### Item 1.01. Entry into a Material Definitive Agreement.

On November 11, 2022, Faraday Future Intelligent Electric Inc. (the “Company”) entered into a Standby Equity Purchase Agreement (the “SEPA”) with YA II PN, Ltd., an affiliate of Yorkville Advisors Global, LP (“Yorkville”). Pursuant to the SEPA, the Company shall have the right (subject to certain conditions), but not the obligation, to sell to Yorkville up to \$200,000,000 of its shares of Class A common stock, par value \$0.0001 per share (the “Class A Common Stock”), subject, at the option of the Company, to increase in one or more installments (each such installment, a “Commitment Increase”) up to a total amount of \$350,000,000 (the \$200,000,000 plus any Commitment Increases, the “Commitment Amount”), at the Company’s request any time during the commitment period commencing on November 11, 2022 and terminating on the earlier of (i) the first day of the month following the 36-month anniversary of the SEPA and (ii) the date on which Yorkville shall have made payment of any advances pursuant to the SEPA (each, an “Advance”) for shares of the Class A Common Stock equal to the Commitment Amount (as increased by any Commitment Increases). Each Advance the Company requests under the SEPA (notice of such request, an “Advance Notice”) may be for a number of shares of Class A Common Stock equal to up to 9.99% of the total number of shares of Class A Common Stock outstanding as of the date of the Advance Notice (less any such shares held by Yorkville and its affiliates as of such date); however, the final number of shares of Class A Common Stock sold pursuant to each Advance Notice shall not exceed the greater of (1) one-third of the total trading volume of the Class A Common Stock on the Nasdaq Stock Market as reported by Bloomberg L.P. during such Pricing Period (as defined below), or (2) the number of shares of Class A Common Stock sold by Yorkville during such Pricing Period, but not to exceed the amount requested in the Advance Notice. The shares would be purchased at 97% of the average daily volume weighted average price of the Class A Common Stock on the Nasdaq Stock Market as reported by Bloomberg L.P. (“VWAP”) for the three trading days commencing on the Advance Notice date (the “Pricing Period”). When providing an Advance Notice, the Company may indicate on such Advance Notice a minimum acceptable price (“MAP”). If a MAP is indicated on an Advance Notice, then each trading day during the Pricing Period for such Advance Notice for which the VWAP of the Class A Common Stock is below the MAP or for which there is no VWAP (each such day, an “Excluded Day”), shall result in an automatic reduction to the amount of the Advance set forth in such Advance Notice by one-third, and each Excluded Day shall be excluded from the Pricing Period for purposes of determining the price at which Yorkville shall purchase the shares. Additionally, the total number of shares of Class A Common Stock in respect of such Advance (after the foregoing reductions, if any) shall be automatically increased by such number of shares of Class A Common Stock (the “Additional Shares”) equal to the number of shares of Class A Common Stock sold by Yorkville on such Excluded Day, if any, and the price paid per share for each Additional Share shall be equal to the MAP in effect with respect to such Advance Notice multiplied by 97%, provided that this increase shall not cause the total Advance to exceed the amount set forth in the original Advance Notice.

Any purchase under an Advance would be subject to certain limitations, including that Yorkville shall not purchase or acquire any shares that would result in it and its affiliates beneficially owning more than 9.99% of the then outstanding voting power or number of shares of Class A Common Stock or any shares that, aggregated with shares issued under all other earlier Advances, would exceed 19.99% of all shares of Class A Common Stock and Class B common stock of the Company, par value \$0.0001 per share, outstanding on the date of the SEPA, unless Company shareholder approval was obtained allowing for issuances in excess of such amount (the “Exchange Cap”). The Exchange Cap will not apply under certain circumstances, including to any Advance under the SEPA where the average price of all shares of Class A Common Stock issued and sold under the SEPA, or to be issued under Advances to the date of and including such Advance, equals or exceeds \$0.62 per share.

In connection with the execution of the SEPA, the Company agreed to pay a structuring fee (in cash) to YA Global II SPV, LLC, a subsidiary of Yorkville, in the amount of \$10,000. Additionally, in connection with the execution of the SEPA, the Company agreed to issue to Yorkville 789,016 shares of Class A Common Stock as a commitment fee, and if the Company exercises a Commitment Increase, the Company will issue to Yorkville additional shares of Class A Common Stock as a commitment fee in an amount determined by dividing (a) 0.25% of the amount of such Commitment Increase, by (b) the average of the daily VWAP for the five trading days prior to the date the Company delivers notice of the Commitment Increase (the 789,016 shares plus any additional shares, the “Commitment Shares”). Such additional Commitment Shares must be issued within five days of the date the Company delivers notice of the Commitment Increase.

In connection with the execution of the SEPA, the Company agreed to use commercially reasonable efforts to prepare and file with the Securities and Exchange Commission (the “SEC”) a registration statement, or multiple registration statements, for the resale under the Securities Act of 1933, as amended (the “Securities Act”), by Yorkville of the shares of Class A Common Stock issued under the SEPA (including the Commitment Shares and shares of Class A Common Stock issued pursuant to an Advance). The Company in its sole discretion may choose when to file such registration statement, but the Company shall not have the ability to request any Advances until such registration statement is declared effective by the SEC.

The foregoing description of the SEPA does not purport to be complete and is qualified in its entirety by reference to the complete text of the SEPA, a copy of which is filed herewith as Exhibit 10.1 and incorporated herein by reference.

This Current Report on Form 8-K shall not constitute an offer to sell or a solicitation of an offer to buy any shares of Class A Common Stock, nor shall there be any sale of shares of Class A Common Stock in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.

## Article II. Advances

Section 2.01 Advances; Mechanics. Upon the terms and subject to the conditions of this Agreement, during the Commitment Period, the Company, at its sole discretion, shall have the right, but not the obligation, to issue and sell to the Investor, and the Investor shall purchase from the Company, Advance Shares by the delivery to the Investor of Advance Notices on the following terms:

- (a) Advance Notice. At any time during the Commitment Period the Company may require the Investor to purchase Shares by delivering an Advance Notice to the Investor, subject to the satisfaction or waiver by the Investor of the conditions set forth in Section 7.01, and in accordance with the following provisions:
  - (i) The Company shall, in its sole discretion, select the number of Advance Shares, not to exceed the Maximum Advance Amount, it desires to issue and sell to the Investor in each Advance Notice and the time it desires to deliver each Advance Notice.
  - (ii) There shall be no mandatory minimum Advances and no non-usages fee for not utilizing the Commitment Amount or any part thereof.
- (b) Date of Delivery of Advance Notice. Advance Notices shall be delivered in accordance with the instructions set forth on the bottom of Exhibit A attached hereto. An Advance Notice shall be deemed delivered on (i) the day it is received by the Investor if such notice is received by email at or before 8:30 a.m. Eastern Time (or later if waived by the Investor in its sole discretion), or (ii) the immediately succeeding day if it is received by email after 8:30 a.m. Eastern Time.

- (c) Advance Limitations. Regardless of the number of Common Shares requested by the Company in the Advance Notice, the final number of Shares to be issued and sold pursuant to an Advance Notice shall be reduced (if at all) in accordance with each of the following limitations:
- (i) Ownership Limitation; Commitment Amount. At the request of the Company, the Investor shall inform the Company of the amount of shares the Investor then beneficially owns. Notwithstanding anything to the contrary contained in this Agreement, the Investor shall not be obligated to purchase or acquire, and shall not purchase or acquire, any Common Shares under this Agreement which, when aggregated with all other Common Shares beneficially owned by the Investor and its affiliates (as calculated pursuant to Section 13(d) of the Exchange Act and Rule 13d-3 promulgated thereunder), would result in the beneficial ownership by the Investor and its such affiliates (on an aggregated basis) to exceed 9.99% of the then outstanding voting power or number of Common Shares (the "Ownership Limitation"). Upon the written request of the Investor, the Company shall promptly (but no later than one business day after the next business day on which the transfer agent for the Common Shares is open for business) confirm orally or in writing to the Investor the number of Common Shares then outstanding. In connection with each Advance Notice delivered by the Company, any portion of the number of Advance Shares that would (i) cause the Investor to exceed the Ownership Limitation or (ii) cause the aggregate number of Shares issued and sold to the Investor hereunder (excluding, for the avoidance of doubt, the Commitment Shares) to exceed the Commitment Amount shall automatically be withdrawn with no further action required by the Company, and such Advance Notice shall be deemed automatically modified to reduce the number of Advance Shares requested by an amount equal to such withdrawn portion; *provided* that in the event of any such automatic withdrawal and automatic modification, the Investor will promptly notify the Company of such event.
  - (ii) Registration Limitation and Exchange Cap. In no event shall an Advance exceed the amount registered under the Registration Statement then in effect (the "Registration Limitation") or the Exchange Cap, to the extent applicable. In connection with each Advance Notice, any portion of an Advance that would exceed the Registration Limitation or the Exchange Cap shall automatically be withdrawn with no further action required by the Company and such Advance Notice shall be deemed automatically modified to reduce the aggregate amount of the requested Advance by an amount equal to such withdrawn portion in respect of each Advance Notice; *provided* that in the event of any such automatic withdrawal and automatic modification, Investor will promptly notify the Company of such event.
- (d) Volume Threshold. In connection with each Advance Notice, if the total number of Common Shares traded on the Principal Market during the corresponding Pricing Period is less than the Volume Threshold, then the number of Advance Shares issued and sold pursuant to such Advance Notice shall be reduced to the greater of (a) one-third of the total trading volume of the Company's Common Shares on the Principal Market during such Pricing Period as reported by Bloomberg L.P., or (b) the number of Common Shares sold by the Investor during such Pricing Period, but not to exceed the amount requested in the Advance Notice. In respect to an Advance Notice with a Minimum Acceptable Price, in the event that there are any Excluded Days, the Volume Threshold shall be reduced by one-third for each Excluded Day, and the trading volume of the Company's Common Shares on the Principal Market on any Excluded Day shall be excluded from the calculation in sub section (a) of this paragraph.
- (e) Minimum Acceptable Price.
- (i) With respect to each Advance Notice, the Company may notify the Investor of the MAP with respect to such Advance by indicating a MAP on such Advance Notice. If no MAP is specified in an Advance Notice, then no MAP shall be in effect in connection with such Advance. Each Trading Day during a Pricing Period for which (A) with respect to each Advance Notice with a MAP, the VWAP of the Common Shares is below the MAP in effect with respect to such Advance Notice, or (B) there is no VWAP (each such day, an "Excluded Day"), shall result in an automatic reduction to the amount of the Advance set forth in such Advance Notice by one-third (the resulting amount of each Advance being the "Adjusted Advance Amount"), and each Excluded Day shall be excluded from the Pricing Period for purposes of determining the Market Price.
  - (ii) The total Shares in respect of each Advance (after reductions have been made to arrive at the Adjusted Advance Amount, if any) shall be automatically increased by such number of Common Shares (the "Additional Shares") equal to the number of Common Shares sold by the Investor on such Excluded Day, if any, and the price paid per share for each Additional Share shall be equal to the MAP in effect with respect to such Advance Notice multiplied by 97%, provided that this increase shall not cause the total Advance to exceed the amount set forth in the original Advance Notice or any limitations set forth in Section 2.01(c).
- (f) Unconditional Contract. Notwithstanding any other provision in this Agreement, the Company and the Investor acknowledge and agree that upon the Investor's receipt of a valid Advance Notice the parties shall be deemed to have entered into an unconditional contract binding on both parties for the purchase and sale of Advance Shares pursuant to such Advance Notice in accordance with the terms of this Agreement and (i) subject to Applicable Laws and (ii) subject to Section 3.08 (Trading Activities), the Investor may sell Common Shares during the Pricing Period.

Section 2.02 Closings. The closing of each Advance and each sale and purchase of Advance Shares (each, a “Closing”) shall take place as soon as practicable on or after each Advance Date in accordance with the procedures set forth below. The parties acknowledge that the Purchase Price is not known at the time the Advance Notice is delivered (at which time the Investor is irrevocably bound) but shall be determined on each Closing based on the daily prices of the Common Shares that are the inputs to the determination of the Purchase Price as set forth further below. In connection with each Closing, the Company and the Investor shall fulfill each of its obligations as set forth below:

- (a) On each Advance Date, the Investor shall deliver to the Company a written document, in the form attached hereto as Exhibit B (each a “Settlement Document”), setting forth the final number of Shares to be purchased by the Investor (taking into account any adjustments pursuant to Section 2.01), the Market Price, the Purchase Price, the aggregate proceeds to be paid by the Investor to the Company, and a report by Bloomberg, L.P. indicating the VWAP for each of the Trading Days during the Pricing Period (or, if not reported on Bloomberg, L.P., another reporting service reasonably agreed to by the parties), in each case in accordance with the terms and conditions of this Agreement. The final number of Shares to be purchased by the Investor at the Closing for such Advance shall equal the sum of (i) the Adjusted Advance Amount which shall be purchased at the Purchase Price, plus (ii) the aggregate number of Additional Shares elected to be purchased by the Investor on Excluded Days during such Pricing Period (as contemplated by Section 2.01(d)(ii)) which shall be purchased at the applicable MAP.
- (b) Promptly after receipt of the Settlement Document with respect to each Advance (and, in any event, not later than one Trading Day after such receipt), the Company will, or will cause its transfer agent to, electronically transfer such number of Advance Shares to be purchased by the Investor (as set forth in the Settlement Document) by crediting the Investor’s account or its designee’s account at the Depository Trust Company through its Deposit Withdrawal at Custodian System or by such other means of delivery as may be reasonably agreed upon by the parties hereto, and transmit notification to the Investor that such share transfer has been requested. Promptly upon (and in any event within one Trading Day after) receipt of such notification, the Investor shall pay to the Company the aggregate purchase price of the Shares (as set forth in the Settlement Document) in cash in immediately available funds to an account designated by the Company in writing and transmit notification to the Company that such funds transfer has been requested. No fractional shares shall be issued, and any fractional amounts shall be rounded to the next higher whole number of shares. To facilitate the transfer of the Common Shares by the Investor, the Common Shares will not bear any restrictive legends so long as there is an effective Registration Statement covering the resale of such Common Shares (it being understood and agreed by the Investor that notwithstanding the lack of restrictive legends, the Investor may only sell such Common Shares pursuant to the Plan of Distribution set forth in the Prospectus included in the Registration Statement and otherwise in compliance with the requirements of the Securities Act (including any applicable prospectus delivery requirements) or pursuant to an available exemption).
- (c) On or prior to the Advance Date, each of the Company and the Investor shall deliver to the other all documents, instruments and writings expressly required to be delivered by either of them pursuant to this Agreement in order to implement and effect the transactions contemplated herein.
- (d) Notwithstanding anything to the contrary in this Agreement, if on any day during the Pricing Period (i) the Company notifies Investor that a Material Outside Event has occurred, or (ii) the Company notifies the Investor of a Black Out Period, the parties agree that the pending Advance shall end and the final number of Advance Shares to be purchased by the Investor at the Closing for such Advance shall be equal to the number of Common Shares sold by the Investor during the applicable Pricing Period prior to the notification from the Company of a Material Outside Event or Black Out Period.

## Article V. Indemnification

The Investor and the Company represent to the other the following with respect to itself:

Section 5.01 Indemnification by the Company. In consideration of the Investor's execution and delivery of this Agreement and acquiring the Shares hereunder, and in addition to all of the Company's other obligations under this Agreement, the Company shall defend, protect, indemnify and hold harmless the Investor and its investment manager, Yorkville Advisors Global, LP, and each of their respective officers, directors, managers, members, partners, employees and agents (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) and each person who controls the Investor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "Investor Indemnitees") from and against any and all actions, causes of action, suits, claims, losses, costs, penalties, fees, liabilities and damages, and reasonable and documented expenses in connection therewith (irrespective of whether any such Investor Indemnitee is a party to the action for which indemnification hereunder is sought), and including reasonable attorneys' fees and disbursements (the "Indemnified Liabilities"), incurred by the Investor Indemnites or any of them as a result of, or arising out of, or relating to (a) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Shares as originally filed or in any amendment thereof, or in any related prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; *provided, however*, that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of the Investor specifically for inclusion therein; (b) any material misrepresentation or breach of any material representation or material warranty made by the Company in this Agreement or any other certificate, instrument or document contemplated hereby or thereby; or (c) any material breach of any material covenant, material agreement or material obligation of the Company contained in this Agreement or any other certificate, instrument or document contemplated hereby or thereby. To the extent that the foregoing undertaking by the Company may be unenforceable under Applicable Law, the Company shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities, which is permissible under Applicable Law.

Section 5.02 Indemnification by the Investor. In consideration of the Company's execution and delivery of this Agreement, and in addition to all of the Investor's other obligations under this Agreement, the Investor shall defend, protect, indemnify and hold harmless the Company and its Subsidiaries and each of their respective officers, directors, managers, members, shareholders, employees and agents (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) and each person who controls the Investor within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "Company Indemnites") from and against any and all Indemnified Liabilities incurred by the Company Indemnites or any of them as a result of, or arising out of, or relating to (a) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Shares as originally filed or in any amendment thereof, or in any related prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; *provided, however*, that the Investor will only be liable for written information relating to the Investor furnished to the Company by or on behalf of the Investor specifically for inclusion in the documents referred to in the foregoing indemnity, and will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Investor by or on behalf of the Company specifically for inclusion therein; (b) any misrepresentation or breach of any representation or warranty made by the Investor in this Agreement or any instrument or document contemplated hereby or thereby executed by the Investor; or (c) any breach of any covenant, agreement or obligation of the Investor contained in this Agreement or any other certificate, instrument or document contemplated hereby or thereby executed by the Investor. To the extent that the foregoing undertaking by the Investor may be unenforceable under Applicable Laws, the Investor shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities, which is permissible under Applicable Laws.

Section 5.03 Notice of Claim. Promptly after receipt by an Investor Indemnitee or Company Indemnitee of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving an Indemnified Liability, such Investor Indemnitee or Company Indemnitee, as applicable, shall, if a claim for an Indemnified Liability in respect thereof is to be made against any indemnifying party under this Article V, deliver to the indemnifying party a written notice of the commencement thereof; but the failure to so notify the indemnifying party will not relieve it of liability under this Article V except to the extent the indemnifying party is prejudiced by such failure. The indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually reasonably satisfactory to the indemnifying party and the Investor Indemnitee or Company Indemnitee, as the case may be; *provided, however*, that an Investor Indemnitee or Company Indemnitee shall have the right to retain its own counsel with the actual and reasonable third party fees and expenses of not more than one counsel for such Investor Indemnitee or Company Indemnitee to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Investor Indemnitee or Company Indemnitee and the indemnifying party would be inappropriate due to actual or potential differing interests between such Investor Indemnitee or Company Indemnitee and any other party represented by such counsel in such proceeding. The Investor Indemnitee or Company Indemnitee shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Investor Indemnitee or Company Indemnitee which relates to such action or claim. The indemnifying party shall keep the Investor Indemnitee or Company Indemnitee reasonably apprised as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its prior written consent, *provided, however*, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the prior written consent of the Investor Indemnitee or Company Indemnitee, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Investor Indemnitee or Company Indemnitee of a release from all liability in respect to such claim or litigation. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Investor Indemnitee or Company Indemnitee with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The indemnification required by this Article V shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received and payment therefor is due.

Section 5.04 Remedies. The remedies provided for in this Article V are not exclusive and shall not limit any right or remedy which may be available to any indemnified person at law or equity. The obligations of the parties to indemnify or make contribution under this Article V shall survive expiration or termination of this Agreement.

The Company shall use commercially reasonable efforts to (i) prepare and file with the SEC such amendments (including post-effective amendments) and supplements to a Registration Statement and the related prospectus used in connection with such Registration Statement, which prospectus is to be filed pursuant to Rule 424 promulgated under the Securities Act, as may be necessary to keep such Registration Statement effective at all times during the Commitment Period, and prepare and file with the SEC such additional Registration Statements in order to register for resale under the Securities Act all of the Registrable Securities; (ii) cause the related prospectus to be amended or supplemented by any required prospectus supplement (subject to the terms of this Agreement), and as so supplemented or amended to be filed pursuant to Rule 424 promulgated under the Securities Act; (iii) provide the Investor copies of all correspondence from and to the SEC relating to a Registration Statement (*provided* that the Company may redact any information contained therein which would constitute material non-public information, and (iv) comply with the provisions of the Securities Act with respect to the disposition of all Common Shares covered by such Registration Statement until such time as all of such Common Shares shall have been disposed of in accordance with the intended methods of disposition by the seller or sellers thereof as set forth in such Registration Statement. In the case of amendments and supplements to a Registration Statement which are required to be filed pursuant to this Agreement (including pursuant to this Section 6.01(d) by reason of the Company's filing a report on Form 10-K, Form 10-Q, or Form 8-K or any analogous report under the Exchange Act *provided* that such report is not automatically incorporated by reference into the applicable Registration Statement), the Company shall use commercially reasonable efforts to file such report in a prospectus supplement filed pursuant to Rule 424 promulgated under the Securities Act to incorporate such filing into the Registration Statement, if applicable, or shall file such amendments or supplements with the SEC either on the day on which the Exchange Act report is filed which created the requirement for the Company to amend or supplement the Registration Statement, if feasible, or otherwise promptly thereafter.
- (e) Blue-Sky. The Company shall use its commercially reasonable efforts to, if required by Applicable Laws, (i) register and qualify the Common Shares covered by a Registration Statement under such other securities or "blue sky" laws of such jurisdictions in the United States as the Investor reasonably requests, (ii) prepare and file in those jurisdictions, such amendments (including post-effective amendments) and supplements to such registrations and qualifications as may be necessary to maintain the effectiveness thereof during the Commitment Period, (iii) take such other actions as may be necessary to maintain such registrations and qualifications in effect at all times during the Commitment Period, and (iv) take all other actions reasonably necessary or advisable to qualify the Common Shares for sale in such jurisdictions; *provided, however*, that the Company shall not be required in connection therewith or as a condition thereto to (w) make any change to its Certificate of Incorporation or Bylaws or any other organizational documents of the Company or any of its Subsidiaries, (x) qualify to do business in any jurisdiction where it would not otherwise be required to qualify but for this Section 6.01, (y) subject itself to general taxation in any such jurisdiction, or (z) file a general consent to service of process in any such jurisdiction. Section 6.02 Suspension of Registration Statement.

- (a) Establishment of a Black Out Period. During the Commitment Period, the Company from time to time may suspend the use of the Registration Statement by written notice to the Investor in the event that the Company determines in its sole discretion in good faith that such suspension is necessary to (A) delay the disclosure of material nonpublic information concerning the Company, the disclosure of which at the time is not, in the good faith opinion of the Company, in the best interests of the Company or (B) amend or supplement the Registration Statement or Prospectus so that such Registration Statement or Prospectus shall not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading (a “Black Out Period”).

**Faraday Future Announces Significant New Financing  
and Effective Form S-1/A Registration Statement**

- Definitive Agreement Reached for Committed Equity Facility Up to \$350 million -
- Significantly Strengthens Financial Flexibility and Advances Progress Toward Start of Production -
- S-1/A Registration Statement Effective on November 10, 2022 -

Gardena, CA--(BUSINESS WIRE) --November 14, 2022-- Faraday Future Intelligent Electric Inc. (“Faraday Future” or the “Company”) (NASDAQ: FFIE), a California-based global shared intelligent electric mobility ecosystem company, today announced that it has reached an agreement for a new standby equity line of credit (“ELOC”) with an affiliate of Yorkville Advisors Global, LP (“Yorkville”). The facility has an initial commitment of \$200 million which can be increased to up to \$350 million at the Company’s option. The ELOC will significantly improve Faraday Future’s financial flexibility and advance its progress toward launching the FF 91.

Under the terms of the ELOC, Faraday Future will have the right, but not the obligation, to issue and sell to Yorkville up to \$200 million in shares of the Company’s Class A common stock subject to customary conditions including an effective registration statement for the resale of such shares. The Company has the right to increase the \$200 million commitment by up to \$150 million in one or more installments. The shares will be sold to Yorkville at a discounted price of 97% of the 3-day volume-weighted average price at the time of funding, and generally limited to one-third of the Company’s trading volume during such time period. Additional information about the ELOC can be found in our 8-K filed earlier today.

Separately, the Company announced that its Registration Statement on Form S-1/A, dated November 8, 2022, has been declared effective by the U.S. Securities and Exchange Commission. The company expects to file a new Form S-1 for the ELOC in the near future.

“Our FF 91 vehicle program is advancing, and recent testing and validation results have exceeded our targets, including an EPA range certification of 381 miles, which is truly exceptional for a large TechLuxury car that delivers 1050 horsepower and 0-60 performance in under 2.4 seconds,” said Dr. Carsten Breitfeld, Global CEO of Faraday Future. “This new financing facility is a key part of our strategy to raise the funds we need to get the FF 91 on the road and in the hands of users as quickly as possible,” continued Dr. Breitfeld.

Yun Han, Interim Chief Financial Officer of Faraday Future added, “With this new financing, we have greater financial flexibility and can plan with greater clarity and confidence as we move toward launch of the FF 91. We are pleased to welcome Yorkville as our newest funding partner and are working diligently to finish preparations for start of production and to bring our vision of the future of mobility to market.”

The information contained in this press release does not constitute an offer to sell or the solicitation of an offer to buy shares of Faraday Future common stock.
