arbitrator, or governmental or regulatory authority shall be in effect which purports to enjoin or restrain any of the transactions contemplated by this Agreement; and

4.3 Representations. The accuracy in all material respects when made and on the Closing Date of the representations and warranties of each Holder contained herein (unless as of a specific date therein).

Section 5. Conditions Precedent to Obligations of the Holders. The obligation of the Holders to consummate the transactions contemplated by this Agreement is subject to the satisfaction of each of the following conditions, provided that these conditions are for the Holders' sole benefit and may be waived by the Holders at any time in their sole discretion by providing the Company with prior written notice thereof:

5.1 No Prohibition. No order of any court, arbitrator, or governmental or regulatory authority shall be in effect which purports to enjoin or restrain any of the transactions contemplated by this Agreement;

5.2 Representations. The representations and warranties of the Company (i) shall be true and correct in all material respects when made and on the Closing Date (unless as of a specific date therein) for such representations and warranties contained herein that are not qualified by "materiality" or "Material Adverse Effect" and (ii) shall be true and correct when made and on the Closing Date (unless as of specific date therein) for such representations and warranties contained herein that are qualified by "materiality" or "Material Adverse Effect";

5.3 All Obligations. All obligations, covenants and agreements of the Company required to be performed at or prior to the Closing Date shall have been performed; and

5.3 No Suspension. From the date hereof to the Closing Date, trading in the Common Stock shall not have been suspended by the SEC or any Trading Market and, at any time prior to the Closing Date, trading in securities generally as reported by Bloomberg L.P. shall not have been suspended or limited, which, in each case, makes it impracticable to consummate the Exchange.

Section 6. Other Agreements between the Parties.

6.1 Integration. The Company shall not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that would be integrated with the Exchange of the Exchanging Securities in a manner that would require the registration under the Securities Act of the sale of the New Primary Securities.

6.2 Replacement of Securities. If any certificate or instrument evidencing any of the New Primary Securities is mutilated, lost, stolen or destroyed, the Company shall convey or cause to be conveyed in exchange and substitution for and upon cancellation thereof (in the case of mutilation), or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction. The applicant for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs (including customary indemnity) associated with the issuance of such replacement securities.

Section 7. Governing Law; Jurisdiction; Waiver of Jury Trial. This Agreement shall be construed under the laws of the State of Delaware, without regard to principles of conflicts of law or choice of law that would permit or require the application of the laws of another jurisdiction. The Company and the Holders each hereby agrees that all actions or proceedings arising directly or indirectly from or in connection with this Agreement shall be litigated only in the Supreme Court of the State of New York or the United States District Court for the Southern District of New York located in New York County, New York. Section 9. Headings. The headings of this Agreement are for convenience of reference and shall not form part of, or affect the interpretation of, this Agreement.

Section 10. Severability. If any provision of this Agreement shall be invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Agreement in that jurisdiction or the validity or enforceability of any provision of this Agreement in any other jurisdiction.

Section 11. No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.

Section 14. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns, including any purchasers of the New Primary Securities. Subject to its compliance with applicable federal and state securities laws, a Holder may assign some or all of its rights hereunder without the consent of the Company, in which event such assignee shall be deemed to be such Holder hereunder with respect to such assigned rights.

Section 15. No Third-Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective permitted successors and assigns, and is not for the benefit of, nor may any provision hereof be enforced by, any other person.

Section 16. Survival of Representations. The representations and warranties of the Company and the Holders contained in Sections 2 and 3, respectively, will survive the closing of the transactions contemplated by this Agreement.

The Company shall, on or before 8:30 a.m., New York City time, on the next business day after the date of this Agreement, file a Current Report on Form 8-K describing the terms of the transactions contemplated hereby in the form required by the 1934 Act and attaching the Exchange Documents, to the extent they are required to be filed under the 1934 Act, that have not previously been filed with the Securities and Exchange Commission by the Company (including, without limitation, this Agreement) as exhibits to such filing (including all attachments, the “8-K Filing”). From and after the filing of the 8-K Filing, the Company shall have disclosed all material, non-public information (if any) provided up to such time to the Holders by the Company or any of its Subsidiaries or any of their respective officers, directors, employees or agents. In addition, effective upon the filing of the 8-K Filing, the Company acknowledges and agrees that any and all confidentiality or similar obligations under any agreement with respect to the transactions contemplated by the Exchange Documents or as otherwise disclosed in the 8-K Filing, whether written or oral, between the Company, any of its Subsidiaries or any of their respective officers, directors, affiliates, employees or agents, on the one hand, and any of the Holders or any of their affiliates, on the other hand, shall terminate. Neither the Company, its Subsidiaries nor the Holders shall issue any press releases or any other public statements with respect to the transactions contemplated hereby; *provided, however*, the Company shall be entitled, without the prior approval of the Holders, to make a press release or other public disclosure with respect to such transactions (i) in substantial conformity with the 8-K Filing and contemporaneously therewith or (ii) as is required by applicable law and regulations (provided that in the case of clause (i) the Holders shall be consulted by the Company in connection with any such press release or other public disclosure prior to its release). Without the prior written consent of the Holders (which may be granted or withheld in the Holders’ sole discretion), except as required by applicable law, the Company shall not (and shall cause each of its Subsidiaries and affiliates to not) disclose the name of any Holder in any filing, announcement, release or otherwise.

Section 18. Fees. In addition to, but not in limitation of, any other rights of the Holders hereunder, if (a) this Agreement or any of the New Primary Securities are placed in the hands of an attorney for collection of any indemnification or other obligation hereunder or thereunder then outstanding or enforcement or any such obligation is collected or enforced through any legal proceeding or any Holder otherwise takes action to collect amounts due under this Agreement or any of the New Primary Securities or to enforce the provisions of this Agreement or any of the New Primary Securities or (b) there occurs any bankruptcy, reorganization, receivership of the Company or other proceedings affecting Company creditors’ rights and involving a claim under this Agreement or any of the New Primary Securities, then the Company shall pay the costs incurred by such Holder for such collection, enforcement or action or in connection with such bankruptcy, reorganization, receivership or other proceeding, including, without limitation, reasonable attorneys’ fees and disbursements.

Section 19. Listing. The Company shall use reasonable best efforts to promptly secure the listing or designation for quotation (as the case may be) of all of the New Underlying Securities (collectively, the “Applicable Securities”) upon each national securities exchange and automated quotation system, if any, upon which the Common Stock is then listed or designated for quotation (as the case may be) (subject to official notice of issuance) and shall maintain such listing or designation for quotation (as the case may be) of all Applicable Securities from time to time issuable under the terms of the Exchange Documents on such national securities exchange or automated quotation system. The Company shall use reasonable best efforts to maintain the Common Stock’s listing or authorization for quotation (as the case may be) on any one (or more) of The New York Stock Exchange, the NYSE American, the Nasdaq Capital Market, the Nasdaq Global Market or the Nasdaq Global Select Market (each, an “Eligible Market”). The Company shall pay all fees and expenses in connection with satisfying its obligations under this Section 19.

Section 20. Holding Period. For the purposes of Rule 144, the Company acknowledges that the holding period of the applicable New Primary Securities (and upon conversion of the New Notes, the New Conversion Shares and/or upon exercise of the New Warrants (assuming a cashless exercise thereof), the New Warrant Shares, as applicable)) may be tacked onto both the holding period of the corresponding applicable Original Warrant, and the Company agrees not to take a position contrary to this Section 20. The Company acknowledges and agrees that, subject to the Holder's representations and warranties contained in this Agreement, the New Primary Securities (and upon conversion of the New Notes, the New Conversion Shares and/or upon exercise of the New Warrants (assuming a cashless exercise thereof)) issued in exchange for Original Warrants with an issuance date of greater than six months prior to the date hereof shall not be required to bear any restrictive legend and shall be freely transferable by such applicable Holder pursuant to and in accordance with Rule 144, provided, for the avoidance of doubt, that such Holder shall not be an affiliate of the Company and shall not have been an affiliate during the 90 days preceding the date of any transfer.

Section 21. Conversion and Exercise Procedures. Each of the form of Notice of Exercise (as defined in the New Warrants) included in the New Warrants and the form of Notice of Conversion (as defined in the New Notes) included in the New Notes set forth the totality of the procedures required of any Holder in order to exercise the New Warrants or convert the New Notes. Except with respect to the New Primary Securities (and upon conversion of the New Notes, the New Conversion Shares and/or upon exercise of the New Warrants (assuming a cashless exercise thereof)) issued in exchange for Original Warrants with an issuance date of less than six months prior to the date hereof, no additional legal opinion, other information or instructions shall be required of any Holder to exercise its New Warrants or convert its New Notes. Subject to the Company's receipt of the Shareholder Approval and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase with respect to any shares of Common Stock in excess of the Initial Reserve, the Company shall honor exercises of the New Warrants and conversions of the New Notes and shall deliver the New Conversion Shares and New Warrant Shares in accordance with the terms, conditions and time periods set forth in the Notes and Warrants.

Section 22. Reservation of Shares. As of the Closing, the Company shall have reserved from its duly authorized capital stock not less than 18,857,143 shares of Common Stock for issuance upon conversion of the New Notes and the New Warrant Shares initially issuable upon exercise of the New Warrants. From and after Shareholder Approval and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase, so long as any of the New Notes or New Warrants remain outstanding, the Company shall take all action necessary to at all times have authorized, and reserved for the purpose of issuance, no less than (i) 100% of the maximum number of shares of Common Stock issuable upon conversion of all the New Notes then outstanding (assuming for purposes hereof that any such conversion shall not take into account any limitations on the conversion of the New Notes set forth in the New Notes), and (ii) the maximum number of New Warrant Shares issuable upon exercise of all the New Warrants then outstanding (without regard to any limitations on the exercise of the New Warrants set forth therein) (collectively, the "Required Reserve Amount"); provided that at no time shall the number of shares of Common Stock reserved pursuant to this Section 22 be reduced other than proportionally in connection with any conversion, exercise and/or redemption, as applicable of New Notes and New Warrants. If at any time after May 1, 2023, the number of shares of Common Stock authorized and reserved for issuance is not sufficient to meet the Required Reserve Amount, the Company will use reasonable best efforts to promptly take all corporate action necessary to authorize and reserve a sufficient number of shares, including, without limitation, calling a special meeting of stockholders to authorize additional shares to meet the Company's obligations pursuant to the Transaction Documents, in the case of an insufficient number of authorized shares, obtain stockholder approval of an increase in such authorized number of shares, and voting the management shares of the Company in favor of an increase in the authorized shares of the Company to ensure that the number of authorized shares is sufficient to meet the Required Reserve Amount.

Section 23. Further Assurances. Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents, as any other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

Section 24. Register; Transfer Agent Instructions; Legend.

(a) Register. The Company shall maintain at its principal executive offices (or such other office or agency of the Company as it may designate by notice to each holder of New Securities), a register for the New Notes and the New Warrants in which the Company shall record the name and address of the Person in whose name the New Notes and the New Warrants have been issued (including the name and address of each transferee), the principal amount of the New Notes held by such Person, the number of Conversion Shares issuable pursuant to the terms of the New Notes and the number of New Warrant Shares issuable upon exercise of the New Warrants held by such Person. The Company shall keep the register available during business hours for inspection of any Holder or its legal representatives upon their reasonable request.

(b) Legends. Each Holder understands that the New Securities have been issued or, subject to the Company's receipt of the Shareholder Approval and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase with respect to the shares of Common Stock in excess of the Initial Reserve, will be issued in the case of the Conversion Shares and the New Warrant Shares) pursuant to an exemption from registration or qualification under the New Securities Act and applicable state securities laws, and except as set forth below, the New Securities shall bear any legend as required by the "blue sky" laws of any state and a restrictive legend in substantially the following form (and a stop-transfer order may be placed against transfer of such stock certificates):

[NEITHER THE ISSUANCE AND SALE OF THE SECURITIES NOR THE SECURITIES INTO WHICH THESE SECURITIES ARE [CONVERTIBLE] [EXERCISABLE] HAVE BEEN][THE SECURITIES HAVE NOT BEEN] REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL TO THE HOLDER (IF REQUESTED BY THE COMPANY), IN A FORM REASONABLY ACCEPTABLE TO THE COMPANY, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD OR ELIGIBLE TO BE SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.

(c) Removal of Legends. Certificates or other documents evidencing New Securities shall not be required to contain the legend set forth in Section 24(b) above or any other legend (i) while a registration statement (including a Registration Statement) covering the resale of such New Securities is effective under the Securities Act, (ii) following any sale of such Securities pursuant to Rule 144 (assuming the transferor is not an affiliate of the Company), (iii) if such New Securities are eligible to be sold, assigned or transferred under Rule 144 (provided that a Holder provides the Company with reasonable assurances that such New Securities are eligible for sale, assignment or transfer under Rule 144 which shall not include an opinion of Holder's counsel), (iv) in connection with a sale, assignment or other transfer (other than under Rule 144), provided that such Holder provides the Company with an opinion of counsel to such Holder, in a generally acceptable form, to the effect that such sale, assignment or transfer of the New Securities may be made without registration under the applicable requirements of the Securities Act or (v) if such legend is not required under applicable requirements of the Securities Act (including, without limitation, controlling judicial interpretations and pronouncements issued by the SEC). If a legend is not required pursuant to the foregoing, the Company shall no later than two (2) Trading Days (or such earlier date as required pursuant to the 1934 Act or other applicable law, rule or regulation for the settlement of a trade initiated on the date such Holder delivers such legended certificate representing such New Securities to the Company) following the delivery by a Holder to the Company or the transfer agent (with notice to the Company) of a legended certificate or entry representing such New Securities (endorsed or with stock powers attached, signatures guaranteed, and otherwise in form necessary to affect the reissuance and/or transfer, if applicable), together with any other deliveries from such Holder as may be required above in this Section 24(c) or otherwise reasonably requested by the Company or its transfer agent, as directed by such Holder, either: (A) provided that the Company's transfer agent is participating in the DTC Fast Automated Securities Transfer Program ("FAST") and such New Securities are Conversion Shares or New Warrant Shares, credit the aggregate number of shares of Common Stock to which such Holder shall be entitled to such Holder's or its designee's balance account with DTC through its Deposit/Withdrawal at Custodian system or (B) if the Company's transfer agent is not participating in FAST, issue and deliver (via reputable overnight courier) to such Holder, a certificate or other documentation representing such New Securities that is free from all restrictive and other legends, registered in the name of such Holder or its designee (the date by which such credit is so required to be made to the balance account of such Holder's or such Holder's designee with DTC or such certificate is required to be delivered to such Holder pursuant to the foregoing is referred to herein as the "**Required Delivery Date**", and the date such shares of Common Stock are actually delivered without restrictive legend to such Holder or such Holder's designee with DTC, as applicable, the "**Share Delivery Date**"). The Company shall be responsible for any transfer agent fees or DTC fees with respect to any issuance of New Securities or the removal of any legends with respect to any New Securities in accordance herewith. Any fees (with respect to the transfer agent, counsel to the Company or otherwise) associated with the issuance of such opinion or the removal of any legends on any of the New Securities shall be borne by the Company.

(d) Failure to Timely Deliver; Buy-In. If the Company fails to, for any reason or for no reason, to issue and deliver (or cause to be delivered) to a Holder (or its designee) by the Required Delivery Date, either (I) if the Transfer Agent is not participating in FAST, a certificate for the number of Conversion Shares or New Warrant Shares (as the case may be) to which such Holder is entitled and register such Conversion Shares or New Warrant Shares (as the case may be) on the Company's share register or, if the Transfer Agent is participating in FAST, to credit the balance account of such Holder or such Holder's designee with DTC for such number of Conversion Shares or New Warrant Shares (as the case may be) submitted for legend removal by such Holder pursuant to Section 24(d) above or (II) if a registration statement declared effective after the date hereof and covering the resale of the Conversion Shares and/or New Warrant Shares (as the case may be) submitted for legend removal by such Holder pursuant to Section 24(d) above (the "**Unavailable Shares**") is not available for the resale of such Unavailable Shares and the Company fails to promptly (x) so notify such Holder and (y) deliver the Conversion Shares or New Warrant Shares, as applicable, electronically without any restrictive legend by crediting such aggregate number of Conversion Shares or New Warrant Shares (as the case may be) submitted for legend removal by such Holder pursuant to Section 24(d) above to such Holder's or its designee's balance account with DTC through its Deposit/Withdrawal At Custodian system (the event described in the immediately foregoing clause (II) is hereinafter referred to as a "**Notice Failure**" and together with the event described in clause (I) above, a "**Delivery Failure**"), then, in addition to all other remedies available to such Holder, the Company shall pay in cash to such Holder on each day after the Share Delivery Date and during such Delivery Failure an amount equal to 0.5% of the product of (A) the sum of the number of shares of Common Stock not issued to such Holder on or prior to the Required Delivery Date and to which such Holder is entitled, and (B) the average closing price during the period beginning on the date of the delivery by such Holder to the Company of the applicable Conversion Shares or New Warrant Shares (as the case may be) and ending on the applicable Share Delivery Date. In addition to the foregoing, if on or prior to the Required Delivery Date either (I) if the Transfer Agent is not participating in FAST, the Company shall fail to issue and deliver a certificate to a Holder and register such shares of Common Stock on the Company's share register or, if the Transfer Agent is participating in FAST, credit the balance account of such Holder or such Holder's designee with DTC for the number of shares of Common Stock to which such Holder submitted for legend removal by such Holder pursuant to Section 24(d) above (ii) below or (II) a Notice Failure occurs, and if on or after such Trading Day such Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by such Holder of shares of Common Stock submitted for legend removal by such Holder pursuant to Section 24(d) above that such Holder is entitled to receive from the Company (a "**Buy-In**"), then the Company shall, within three (3) Trading Days after such Holder's request and in such Holder's discretion, either (i) pay cash to such Holder in an amount equal to such Holder's total purchase price (including brokerage commissions and other out-of-pocket expenses, if any, for the shares of Common Stock so purchased) (the "**Buy-In Price**"), at which point the Company's obligation to so deliver such certificate or credit such Holder's balance account shall terminate and such shares shall be cancelled, or (ii) promptly honor its obligation to so deliver to such Holder a certificate or certificates or credit the balance account of such Holder or such Holder's designee with DTC representing such number of shares of Common Stock that would have been so delivered if the Company timely complied with its obligations hereunder and pay cash to such Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of shares of Conversion Shares or New Warrant Shares (as the case may be) that the Company was required to deliver to such Holder by the Required Delivery Date multiplied by (B) the average Closing Sale Price (as defined in the New Warrants) of the Common Stock on any Trading Day during the period commencing on the date of the delivery by such Holder to the Company of the applicable Conversion Shares or New Warrant Shares (as the case may be) and ending on the date of such delivery and payment under this clause (ii). Nothing shall limit such Holder's right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock (or to electronically deliver such shares of Common Stock) as required pursuant to the terms hereof. Notwithstanding anything herein to the contrary, with respect to any given Notice Failure and/or Delivery Failure, this Section 24(e) shall not apply to the applicable Holder the extent the Company has already paid such amounts in full to such Holder with respect to such Notice Failure and/or Delivery Failure, as applicable, pursuant to the analogous sections of the New Note or New Warrant, as applicable, held by such Holder.

Section 25. Remedies. Each Holder and in the event of assignment by Holder of its rights and obligations hereunder, each holder of New Securities, shall have all rights and remedies set forth in the Exchange Documents and all rights and remedies which such holders have been granted at any time under any other agreement or contract and all of the rights which such holders have under any law. Any Person having any rights under any provision of this Agreement shall be entitled to enforce such rights specifically (without posting a bond or other security), to recover damages by reason of any breach of any provision of this Agreement and to exercise all other rights granted by law. Furthermore, the Company recognizes that in the event that it or any Subsidiary fails to perform, observe, or discharge any or all of its or such Subsidiary's (as the case may be) obligations under the Exchange Documents, any remedy at law would be inadequate relief to the Holders. The Company therefore agrees that the Holders shall be entitled to specific performance and/or temporary, preliminary and permanent injunctive or other equitable relief from any court of competent jurisdiction in any such case without the necessity of proving actual damages and without posting a bond or other security. The remedies provided in this Agreement and the other Exchange Documents shall be cumulative and in addition to all other remedies available under this Agreement and the other Exchange Documents, at law or in equity (including a decree of specific performance and/or other injunctive relief).

The closing of the Exchange shall occur as on the date hereof, or as soon thereafter as the parties may mutually agree in writing (the "Closing Date"), subject to the provisions of Section 4 and Section 5 herein.

1.2 Section 3(a)(9). Assuming the accuracy of the representations and warranties of each of the Company and the Holders set forth in Sections 2 and 3 of this Agreement, the parties acknowledge and agree that the purpose of such representations and warranties is, among other things, to ensure that the Exchange qualifies as an exchange of securities under Section 3(a)(9) of the Securities Act.

2.1 Organization and Qualification. Except as set forth on Schedule 2.1, the Company is an entity duly incorporated or otherwise organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization, with the requisite power and authority to own and use its properties and assets and to carry on its business as currently conducted. Each of the Company and its subsidiaries is duly qualified to conduct business and is in good standing as a foreign corporation or other entity in each jurisdiction in which the nature of the business conducted or property owned by it makes such qualification necessary, except where the failure to be so qualified or in good standing, as the case may be, could not have or reasonably be expected to result in a material adverse effect on the results of operations, assets, business, prospects or condition (financial or otherwise) of the Company, taken as a whole (a "Material Adverse Effect").

2.2 Authorization; Enforcement. The Company has the requisite corporate power and authority to enter into and to consummate the transactions contemplated by this Agreement and, subject to the Company's receipt of the Shareholder Approval (as defined in the SPA) (and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase (as defined in the SPA)) with respect to any shares of Common Stock in excess of the Initial Reserve (as defined below), the New Primary Securities (collectively, the "Exchange Documents") and otherwise to carry out its obligations hereunder and thereunder. The execution and delivery of this Agreement and each of the other Exchange Documents by the Company and the consummation by it of the transactions contemplated hereby and thereby have been duly authorized by all necessary action on the part of the Company and no further action is required by the Company, the Board of Directors or the Company's stockholders in connection herewith or therewith. This Agreement and each other Exchange Document to which it is a party has been (or upon delivery will have been) duly executed by the Company and, when delivered in accordance with the terms hereof and thereof, will constitute the valid and binding obligation of the Company enforceable against it in accordance with its terms, except: (i) as limited by general equitable principles and applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally; (ii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies; and (iii) insofar as indemnification and contribution provisions may be limited by applicable law.

2.3 Issuance of New Securities. The issuance of the New Primary Securities by the Company is duly authorized (subject to receipt of the Shareholder Approval and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase with respect to any shares of Common Stock in excess of the Initial Reserve) and, upon conveyance in accordance with the terms hereof, the New Primary Securities shall be validly issued, fully paid and non-assessable and free from all free and clear of any mortgage, lien, pledge, charge, security interest, encumbrance, title retention agreement, option, rights, proxies, equity or other adverse claim thereto (collectively, "**Liens**"). As of the Closing, the Company shall have reserved from its duly authorized capital stock not less than 63,051,933 shares of Common Stock for the issuance of the New Conversion Shares upon conversion of the New Notes, the New Warrant Shares initially issuable upon exercise of the New Warrants and shares of Common Stock upon conversion of the Existing FSV Convertible Notes (as defined in the SPA), as replaced by new notes pursuant to terms of the SPA (the "**Initial Reserve**"). From and after Shareholder Approval and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase, the Company shall reserve from its duly authorized capital stock not less than the sum of (i) 100% of the maximum number of New Conversion Shares issuable upon conversion of the New Notes (assuming for purposes hereof that any such conversion shall not take into account any limitations on the conversion of the New Notes set forth in the New Notes), and (ii) the maximum number of New Warrant Shares initially issuable upon exercise of the New Warrants (without taking into account any limitations on the exercise of the New Warrants set forth therein). Subject to the Company's receipt of the Shareholder Approval and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase with respect to any shares of Common Stock in excess of the Initial Reserve, upon issuance or conversion in accordance with the New Notes or exercise in accordance with the New Warrants (as the case may be), the New Conversion Shares and the New Warrant Shares, respectively, when issued, will be validly issued, fully paid and nonassessable and free from all preemptive or similar rights or Liens with respect to the issue thereof, with the holders being entitled to all rights accorded to a holder of Common Stock.

2.4 No Conflicts. The execution, delivery and performance by the Company of this Agreement and the other Exchange Documents to which it is a party, (including, without limitation, the issuance of the New Notes, the New Warrants, and, subject to the Company's receipt of the Shareholder Approval and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase with respect to any shares of Common Stock in excess of the Initial Reserve, the New Conversion Shares and the New Warrant Shares and the reservation for issuance of the New Conversion Shares and the New Warrant Shares) and the consummation by it of the transactions contemplated hereby and thereby do not and will not conflict with or violate any provision of the Company's certificate of incorporation, bylaws or other organizational or charter documents.

2.5 Acknowledgment Regarding the Exchange. The Company acknowledges and agrees that each Holder is acting solely in the capacity of an arm's length third party with respect to this Agreement and the transactions contemplated hereby. The Company further acknowledges each Holder is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to this Agreement and the transactions contemplated hereby, and any advice given by any Holder or any of its representatives or agents in connection with this Agreement is merely incidental to the Exchange.

2.6 No Commission; No Other Consideration. The Company has not paid or given, and has not agreed to pay or give, directly or indirectly, any commission or other remuneration for soliciting the Exchange. The New Primary Securities are being conveyed exclusively for the exchange of the Exchanging Securities and no other consideration has or will be paid for the New Primary Securities.

2.7 3(a)(9) Representation. The Company has not, nor has any person acting on its behalf, directly or indirectly made any offers or sales of any security or solicited any offers to buy any security under circumstances that would cause the Exchange and the issuance of the New Primary Securities pursuant to this Agreement to be integrated with prior offerings by the Company for purposes of the Securities Act which would prevent the Company from delivering the New Primary Securities to each Holder pursuant to Section 3(a)(9) of the Securities Act, nor will the Company take any action or steps that would cause the Exchange, issuance and delivery of the New Primary Securities to be integrated with other offerings to the effect that the delivery of the New Primary Securities to each Holder would be seen not to be exempt pursuant to Section 3(a)(9) of the Securities Act.

2.8 No Third-Party Advisors. Other than legal counsel, the Company has not engaged any third parties to assist in the solicitation with respect to the Exchange.

2.9 [Reserved.]

2.10 [Reserved.]

2.11 Filings, Consents and Approvals. Other than as set forth on Schedule 2.11, the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase with respect to any shares of Common Stock in excess of the Initial Reserve, or any filings required to be made with the SEC or any state securities commission, in connection with the transactions contemplated under this Agreement, the Company is not required to obtain any consent, waiver, authorization or order of, give any notice to, or make any filing or registration with, any court or other federal, state, local or other governmental authority or other Person in connection with the execution, delivery and performance by the Company of this Agreement.

2.15 Litigation. Other than as set forth in the SEC Reports, there is no action, suit, inquiry, notice of violation, proceeding or investigation pending or, to the knowledge of the Company, threatened against or affecting the Company or any of its properties before or by any court, arbitrator, governmental or administrative agency or regulatory authority (federal, state, county, local or foreign) (collectively, an "Action") which adversely affects or challenges the legality, validity or enforceability of any of the Exchange Documents or the New Primary Securities.

2.16 [Reserved.]

2.17 [Reserved.]

2.18 [Reserved.]

2.19 Certain Fees. No brokerage or finder's fees or commissions are or will be payable by the Company or any Subsidiaries to any broker, financial advisor or consultant, finder, placement agent, investment banker, bank or other Person with respect to the transactions contemplated by the Exchange Documents.

2.20 No Integrated Offering. Assuming the accuracy of the applicable Holder's representations and warranties set forth in Section 3, neither the Company, nor any of its Affiliates, nor any Person acting on their behalf has, directly or indirectly, made any offers or sales of any security or solicited any offers to buy any security, under circumstances that would cause the Exchange to be integrated with prior offerings by the Company for purposes of the Securities Act which would require the registration of any such securities under the Securities Act.

2.21 Acknowledgment Regarding Holder's Exchange of the Exchanging Securities. To the knowledge of the Company each Holder is acting solely in the capacity of an arm's length party with respect to the Exchange Documents and the transactions contemplated thereby.

Section 3. Representations and Warranties of each Holder. Each Holder represents and warrants to the Company, severally and not jointly, that:

3.1 Ownership of the Exchanging Securities. Such Holder is the legal and beneficial owner of the Exchanging Securities. Such Holder paid for the Exchanging Securities and has continuously held the Exchanging Securities since its purchase. Such Holder owns the Exchanging Securities outright and free and clear of any options, contracts, agreements, liens, security interests, or other encumbrances.

3.2 No Public Sale or Distribution. Such Holder is acquiring the New Primary Securities in the ordinary course of business for its own account and not with a view toward, or for resale in connection with, the public sale or distribution thereof; provided, however, that by making the representations herein, such Holder does not agree to hold any of the New Primary Securities, for any minimum or other specific term and reserves the right to dispose of the New Primary Securities at any time in accordance with an exemption from the registration requirements of the Securities Act and applicable state securities laws. Except as contemplated herein, such Holder does not presently have any agreement or understanding, directly or indirectly, with any person to distribute, or transfer any interest or grant participation rights in, the Exchanging Securities or the New Primary Securities.

3.3 Accredited Investor and Affiliate Status. Such Holder is an "accredited investor" as that term is defined in Rule 501 of Regulation D under the Securities Act. Such Holder is not, and has not been, for a period of at least three months prior to the date of this Agreement (a) an officer or director of the Company, (b) an "affiliate" of the Company (as defined in Rule 144) (an "Affiliate") or (c) a "beneficial owner" of more than ten percent (10%) of the common stock (as defined for purposes of Rule 13d-3 of the Exchange Act).

3.4 Reliance on Exemptions. Such Holder understands that the Exchange is being made in reliance on specific exemptions from the registration requirements of United States federal and state securities laws and that the Company is relying in part upon the truth and accuracy of, and such Holder's compliance with, the representations, warranties, agreements, acknowledgments and understandings of such Holder set forth herein in order to determine the availability of such exemptions and the eligibility of such Holder to complete the Exchange and to acquire the New Primary Securities.

3.5 Information. Such Holder has been furnished with all materials relating to the business, finances and operations of the Company and materials relating to the Exchange which have been requested by such Holder. Such Holder has been afforded the opportunity to ask questions of the Company. Neither such inquiries nor any other due diligence investigations conducted by such Holder or its representatives shall modify, amend or affect such Holder's right to rely on the Company's representations and warranties contained herein. Such Holder acknowledges that all of the documents filed by the Company with the SEC under Sections 13(a), 14(a) or 15(d) of the Exchange Act that have been posted on the Commission's EDGAR site are available to such Holder, and such Holder has not relied on any statement of the Company not contained in such documents in connection with such Holder's decision to enter into this Agreement and the Exchange.

3.6 Risk. Such Holder understands that its investment in the New Primary Securities involves a high degree of risk. Such Holder is able to bear the risk of an investment in the New Primary Securities including, without limitation, the risk of total loss of its investment. Such Holder has sought such accounting, legal and tax advice as it has considered necessary to make an informed investment decision with respect to the Exchange.

3.7 No Governmental Review. Such Holder understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement in connection with the Exchange or the fairness or suitability of the investment in the New Primary Securities nor have such authorities passed upon or endorsed the merits of the New Primary Securities.

3.8 Organization; Authorization. Such Holder is duly organized, validly existing and in good standing under the laws of its state of formation and has the requisite organizational power and authority to enter into and perform its obligations under this Agreement.

3.9 Validity; Enforcement. This Agreement has been duly and validly authorized, executed and delivered on behalf of such Holder and shall constitute the legal, valid and binding obligations of such Holder enforceable against such Holder in accordance with its terms. The execution, delivery and performance of this Agreement by such Holder and the consummation by such Holder of the transactions contemplated hereby (including, without limitation, the irrevocable surrender of the Exchanging Securities) will not result in a violation of the organizational documents of such Holder.

3.10 Prior Investment Experience. Such Holder acknowledges that it has prior investment experience, including investment in securities of the type being exchanged, including the Exchanging Securities and the New Primary Securities, and has read all of the documents furnished or made available by the Company to it and is able to evaluate the merits and risks of such an investment on its behalf, and that it recognizes the highly speculative nature of this investment.

3.11 Tax Consequences. Such Holder acknowledges that the Company has made no representation regarding the potential or actual tax consequences for such Holder which will result from entering into the Agreement and from consummation of the Exchange. Such Holder acknowledges that it bears complete responsibility for obtaining adequate tax advice regarding the Agreement and the Exchange.

3.12 No Registration, Review or Approval. Such Holder acknowledges, understands and agrees that the New Primary Securities are being exchanged hereunder pursuant to an exchange offer exemption under Section 3(a)(9) of the Securities Act.

3.13 Transfer or Resale. Such Holder understands that: (i) the New Securities have not been and are not being registered under the Securities Act or any state securities laws, and may not be offered for sale, sold, assigned or transferred unless (A) subsequently registered thereunder, (B) such Holder shall have delivered to the Company (if requested by the Company) an opinion of counsel, in a form reasonably acceptable to the Company, to the effect that such New Securities to be sold, assigned or transferred may be sold, assigned or transferred pursuant to an exemption from such registration, or (C) such Holder provides the Company with reasonable assurance that such New Securities can be sold, assigned or transferred pursuant to Rule 144 or Rule 144A promulgated under the New Securities Act (or a successor rule thereto) (collectively, "Rule 144"); (ii) any sale of the New Securities made in reliance on Rule 144 may be made only in accordance with the terms of Rule 144, and further, if Rule 144 is not applicable, any resale of the New Securities under circumstances in which the seller (or the Person through whom the sale is made) may be deemed to be an underwriter (as that term is defined in the Securities Act) may require compliance with some other exemption under the Securities Act or the rules and regulations of the SEC promulgated thereunder; and (iii) neither the Company nor any other Person is under any obligation to register the New Securities under the Securities Act or any state securities laws or to comply with the terms and conditions of any exemption thereunder. Notwithstanding the foregoing, the New Securities may be pledged in connection with a bona fide margin account or other loan or financing arrangement secured by the New Securities and such pledge of Securities shall not be deemed to be a transfer, sale or assignment of the New Securities hereunder, and no Holder effecting a pledge of the New Securities shall be required to provide the Company with any notice thereof or otherwise make any delivery to the Company pursuant to this Agreement or any other Exchange Document, including, without limitation, this Section 3.13.

Section 4. Conditions Precedent to Obligations of the Company. The obligation of the Company to consummate the transactions contemplated by this Agreement is subject to the satisfaction of each of the following conditions, provided that these conditions are for the Company's sole benefit and may be waived by the Company at any time in its sole discretion by providing each Holder with prior written notice thereof:

4.1 Delivery. Each Holder shall have delivered to the Company the Exchanging Securities.

4.2 No Prohibition. No order of any court, arbitrator, or governmental or regulatory authority shall be in effect which purports to enjoin or restrain any of the transactions contemplated by this Agreement; and

4.3 Representations. The accuracy in all material respects when made and on the Closing Date of the representations and warranties of each Holder contained herein (unless as of a specific date therein).

Section 5. Conditions Precedent to Obligations of the Holders. 5.1 No Prohibition. No order of any court, arbitrator, or governmental or regulatory authority shall be in effect which purports to enjoin or restrain any of the transactions contemplated by this Agreement;

5.2 Representations. The representations and warranties of the Company (i) shall be true and correct in all material respects when made and on the Closing Date (unless as of a specific date therein) for such representations and warranties contained herein that are not qualified by "materiality" or "Material Adverse Effect" and (ii) shall be true and correct when made and on the Closing Date (unless as of specific date therein) for such representations and warranties contained herein that are qualified by "materiality" or "Material Adverse Effect";

5.3 All Obligations. All obligations, covenants and agreements of the Company required to be performed at or prior to the Closing Date shall have been performed; and

5.3 No Suspension. From the date hereof to the Closing Date, trading in the Common Stock shall not have been suspended by the SEC or any Trading Market and, at any time prior to the Closing Date, trading in securities generally as reported by Bloomberg L.P. shall not have been suspended or limited, which, in each case, makes it impracticable to consummate the Exchange.

Section 6. Other Agreements between the Parties.

6.1 Integration. The Company shall not sell, offer for sale or solicit offers to buy or otherwise negotiate in respect of any security (as defined in Section 2 of the Securities Act) that would be integrated with the Exchange of the Exchanging Securities in a manner that would require the registration under the Securities Act of the sale of the New Primary Securities.

6.2 Replacement of Securities. If any certificate or instrument evidencing any of the New Primary Securities is mutilated, lost, stolen or destroyed, the Company shall convey or cause to be conveyed in exchange and substitution for and upon cancellation thereof (in the case of mutilation), or in lieu of and substitution therefor, a new certificate or instrument, but only upon receipt of evidence reasonably satisfactory to the Company of such loss, theft or destruction. The applicant for a new certificate or instrument under such circumstances shall also pay any reasonable third-party costs (including customary indemnity) associated with the issuance of such replacement securities.

Section 7. Governing Law; Jurisdiction; Waiver of Jury Trial. This Agreement shall be construed under the laws of the State of Delaware, without regard to principles of conflicts of law or choice of law that would permit or require the application of the laws of another jurisdiction. The Company and the Holders each hereby agrees that all actions or proceedings arising directly or indirectly from or in connection with this Agreement shall be litigated only in the Supreme Court of the State of New York or the United States District Court for the Southern District of New York located in New York County, New York. The Company and the Holders each consents to the exclusive jurisdiction and venue of the foregoing courts and consents that any process or notice of motion or other application to either of said courts or a judge thereof may be served inside or outside the State of New York or the Southern District of New York by generally recognized overnight courier or certified or registered mail, return receipt requested, directed to such party at its or his address set forth below (and service so made shall be deemed "personal service") or by personal service or in such other manner as may be permissible under the rules of said courts. THE COMPANY AND THE HOLDERS EACH HEREBY WAIVES ANY RIGHT TO A JURY TRIAL IN CONNECTION WITH ANY LITIGATION PURSUANT TO THIS AGREEMENT.

Section 8. Counterparts. This Agreement may be executed in two or more identical counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each party and delivered to the other party; provided that an electronic signature shall be considered due execution and shall be binding upon the signatory thereto with the same force and effect as if the signature were an original, not an electronic signature.

Section 9. Headings. The headings of this Agreement are for convenience of reference and shall not form part of, or affect the interpretation of, this Agreement.

Section 10. Severability. If any provision of this Agreement shall be invalid or unenforceable in any jurisdiction, such invalidity or unenforceability shall not affect the validity or enforceability of the remainder of this Agreement in that jurisdiction or the validity or enforceability of any provision of this Agreement in any other jurisdiction.

Section 11. No Strict Construction. The language used in this Agreement will be deemed to be the language chosen by the parties to express their mutual intent, and no rules of strict construction will be applied against any party.

Section 12. Entire Agreement; Amendments. This Agreement supersedes all other prior oral or written agreements between any Holder, the Company, their affiliates and persons acting on their behalf with respect to the matters discussed herein, and this Agreement and the instruments referenced herein contain the entire understanding of the parties with respect to the matters covered herein and therein. No provision of this Agreement may be amended other than by an instrument in writing signed by the Company and the Holders. No provision hereof may be waived other than by an instrument in writing signed by the party against whom enforcement is sought.

Section 13. Notices. Any notices, consents, waivers or other communications required or permitted to be given under the terms of this Agreement must be in writing and will be deemed to have been delivered: (a) upon receipt, when delivered personally; (b) upon receipt, when sent by e-mail; or (c) one calendar day (excluding Saturdays, Sundays, and national banking holidays) after deposit with an overnight courier service, in each case properly addressed to the party to receive the same.

Section 14. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns, including any purchasers of the New Primary Securities. Subject to its compliance with applicable federal and state securities laws, a Holder may assign some or all of its rights hereunder without the consent of the Company, in which event such assignee shall be deemed to be such Holder hereunder with respect to such assigned rights.

Section 15. No Third-Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective permitted successors and assigns, and is not for the benefit of, nor may any provision hereof be enforced by, any other person.

Section 16. Survival of Representations. The representations and warranties of the Company and the Holders contained in Sections 2 and 3, respectively, will survive the closing of the transactions contemplated by this Agreement.

Section 17. Disclosure of Transaction. The Company shall, on or before 8:30 a.m., New York City time, on the next business day after the date of this Agreement, file a Current Report on Form 8-K describing the terms of the transactions contemplated hereby in the form required by the 1934 Act and attaching the Exchange Documents, to the extent they are required to be filed under the 1934 Act, that have not previously been filed with the Securities and Exchange Commission by the Company (including, without limitation, this Agreement) as exhibits to such filing (including all attachments, the “8-K Filing”). From and after the filing of the 8-K Filing, the Company shall have disclosed all material, non-public information (if any) provided up to such time to the Holders by the Company or any of its Subsidiaries or any of their respective officers, directors, employees or agents. In addition, effective upon the filing of the 8-K Filing, the Company acknowledges and agrees that any and all confidentiality or similar obligations under any agreement with respect to the transactions contemplated by the Exchange Documents or as otherwise disclosed in the 8-K Filing, whether written or oral, between the Company, any of its Subsidiaries or any of their respective officers, directors, affiliates, employees or agents, on the one hand, and any of the Holders or any of their affiliates, on the other hand, shall terminate. Neither the Company, its Subsidiaries nor the Holders shall issue any press releases or any other public statements with respect to the transactions contemplated hereby; *provided, however*, the Company shall be entitled, without the prior approval of the Holders, to make a press release or other public disclosure with respect to such transactions (i) in substantial conformity with the 8-K Filing and contemporaneously therewith or (ii) as is required by applicable law and regulations (provided that in the case of clause (i) the Holders shall be consulted by the Company in connection with any such press release or other public disclosure prior to its release). Without the prior written consent of the Holders (which may be granted or withheld in the Holders’ sole discretion), except as required by applicable law, the Company shall not (and shall cause each of its Subsidiaries and affiliates to not) disclose the name of any Holder in any filing, announcement, release or otherwise.

Section 18. Fees. The Company shall reimburse Kelley Drye & Warren, LLP (counsel to the lead investor), on demand, a non-accountable amount of \$25,000 for fees incurred by it in connection with preparing and delivering this Agreement (including, without limitation, all reasonable, documented legal fees and disbursements in connection therewith, and due diligence in connection with the transactions contemplated thereby). In addition to, but not in limitation of, any other rights of the Holders hereunder, if (a) this Agreement or any of the New Primary Securities are placed in the hands of an attorney for collection of any indemnification or other obligation hereunder or thereunder then outstanding or enforcement or any such obligation is collected or enforced through any legal proceeding or any Holder otherwise takes action to collect amounts due under this Agreement or any of the New Primary Securities or to enforce the provisions of this Agreement or any of the New Primary Securities or (b) there occurs any bankruptcy, reorganization, receivership of the Company or other proceedings affecting Company creditors’ rights and involving a claim under this Agreement or any of the New Primary Securities, then the Company shall pay the costs incurred by such Holder for such collection, enforcement or action or in connection with such bankruptcy, reorganization, receivership or other proceeding, including, without limitation, reasonable attorneys’ fees and disbursements.

Section 19. Listing. The Company shall use reasonable best efforts to promptly secure the listing or designation for quotation (as the case may be) of all of the New Underlying Securities (collectively, the “Applicable Securities”) upon each national securities exchange and automated quotation system, if any, upon which the Common Stock is then listed or designated for quotation (as the case may be) (subject to official notice of issuance) and shall maintain such listing or designation for quotation (as the case may be) of all Applicable Securities from time to time issuable under the terms of the Exchange Documents on such national securities exchange or automated quotation system. The Company shall use reasonable best efforts to maintain the Common Stock’s listing or authorization for quotation (as the case may be) on any one (or more) of The New York Stock Exchange, the NYSE American, the Nasdaq Capital Market, the Nasdaq Global Market or the Nasdaq Global Select Market (each, an “Eligible Market”). The Company shall pay all fees and expenses in connection with satisfying its obligations under this Section 19.

Section 20. Holding Period. For the purposes of Rule 144, the Company acknowledges that the holding period of the applicable New Primary Securities (and upon conversion of the New Notes, the New Conversion Shares and/or upon exercise of the New Warrants (assuming a cashless exercise thereof), the New Warrant Shares, as applicable)) may be tacked onto both the holding period of the corresponding applicable Original Warrant, and the Company agrees not to take a position contrary to this Section 20. The Company acknowledges and agrees that, subject to the Holder's representations and warranties contained in this Agreement, the New Primary Securities (and upon conversion of the New Notes, the New Conversion Shares and/or upon exercise of the New Warrants (assuming a cashless exercise thereof)) issued in exchange for Original Warrants with an issuance date of greater than six months prior to the date hereof shall not be required to bear any restrictive legend and shall be freely transferable by such applicable Holder pursuant to and in accordance with Rule 144, provided, for the avoidance of doubt, that such Holder shall not be an affiliate of the Company and shall not have been an affiliate during the 90 days preceding the date of any transfer.

Section 21. Conversion and Exercise Procedures. Each of the form of Notice of Exercise (as defined in the New Warrants) included in the New Warrants and the form of Notice of Conversion (as defined in the New Notes) included in the New Notes set forth the totality of the procedures required of any Holder in order to exercise the New Warrants or convert the New Notes. Except with respect to the New Primary Securities (and upon conversion of the New Notes, the New Conversion Shares and/or upon exercise of the New Warrants (assuming a cashless exercise thereof)) issued in exchange for Original Warrants with an issuance date of less than six months prior to the date hereof, no additional legal opinion, other information or instructions shall be required of any Holder to exercise its New Warrants or convert its New Notes. Subject to the Company's receipt of the Shareholder Approval and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase with respect to any shares of Common Stock in excess of the Initial Reserve, the Company shall honor exercises of the New Warrants and conversions of the New Notes and shall deliver the New Conversion Shares and New Warrant Shares in accordance with the terms, conditions and time periods set forth in the Notes and Warrants.

Section 22. Reservation of Shares. As of the Closing, the Company shall have reserved from its duly authorized capital stock not less than 63,051,933 shares of Common Stock for issuance upon conversion of the New Notes, the New Warrant Shares initially issuable upon exercise of the New Warrants and shares of Common Stock upon conversion of the Existing FSV Convertible Notes, as replaced by new notes pursuant to terms of the SPA. From and after Shareholder Approval and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase, so long as any of the New Notes or New Warrants remain outstanding, the Company shall take all action necessary to at all times have authorized, and reserved for the purpose of issuance, no less than (i) 100% of the maximum number of shares of Common Stock issuable upon conversion of all the New Notes then outstanding (assuming for purposes hereof that any such conversion shall not take into account any limitations on the conversion of the New Notes set forth in the New Notes), and (ii) the maximum number of New Warrant Shares issuable upon exercise of all the New Warrants then outstanding (without regard to any limitations on the exercise of the New Warrants set forth therein) (collectively, the "Required Reserve Amount"); provided that at no time shall the number of shares of Common Stock reserved pursuant to this Section 22 be reduced other than proportionally in connection with any conversion, exercise and/or redemption, as applicable of New Notes and New Warrants. If at any time after May 1, 2023, the number of shares of Common Stock authorized and reserved for issuance is not sufficient to meet the Required Reserve Amount, the Company will use reasonable best efforts to promptly take all corporate action necessary to authorize and reserve a sufficient number of shares, including, without limitation, calling a special meeting of stockholders to authorize additional shares to meet the Company's obligations pursuant to the Transaction Documents, in the case of an insufficient number of authorized shares, obtain stockholder approval of an increase in such authorized number of shares, and voting the management shares of the Company in favor of an increase in the authorized shares of the Company to ensure that the number of authorized shares is sufficient to meet the Required Reserve Amount.

Section 23. Further Assurances. Each party shall do and perform, or cause to be done and performed, all such further acts and things, and shall execute and deliver all such other agreements, certificates, instruments and documents, as any other party may reasonably request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

Section 24. Register; Transfer Agent Instructions; Legend.

(a) Register. The Company shall maintain at its principal executive offices (or such other office or agency of the Company as it may designate by notice to each holder of New Securities), a register for the New Notes and the New Warrants in which the Company shall record the name and address of the Person in whose name the New Notes and the New Warrants have been issued (including the name and address of each transferee), the principal amount of the New Notes held by such Person, the number of Conversion Shares issuable pursuant to the terms of the New Notes and the number of New Warrant Shares issuable upon exercise of the New Warrants held by such Person. The Company shall keep the register available during business hours for inspection of any Holder or its legal representatives upon their reasonable request.

(b) Legends. Each Holder understands that the New Securities have been issued or, subject to the Company's receipt of the Shareholder Approval and the filing of an amendment to the Company's certificate of incorporation to reflect the Authorized Share Increase with respect to the shares of Common Stock in excess of the Initial Reserve, will be issued in the case of the Conversion Shares and the New Warrant Shares) pursuant to an exemption from registration or qualification under the New Securities Act and applicable state securities laws, and except as set forth below, the New Securities shall bear any legend as required by the "blue sky" laws of any state and a restrictive legend in substantially the following form (and a stop-transfer order may be placed against transfer of such stock certificates):

[NEITHER THE ISSUANCE AND SALE OF THE SECURITIES NOR THE SECURITIES INTO WHICH THESE SECURITIES ARE [CONVERTIBLE] [EXERCISABLE] HAVE BEEN][THE SECURITIES HAVE NOT BEEN] REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS. THE SECURITIES MAY NOT BE OFFERED FOR SALE, SOLD, TRANSFERRED OR ASSIGNED (I) IN THE ABSENCE OF (A) AN EFFECTIVE REGISTRATION STATEMENT FOR THE SECURITIES UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR (B) AN OPINION OF COUNSEL TO THE HOLDER (IF REQUESTED BY THE COMPANY), IN A FORM REASONABLY ACCEPTABLE TO THE COMPANY, THAT REGISTRATION IS NOT REQUIRED UNDER SAID ACT OR (II) UNLESS SOLD OR ELIGIBLE TO BE SOLD PURSUANT TO RULE 144 OR RULE 144A UNDER SAID ACT. NOTWITHSTANDING THE FOREGOING, THE SECURITIES MAY BE PLEDGED IN CONNECTION WITH A BONA FIDE MARGIN ACCOUNT OR OTHER LOAN OR FINANCING ARRANGEMENT SECURED BY THE SECURITIES.

(c) Removal of Legends. Certificates or other documents evidencing New Securities shall not be required to contain the legend set forth in Section 24(b) above or any other legend (i) while a registration statement (including a Registration Statement) covering the resale of such New Securities is effective under the Securities Act, (ii) following any sale of such Securities pursuant to Rule 144 (assuming the transferor is not an affiliate of the Company), (iii) if such New Securities are eligible to be sold, assigned or transferred under Rule 144 (provided that a Holder provides the Company with reasonable assurances that such New Securities are eligible for sale, assignment or transfer under Rule 144 which shall not include an opinion of Holder's counsel), (iv) in connection with a sale, assignment or other transfer (other than under Rule 144), provided that such Holder provides the Company with an opinion of counsel to such Holder, in a generally acceptable form, to the effect that such sale, assignment or transfer of the New Securities may be made without registration under the applicable requirements of the Securities Act or (v) if such legend is not required under applicable requirements of the Securities Act (including, without limitation, controlling judicial interpretations and pronouncements issued by the SEC). If a legend is not required pursuant to the foregoing, the Company shall no later than two (2) Trading Days (or such earlier date as required pursuant to the 1934 Act or other applicable law, rule or regulation for the settlement of a trade initiated on the date such Holder delivers such legended certificate representing such New Securities to the Company) following the delivery by a Holder to the Company or the transfer agent (with notice to the Company) of a legended certificate or entry representing such New Securities (endorsed or with stock powers attached, signatures guaranteed, and otherwise in form necessary to affect the reissuance and/or transfer, if applicable), together with any other deliveries from such Holder as may be required above in this Section 24(c) or otherwise reasonably requested by the Company or its transfer agent, as directed by such Holder, either: (A) provided that the Company's transfer agent is participating in the DTC Fast Automated Securities Transfer Program ("FAST") and such New Securities are Conversion Shares or New Warrant Shares, credit the aggregate number of shares of Common Stock to which such Holder shall be entitled to such Holder's or its designee's balance account with DTC through its Deposit/Withdrawal at Custodian system or (B) if the Company's transfer agent is not participating in FAST, issue and deliver (via reputable overnight courier) to such Holder, a certificate or other documentation representing such New Securities that is free from all restrictive and other legends, registered in the name of such Holder or its designee (the date by which such credit is so required to be made to the balance account of such Holder's or such Holder's designee with DTC or such certificate is required to be delivered to such Holder pursuant to the foregoing is referred to herein as the "**Required Delivery Date**", and the date such shares of Common Stock are actually delivered without restrictive legend to such Holder or such Holder's designee with DTC, as applicable, the "**Share Delivery Date**"). The Company shall be responsible for any transfer agent fees or DTC fees with respect to any issuance of New Securities or the removal of any legends with respect to any New Securities in accordance herewith. Any fees (with respect to the transfer agent, counsel to the Company or otherwise) associated with the issuance of such opinion or the removal of any legends on any of the New Securities shall be borne by the Company.

(d) Failure to Timely Deliver; Buy-In. If the Company fails to, for any reason or for no reason, to issue and deliver (or cause to be delivered) to a Holder (or its designee) by the Required Delivery Date, either (I) if the Transfer Agent is not participating in FAST, a certificate for the number of Conversion Shares or New Warrant Shares (as the case may be) to which such Holder is entitled and register such Conversion Shares or New Warrant Shares (as the case may be) on the Company's share register or, if the Transfer Agent is participating in FAST, to credit the balance account of such Holder or such Holder's designee with DTC for such number of Conversion Shares or New Warrant Shares (as the case may be) submitted for legend removal by such Holder pursuant to Section 24(d) above or (II) if a registration statement declared effective after the date hereof and covering the resale of the Conversion Shares and/or New Warrant Shares (as the case may be) submitted for legend removal by such Holder pursuant to Section 24(d) above (the "**Unavailable Shares**") is not available for the resale of such Unavailable Shares and the Company fails to promptly (x) so notify such Holder and (y) deliver the Conversion Shares or New Warrant Shares, as applicable, electronically without any restrictive legend by crediting such aggregate number of Conversion Shares or New Warrant Shares (as the case may be) submitted for legend removal by such Holder pursuant to Section 24(d) above to such Holder's or its designee's balance account with DTC through its Deposit/Withdrawal At Custodian system (the event described in the immediately foregoing clause (II) is hereinafter referred to as a "**Notice Failure**" and together with the event described in clause (I) above, a "**Delivery Failure**"), then, in addition to all other remedies available to such Holder, the Company shall pay in cash to such Holder on each day after the Share Delivery Date and during such Delivery Failure an amount equal to 0.5% of the product of (A) the sum of the number of shares of Common Stock not issued to such Holder on or prior to the Required Delivery Date and to which such Holder is entitled, and (B) the average closing price during the period beginning on the date of the delivery by such Holder to the Company of the applicable Conversion Shares or New Warrant Shares (as the case may be) and ending on the applicable Share Delivery Date. In addition to the foregoing, if on or prior to the Required Delivery Date either (I) if the Transfer Agent is not participating in FAST, the Company shall fail to issue and deliver a certificate to a Holder and register such shares of Common Stock on the Company's share register or, if the Transfer Agent is participating in FAST, credit the balance account of such Holder or such Holder's designee with DTC for the number of shares of Common Stock to which such Holder submitted for legend removal by such Holder pursuant to Section 24(d) above (ii) below or (II) a Notice Failure occurs, and if on or after such Trading Day such Holder purchases (in an open market transaction or otherwise) shares of Common Stock to deliver in satisfaction of a sale by such Holder of shares of Common Stock submitted for legend removal by such Holder pursuant to Section 24(d) above that such Holder is entitled to receive from the Company (a "**Buy-In**"), then the Company shall, within three (3) Trading Days after such Holder's request and in such Holder's discretion, either (i) pay cash to such Holder in an amount equal to such Holder's total purchase price (including brokerage commissions and other out-of-pocket expenses, if any, for the shares of Common Stock so purchased) (the "**Buy-In Price**"), at which point the Company's obligation to so deliver such certificate or credit such Holder's balance account shall terminate and such shares shall be cancelled, or (ii) promptly honor its obligation to so deliver to such Holder a certificate or certificates or credit the balance account of such Holder or such Holder's designee with DTC representing such number of shares of Common Stock that would have been so delivered if the Company timely complied with its obligations hereunder and pay cash to such Holder in an amount equal to the excess (if any) of the Buy-In Price over the product of (A) such number of shares of Conversion Shares or New Warrant Shares (as the case may be) that the Company was required to deliver to such Holder by the Required Delivery Date multiplied by (B) the average Closing Sale Price (as defined in the New Warrants) of the Common Stock on any Trading Day during the period commencing on the date of the delivery by such Holder to the Company of the applicable Conversion Shares or New Warrant Shares (as the case may be) and ending on the date of such delivery and payment under this clause (ii). Nothing shall limit such Holder's right to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock (or to electronically deliver such shares of Common Stock) as required pursuant to the terms hereof. Notwithstanding anything herein to the contrary, with respect to any given Notice Failure and/or Delivery Failure, this Section 24(e) shall not apply to the applicable Holder the extent the Company has already paid such amounts in full to such Holder with respect to such Notice Failure and/or Delivery Failure, as applicable, pursuant to the analogous sections of the New Note or New Warrant, as applicable, held by such Holder.

Section 25. Remedies. Each Holder and in the event of assignment by Holder of its rights and obligations hereunder, each holder of New Securities, shall have all rights and remedies set forth in the Exchange Documents and all rights and remedies which such holders have been granted at any time under any other agreement or contract and all of the rights which such holders have under any law. Any Person having any rights under any provision of this Agreement shall be entitled to enforce such rights specifically (without posting a bond or other security), to recover damages by reason of any breach of any provision of this Agreement and to exercise all other rights granted by law. Furthermore, the Company recognizes that in the event that it or any Subsidiary fails to perform, observe, or discharge any or all of its or such Subsidiary's (as the case may be) obligations under the Exchange Documents, any remedy at law would be inadequate relief to the Holders. The Company therefore agrees that the Holders shall be entitled to specific performance and/or temporary, preliminary and permanent injunctive or other equitable relief from any court of competent jurisdiction in any such case without the necessity of proving actual damages and without posting a bond or other security. The remedies provided in this Agreement and the other Exchange Documents shall be cumulative and in addition to all other remedies available under this Agreement and the other Exchange Documents, at law or in equity (including a decree of specific performance and/or other injunctive relief).

Faraday Future Announces \$135 Million in Convertible Secured Notes Financing Commitments Which are Expected to Provide the Company with Sufficient Funding to Reach its FF 91 Futurist Start of Production Milestone in March 2023

LOS ANGELES, February 5th, 2023 -- Faraday Future Intelligent Electric Inc. (NASDAQ: FFIE) (“Faraday Future”, “FF” or “Company”), a California-based global shared intelligent electric mobility ecosystem company, today announced a series of definitive agreements for financing, as well as an important modification to a major provision in the terms of the warrants in the original FF secured financing agreements. Once consummated on the contemplated timeline, the Company is expected to have raised all the necessary funds for the start of production (“SOP”) of the FF 91 Futurist. In parallel, the Company has set the date for a special stockholders meeting which is scheduled to take place on February 28th, 2023.

The Company announced the execution of definitive agreements for financing commitments of \$135.0 million in convertible secured notes, of which \$80.0 million will be funded within 10 business days (including \$10.0 million previously funded by Senyun International Ltd. as an advanced payment) subject to the satisfaction or waiver of certain conditions. The remaining amount will be funded within 5 business days after the satisfaction or waiver of certain conditions, including for a portion of such financing receipt of Company stockholder approval and an effective registration statement for the shares underlying the applicable notes. Affiliates of ATW Partners and Acuitas Capital, among others, participated in the transaction. Detailed terms can be found in our Current Report on Form 8-K to be filed with the SEC.

This round of financing, together with the \$33.4 million (\$30.6 million net of original discount and transaction costs and including \$10.0 million previously funded by Senyun International Ltd. as an advanced payment) that has been received by the Company since the FF Global Investor Business Update on December 15th, 2022, means the Company has received sufficient financing commitments for the funds required for SOP of the FF 91 Futurist assuming timely receipt of funds. As previously stated, the Company expects to start production of a saleable FF 91 Futurist at the end of March 2023, coming off the assembly line in early April, with deliveries before the end of April assuming receipt of investor funds on the Company’s expected timeline.

Separately, the Company plans to hold a special stockholders meeting on February 28th, 2023, to consider a proposal to increase the authorized shares of Faraday Future Class A common stock. This proposal, if approved by Faraday Future stockholders, will clear the path for additional future financing to best support FF 91 Futurist deliveries and the Company's other strategic goals. As a major stockholder of the Company, FF Top Holdings LLC, a subsidiary of FF Global Partners LLC ("FFGP"), agreed to vote all shares it beneficially owns to support such proposal in the upcoming special stockholders meeting. The Company also recommends that all Faraday Future stockholders as of January 31st, 2023 vote in favor of, and solicit proxies in favor of, such proposal. Faraday Future stockholder approval is a condition to complete a portion of the abovementioned funding amount, and a pivotal path for providing support to the Company in achieving its long-term goals. Additional information about the special stockholders meeting can be found in our definitive proxy statement on Schedule 14A previously filed with the SEC.

The financing agreements also include an important modification to a major provision in the terms of the warrants in the original FF secured financing agreements. In such warrants, there was a full ratchet anti-dilution provision that allowed investors to receive the right to purchase additional shares at a price equal to the lowest price in which shares were issued after the issuance of such warrants. The relevant clause has been removed from the warrants under the financing agreements, helping FF stockholders successfully avoid a potential future dilutive issuance of up to hundreds of millions of shares. The Company has also agreed to issue \$41.0 million of convertible secured notes to its existing secured notes investors in exchange for the cancellation of a majority of their previously outstanding warrants on terms described in more detail in our Current Report on Form 8-K to be filed with the SEC.

The Company appreciates the trust shown by its investors. This round of financing provides the Company with confidence to achieve its key short-term strategic goal of SOP and deliver the FF 91 Futurist to the most avant-garde users at the top of the pyramid with high-quality and high product power. At the same time, the Company would like to express its deep gratitude to the loyal and recurring investors for their continued support, especially FFGP for its determined efforts in connection with the financing and warrant settlement.

"Securing \$135.0 million in funding commitments is critical and imperative for Faraday Future's sprint to FF 91 Futurist's SOP. The availability of these additional funding commitments provides confidence that FF can reach the SOP milestone in March 2023. We will deliver the FF 91 Futurist with high quality and high product power as soon as possible after receipt of the funds contemplated by these financings," said Xuefeng (XF) Chen, Global CEO of Faraday Future.

The Company is also grateful to FF's global suppliers for their deep insight and persistent belief in FF's disruptive product at the top of the pyramid, the Ultimate Intelligent TechLuxury brand positioning, revolutionary advanced technology, and the Company's long-term value. The tolerance and determination of FF's global suppliers are at the cornerstone of its goal to subvert the traditional auto industry and build a future mobility ecosystem.

On February 3rd, 2023, the trading price of FFIE stock closed above \$1.00 per share, which is an increase of more than 300% from its lowest stock price in the past 40 trading days. The Company thanks FF's stockholders, both retail investors and institutional investors, for their high level of trust and support of the Company's new top-level governance structure, new board of directors, and new management. This is the fundamental groundwork for unlocking FF's value.

"I am glad to see that Faraday Future has obtained commitments for this key round of financing with the cooperation and support of FFGP. At the same time, FFGP also assisted Faraday Future in solving the crucial warrant issue and helping ensure the maximization of interests of all stakeholders with the timely SOP of the FF 91 Futurist," said a spokesperson from FFGP.

Faraday Future has made further progress with testing and validation of the FF 91 Futurist through the Product and Technology Generation 2.0 program (PT Gen 2.0) in recent months. The generational upgrade from PT Gen 1.0 to PT Gen 2.0 consists of significant upgrades of systems and core components from both the vehicle, and I.A.I area – the advanced core, which stands for Internet, Autonomous Driving, and Intelligence. PT Gen 2.0 was achieved through upgrades of 26 major system and components. With 13 key upgrades throughout powertrain, battery, charging, chassis, interior from EV areas, as well 13 key upgrades from computing, sensing, communication, user interaction, and significant performance improvements to the FF 91 Futurist.

With this latest round of financing, Faraday Future is now closing in on the 7th milestone, which is the SOP. The Company recently announced the completion of the 6th milestone, the completion of construction and equipment installation in vehicle assembly areas. This marked the sixth of the seven milestones that FF laid out late in 2021 to mark its manufacturing achievements towards the start of production of the FF 91 Futurist.

Competing with Ferrari, Maybach, Rolls Royce, and Bentley, as the only next-gen Ultimate Intelligent TechLuxury EV product, the FF 91 Futurist puts forward a unique and intelligent EV experience with extreme technology, an ultimate user experience. The FF 91 Futurist features an industry-leading 1,050 horsepower, an EPA-certified range of 381 miles, 0-60 mph in 2.27 seconds, a unique rear intelligent Internet system, and a revolutionary user experience designed to create a mobile, connected, intelligent, and luxurious third Internet living space and user mobility ecosystem platform.
